

The God I Know

You've prayed a thousand prayers
But still the answer hasn't come.
And a thousand hopes left broken
Have left you all but none
I can't begin to tell you
Why He's asking you to wait
But here in the silence keep holding on to faith

Cause the God I know can still move mountains
The God I know still calms the raging sea
He holds you safely in His arms, and He won't let go
That's the God I know

Our God is always near to those who call upon his name
And He said that He'd be with us when we're walking through the flame
So tell your heart to trust Him in this moment give Him praise
Lift a Hallelujah cause He will make a way

Cause the God I know can still move mountains
The God I Know still calms the raging sea
He holds you safely in His arms, and he won't let go
That's the God I know

I've seen Him move so many times before
And if there's one thing that I know for sure

The God I know can still move mountains
The God I Know still calms the raging sea
He holds you safely in his arms and he won't let go
That's the God I know

The Blood of Jesus

I was a sinner by my own admission
I felt the weight of all my wrong decisions
There was no way I could escape my sentence
But the cross declared a new conviction

Rewriting all my destiny
Restoring all my dignity
I'm rising in the victory of the blood of Jesus
My past lost in the mercy seat
I'm washed for all eternity
Now living in the legacy of the blood of Jesus

No matter where my soul has ever wandered
I know the mercy of the judge is stronger
My case is closed, and it won't be reopened
Oh, for the power of the blood has spoken

Rewriting all my destiny
Restoring all my dignity
I'm rising in the victory of the blood of Jesus
My past lost in the mercy seat
I'm washed for all eternity
Now living in the legacy of the blood of Jesus

I plead the blood
I plead the blood of Jesus
Plead the blood
I plead the blood of Jesus
Plead the blood
I plead the blood of Jesus
Plead the blood
I plead the blood of Jesus

Rewriting all my destiny
Restoring all my dignity
I'm rising in the victory of the blood of Jesus
My past lost in the mercy seat
I'm washed for all eternity
Now living in the legacy of the blood of Jesus
I plead the blood of Jesus I plead the blood of Jesus

What Kind of Man

I am Barabbas, a rebel, a prisoner
Death was the sentence for me
Led before Pilate, I stood there beside him
This man some were calling a king
And as the crowd shouted "crucify him"
The soldiers let me go free

What kind of man, guilty of nothing
Would suffer the shame and disgrace?
Hang on a cross, despised and rejected
And willing to die in my place
At calvary
For someone like me
For someone like me

My name is Thomas, for three years I followed
I saw every wonder and sign
They say He has risen, that His grave is empty
But I just can't believe he's alive
Now standing before me Jesus shows me
The scars in his hands and his side

What kind of man, embraces a doubter
Lovingly drawing me near
I don't have to wonder, if I've been accepted
He settled the worry and fear
At calvary
For someone like me

My name is Peter, I knew Him and loved Him
But oh, how I failed him that night
I promised Jesus, that I'd never leave him
I'd willingly lay down my life
But there at his trial, I stood by the fire
I denied him three times

What kind of man, pours out His mercy
On someone who stumbles and falls
With no way to earn it, no way to deserve it

Forgiveness still came after all
At calvary
For someone like me

Woah-oh
I've been Barabbas, the guilty set free
And I have been Thomas, the doubter redeemed
And I have been Peter
Yes I've been all three

What kind of man, bleeds for the worthless
And saves him, whatever it takes
What kind of man would rescue the sinner
And offer amazing grace
At calvary
At calvary
For someone like me
For someone like me
For someone like me

Jesus, What a Wonderful Name

Some call it progress and we must conform
Or we will be left by the change
This New world religion, serves the god of their choice
But salvation still comes in One Name

That name is Jesus, Sweet Rose of Sharon
Spotless and pure Lamb of God, Jesus, the Lion of Judah
The promised Emmanuel, God's Son, Jesus my Lord and Creator
Who witnessed and conquered the grave,
Jesus this worlds only Savior, Jesus what a wonderful name

All the great leaders who sleep in their graves
One day will bow and proclaim
He's Lord of all glory, the crowned King of kings
All creation will thunder His Name

That name is Jesus, Sweet Rose of Sharon
Spotless and pure Lamb of God, Jesus, the Lion of Judah
The promised Emmanuel, God's Son, Jesus my Lord and Creator
Who witnessed and conquered the brave,
Jesus this worlds only Savior, Jesus what a wonderful name

That name is Jesus, Sweet Rose of Sharon
Spotless and pure Lamb of God, Jesus, the Lion of Judah

Goodness of God

I love You Lord
For Your mercy never fails me
All my days
I've been held in Your hand
From the moment that I wake up
Until I lay my head
Oh I will sing of the goodness of God

'Cause all my life you have been faithful
And all my life you have been so, so good
With every breath that I am able
Oh, I will sing of the goodness of God

I love Your voice
You have lead me through the fire
In darkest nights
You are close like no other
I've known You as a father
I've known You as a friend
And I have lived in the goodness of God

'Cause all my life you have been faithful (oh yes you have)
And all my life you have been so so good
With every breath that I am able
Oh I will sing of the goodness of God

Your goodness is running after
Is running after me
Your goodness is running after
Is running after me

With my life laid down
I surrender now
I give You everything, oh Lord
Your goodness is running after
Is running after me

Your goodness is running after (oh yeah)
(It's running after me)

Your goodness (is running after)
It's running after me

With my life laid down
(I surrender now)
I give You everything (everything)
Your goodness is running after
It's running after me

And all my life you have been faithful, hmm
And all my life you have been so, so good
With every breath that I am able
Oh, I'm gonna sing of the goodness of God

I'm gonna sing

All my life you have been faithful
(All of my life you've been faithful)
All my life you have been so so good
(So good, with every breath)
Every breath that I am able
(Every breath I'm able)
I will sing (I'm gonna sing) of the goodness of God (of the goodness of God, yes I am)

I will sing of the goodness of God (of the goodness of God)
I will sing of the goodness of God (oh, I'm gonna sing of the goodness of God)

Never a Time

Are you weary from the battle you're fighting?
Does it seem like the storm just won't break?
Is there a mountain in front of you that doubt says will never move?
And you wonder, "Will God make a way?"

Well tell me a time He's not been faithful
Tell me a morning His mercies weren't new
Tell me a moment He wasn't able to carry you through
Tell me a day He was less than Almighty
When He could not roll back the tide
Child, when you look back you're gonna find
There was never a time

So be strong in the Lord and remember
To take hold of faith and stand firm
You can be confident the Lord keeps His promises
If you doubt Him, just read through His Word

And tell me a time He's not been faithful
Tell me a morning His mercies weren't new
Tell me a moment He wasn't able to carry you through

Tell me a day He was less than Almighty
When He could not roll back the tide
Child, when you look back you're gonna find
There was never a time

He can work miracles through the impossible
If you don't believe it, just go on and try

And tell me a time He's not been faithful
Tell me a morning His mercies weren't new
Tell me a moment He wasn't able to carry you through (carry you through)

Tell me a day He was less than Almighty
When He could not roll back the tide
Child, when you look back you're gonna find
There was never a day He was less than Almighty

When He could not roll back the tide
Child, when you look back you're gonna find
There was never a time
Never a time
Never a time

Big Enough

I've got a heart that's full of faith filled helplessness
There are mountains ahead that I can't move by myself
But I know when I'm weak, He's strong
When I can barely breathe, there's still a song
Even though it's hard right now, I'm not here on my own

So when it seems it can't be done, I know God is big enough
I can run the race I'm called to run 'cause I know God is big enough
He'll finish everything He starts
He'll meet us right here where we are
I can feel faith rising up
I know God is big enough
Oh yeah, He's big enough

On the days that the shadows of doubt make me feel small
I declare that I don't stand in my strength at all, oh no
'Cause I won't live a day You didn't plan
Every single moment is on Your hands
Even if the whole world shakes, You're the rock on which I stand

So when it seems it can't be done, I know God is big enough
I can run the race I'm called to run 'cause I know God is big enough
He'll finish everything He starts
He'll meet us right here where we are
I can feel faith rising up
I know God is big enough

Bigger than the fear that surrounds me
Bigger than the chains that have bound me
Bigger than the story my past can tell, oh
Bigger than the weight of tomorrow
Bigger than the hurt and the sorrow
Bigger than the lies I've told myself

So when it seems it can't be done
I know God is big enough
I can run the race I'm called to run
'Cause I know God is big enough
He'll finish everything He starts

He'll meet us right here where we are
I can feel faith rising up

So when it seems it can't be done
I know God is big enough
I can run the race I'm called to run
'Cause I know God is big enough
He'll finish everything He starts
He'll meet us right here where we are
I can feel faith rising up
I know God is big enough

Yeah, I know God is big enough
Is big enough, ooh

Shame on Me

Shame tried to tell me, "Keep looking back"
Guilt held me captive to the pain of the past
Regret used to whisper, "You have your chance"
But Satan's a liar, I know who I am

I am saved by the blood of the Lamb,
I am free, yeah I've been born again
I am forgiven, a child of the King,
There ain't no shame on me

Fear is a coward, doubt is a thief,
And worry can drive you straight to defeat,
But there is a promise He's given to me,
The battle's been won, He's my victory

I am saved by the blood of the Lamb,
I am free, yeah I've been born again
I am forgiven, a child of the King,
There ain't no shame on me

I am unworthy and so undeserving,
I'm nothing without Him, I know,
He's broken every chain, wiped away every stain,
He washed me whiter than snow
And I know, that I know, that I know!

Thank You Jesus for the Blood

I was a wretch
I remember who I was
I was lost
I was blind
I was running out of time

Sin separated
The breach was far too wide
But from the far side of the chasm
You held me in your sight

So You made a way
Across the great divide
Left behind
Heavens throne
To build it here inside

And there at the cross
You paid the debt I owed
Broke my chains
Freed my soul
For the first I had hope

Thank you Jesus for the blood applied
Thank you Jesus it has washed me white
Thank you Jesus You have saved my life
Brought me from the darkness into glorious light

You took my place
Laid inside my tomb of sin
You were buried for three days
And then You walked right out again

And now death has no sting
And life has no end
For I have been transformed
By the blood of the lamb

Thank You Jesus for the blood applied (thank You Jesus)
Thank You Jesus it has washed me white
Thank You Jesus You have saved my life
Brought me from the darkness into glorious light

There is nothing stronger
Then the wonder working power of the blood
The blood
That calls us sons and daughters
We are ransomed by our Father
Through the blood
The blood

There is nothing stronger
Then the wonder working power of the blood
The blood
That calls us sons and daughters
We are ransomed by the Father
Through the blood
The blood

Thank You Jesus for the blood applied
Thank You Jesus it has washed me white
Thank You Jesus You have saved my life
Brought me from the darkness into glorious light

Glory to His name
Glory to His name
There to my heart was the blood applied
Glory to His name
