

HOPE FOR ALL

Written by Christian Sagum and Drew Bodine

VERSE 1

When troubled seas may rise
When darkness veils the skies
I will keep a grip on hope
As I sail through the unknown
Clouds fill the atmosphere
Waves swell with doubt and fear
But in the middle of the storm
You show me I am not alone

CHORUS

My hope is found in Jesus
The anchor of my soul
Standing on firm foundation
A lighthouse shining hope
Yet in my darkest hour
Your light will guide me home
A beacon for my rescue
Jesus, the hope for all

VERSE 2

You calm the raging seas
You bring the storms to cease
But even in the aftermath
I know this trouble, too, shall pass
Clouds fill the atmosphere
Waves swell with doubt and fear
But in the middle of the storm
You show me I am not alone

BRIDGE

Your hope is rising
Darkness is trembling
We will declare that
You are the light of the world
Our hands are lifting
Our voices shouting
We will declare that
You are the light of the world
