• (2001/Smith) 17 tracks Anderson sounds pretty good on this set recorded in the late 90s or in early 2000! The band combines Electric Guitar and a rhythm section with Piano, Fiddle and Steel. There are some covers that you might not expect but are no ill fits: Ian Tyson's "Someday Soon", "Top Of The World" from the Carpenters and the Drifters' "Under The Boardwalk". Schöne Scheibe von Anderson mit einigen ungewöhnlichen aber dennoch guten Coverversionen!

\* (2000/Smith) 18 tracks This live album is billed to both Bandy and Stampley. However, it's not exactly a duet album. About one-third of it is Stampley solo, one-third of it is Bandy solo, and then they team together in a crowd-pleasing manner for the remaining third of the program. So you get to hear Stampley-associated numbers like "All These Things" and then Bandy going it solo for a while before they team up for numbers like "Roll On Big Mama", "Honky Tonk Queen", "Just Good Ol' Boys", and "Where's The Dress". The duo numbers do have a spark generated by repartee that's missing from the solo spots. Dieses Live Album von Bandy & Stampley ist kein typisches Duet Album, da beide Künstler jeweils ein Drittel der Scheibe solo performen und dann erst im letzten Drittel gemeinsam Stücke präsentieren. Zusammen lassen sie die Fetzen fliegen!

\* Nun, die ist Country', sagte ein Kritiker. 'Einige Burschen in einer texanischen Kneipe.' Ballew's Lieder sind ein Spiegelbild von Leben und Musik in Texas. Viel Country, etwas Swing, eine Prise Tex-Mex. Es ist der Klang warmer Nächte und kalten Biers. Unter den 18 Titeln sind Damned Ol' Beer, I Can't Drive Home, Texas Gal, I'm Leavin' These Honky Tonks, Sixteen Tons, The Cowboy And The Preacher und I Love Texas. Now this, said one reviewer, 'is country. Just a couple of guys in a Texas honky tonk.' Ballew's songs are a tapestry of Texas life and music. A lot of country, a little swing, a taste of Tex-Mex. It's the sound of warm nights and cold beer. The 18 titles include Damned Ol' Beer, I Can't Drive Home, Texas Gal, I'm Leavin' These Honky Tonks, Sixteen Tons, The Cowboy And The Preacher and I Love Texas.

• Johnny Cash war einer der ersten, die die Idee eines Konzept-Albums in der Country Music umsetzten. Dieser Set faßt all seine einzigartigen American Alben zusammen: 'Ride This Train', 'Blood Sweat & Tears', 'Mean As Hell', 'Ballads Of The True West', 'Bitter Tears', 'America: A 200 Year Salute', 'From Sea To Shining Sea' und 'The Rambler'. Bob Allen schreibt: 'Diese Sammlung verkörpert hervorragend die Liebe, die Feierlichkeit, die Neugier, den Schmerz eines Mannes und seiner persönlichen Sicht von der Heimat'. Selbst heute gilt 'Bitter Tears' noch als seine vielleicht beste LP. Johnny Cash was one of the first to explore the idea of the concept album in country music. This set brings together all of his uniquely American albums, 'Ride This Train', 'Blood Sweat & Tears', 'Mean As Hell', 'Ballads Of The True West', 'Bitter Tears', 'America: A 200 Year Salute', 'From Sea To Shining Sea', and 'The Rambler'. Bob Allen writes, 'This collection eloquently embodies one man's love, celebration, curiosity, anguish, and personal vision of his native land.' Even today, Johnny still rates 'Bitter Tears' as perhaps his greatest LP. - Dies ist nur eine Box aus unserer chronologischen Johnny Cash Editionen!

• Buck Owens hatte seine Schulden, Merle Haggard auch, deshalb muß es nun an der Zeit für Tommy Collins sein, etwas Anerkennung zu finden. Tommy war der Pate des Bakersfield Sound. Dieser Set ist das Ergebnis einer ganz persönlichen Suche von Bear Family, diese klassischen Aufnahmen wieder zugänglich zu machen. Jeder, der Gefallen an Buck 'n' Merle hat, kann dies mit absolutem Vertrauen kaufen. Wir hören Buck als Session Musiker bei vier von Tommy's Aufnahmen, später nahm er ein Tribute Album an Tommy auf. Merle nahm Leonard als Tribut auf. Sie wußten wie großartig Tommy war und wie wichtig seine Platten, auch wenn sie jahrelang nicht erhältlich waren. Nun haben wir seine Morgan, Capitol und Columbia Aufnahmen dokumentiert, um ihm gerecht zu werden. Unter den 144 Aufnahmen sind High On A Hilltop, You Better Not Do That, I Guess I'm Crazy, No Love Have I, All The Monkeys Ain't In The Zoo, A Hundred Years From Now, I Got Mine and If You Can't Bite Don't Growl. Buck Owens has got his due, Merle Haggard too, so surely it must be time for Tommy Collins to get some recognition. Tommy was the Godfather of the Bakersfield

Sound, and this set is the result of a personal quest on the part of Bear Family to make his classic recordings available again. Anyone with a taste for Buck 'n' Merle can buy this with absolute confidence. In fact, we hear Buck as session picker on four years of Tommy's recordings, and he later cut a tribute album to Tommy. Merle cut Leonard in tribute. They knew how great Tommy was and how important his records were, even though they've been out-of-print for years. Now we've documented his Morgan, Capitol and Columbia sides to set the record straight. The 144 titles include High On A Hilltop, You Better Not Do That, I Guess I'm Crazy, No Love Have I, All The Monkeys Ain't In The Zoo, A Hundred Years From Now, I Got Mine, and If You Can't Bite, Don't Growl.

• (2000/Smith) 18 tracks It's been far too long since a new John Conlee studio album, but in the meantime this concert dated recorded at Billy Bob's Texas is more than an acceptable substitute. The 18 tracks included here feature almost all of the singer's biggest hits, from "Rose Colored Glasses" to "Lady Lay Down" to "Common Man", each crisply rendered by a fine backing band; Conlee himself is in excellent form throughout — if anything, the passage of time has made his vocals even more affecting. Hank Small, All Music Guide/ Endlich gibt es wieder ein Livealbum von John Conlee. Diese 18 Stücke geben fast alle grossen Hits wieder; von "Rose Colored Glasses" zu "Lady Lay Down" bis "Common Man". Conlee ist in hervorragender Form, u. die vergangenen Jahre haben seine Stimme noch besser werden lassen.

• (2003/CORAZONG) 20 tracks Der Texaner - einer der ganz wenigen Country-Stars mexikanischer Abstammung - hat in den 70ern eine Country-Karrier sodergleichen gestartet. So konnte er zahlreiche Chartplatzierungen und Nr.1 Hits - darunter 'Wasted Days And Wasted Nights' und 'Before The Next Teardrop Falls' - verzeichnen (sowohl auf den Country - wie auch Pop-Charts) und erfolgreiche Alben feiern. Sein Erfolg basierte neben seiner einzigartigen Stimme auf seine gelungene Mischung aus Country und den Tex-Mex-Sounds seiner Heimat. In den 90ern gründete er mit Doug Sahm, Augie Meyers und Flaco Jimenez die Tex-Mex Supergruppe 'Texas Tornados', die für Reprise drei Alben einspielten. Das vorliegende Album enthält 20 Songs, die Fender - geborener Baldeamar Huerta - auf Spanisch einspielte, und die bislang nur auf dem kleinen texanischen Label Hacienda Records erschienen sind.

• (2001/Smith) 15 tracks Singer/songwriter Pat Green is a homegrown talent clearly deserving an audience outside of the Lone Star State. Rejecting the spit-and-polish of his Nashville contemporaries, Green is a gritty, rootsy performer with a knack for vividly compelling narratives; the opener, a cover of Joe Ely's "Me And Billy The Kid", is indicative of the kind of edgy, evocative style his own songs are shooting for./ Sanger und Songschreiber Pat Green hat ein angebornes Talent, das definitiv ein Publikum uber die Grenzen von Texas verdient.

• (2000/Smith) 18 tracks Merle Haggard's first live album in 15 years. Hag is by far the biggest name that Billy Bob's has yet featured. Not entirely coincidentally, it's the best in the series, as well, even if it isn't really a spectacular live album from Hag. That just goes to show how strong Merle and the Strangers (augmented by several sidemen, incl. the legendary Johnny Gimble) really are - even if they give an average performance, it's still musically rich and terrifically entertaining. Not only for hardcore fans, but for less-dedicated listeners as well, since these are great songs performed very well by a great band. Stephen Thomas Erlewine Das erste Merle Haggard Live Album seit 15 Jahren und bei weitem der grösste Künstler, den Billy Bob's jemals präsentiert hat.

• The voice of Jeannie Kendall is one of the most memorable in country music, showcased here in a brilliant acoustic-based setting with support from some of the best players in the business, including Union Station (on four songs), Rob Ickes, Stuart Duncan and Ron Stewart. With guest vocals by country and bluegrass stars Steve Gully, Alan Jackson, Alison Krauss, Allison Moorer, Ricky Skaggs and Rhonda Vincent, the supporting harmonies are sublime. As half of the Grammy-winning duo, The Kendalls (with her father, the late Royce Kendall), Jeannie struck gold with the number one country hits "Heaven's Just A Sin Away", "Sweet Desire" and "Thank God For The Radio," but her solo debut may be her most heartfelt and timeless recording yet. She's never sounded better.

\* Nachdem er endlich von King Records frei wurde, ging Moon zu

Decca und Coral Records, mitten in der Blütezeit des Rock 'n

Roll. Diesen Teil von Moon's Story erzählen wir hier. Er nahm

einige seiner großen Hits neu auf, wie Pipeliner Blues, Sweeter

Than The Flowers und I'll Sail My Ship Alone. Außerdem nahm

er eine Menge guter neuer Songs auf, darunter Jennie Lee, Sweet

Rockin' Music, Early Morning Blues, Colinda und

Cush-Cush, Ky Yay. After finally getting free from King Records,

Moon went on to record for Decca and Coral Records during

the heart of the rock

'n' roll era, and that's

the part of Moon's

story we're telling

here. He re-cut some

of his big hits, like

Pipeliner Blues,

Sweeter Than The

Flowers and I'll Sail My

Ship Alone. He also

cut a lot of great new

songs, including

Jennie Lee, Sweet

Rockin' Music, Early

Morning Blues,

Colinda, and

Cush-Cush, Ky Yay.

• With a voice that can be as rough or tender as the emotions she lays bare in her music, Heather Myles sings country music with honesty, deep feeling and plenty of honky tonk swagger. As Chet Flippo wrote, "Myles has more brass than a hardware store." With a nod to the independent spirit of forebears like Merle Haggard and Loretta Lynn, this set of Myles originals (as well as surprising covers of "By The Time I Get To Phoenix" and "Cry Me A River") presents a country music sound as vital as any you're likely to hear. Includes "Little Chapel," her duet with kindred soul Dwight Yoakam. - Highlight Album!

\* Als Chet Atkins zuerst Vernon Oxford hörte, sagte er: 'Ich wußte nicht, daß es solche Sänger noch gibt!' Die Ironie ist, daß er zu country für Country Music war. 1963 kam er nach Nashville, sang und spielte im alten Stil, er machte mit die beste Country Music der 60er und 70er Jahre. In Übersee mehr beachtet als daheim, hatte er nur einen Hit, Redneck. Er ist hier enthalten mit

allen anderen RCA Aufnahmen sowie Singles, die er für kleine Labels wie Omni und Stop machte. Beinahe 140 Aufnahmen, darunter Watermelon Time In Georgia, Woman Let Me Sing You A Song, Nashville Women, Baby Sister, Hazard County Saturday Night, Good Old Fashioned Saturday Night Honky Tonk Barroom Brawl sowie die Original Version von Brother Jukebox. Der Set wird abgerundet mit drei Super Rounder Alben und unserer alten Bear Family LP Country Music gibt es nicht ausdrucksstärker und nicht stärker 'country' When Chet Atkins first heard Vernon Oxford, he said, 'I didn't know there was any of them left.' The irony is that Vernon was too country for country music. He came to Nashville in 1963 playing and singing in the old way, and he made some of the best country music from the '60s and '70s. Recognized overseas more than at home, he only had one major hit, Redneck. It's here with all his RCA recordings, as well as singles he made for small labels like Omni and Stop. Nearly 140 titles including Watermelon Time In Georgia, Woman Let Me Sing You A Song, Nashville Women, Baby Sister, Hazard County Saturday Night, Good Old Fashioned Saturday Night Honky Tonk Barroom Brawl, as well as the original version of Brother Jukebox. The set is rounded out with the three superlative Rouser albums and our vintage Bear Family LP. Country music comes no more soulful - and no more country!

• (2001/Smith) 17 tracks While it's been far too long since a new Eddy Raven studio LP Live at Billy Bob's Texas is an excellent showcase - without any glossy Nashville-style production, his music returns to its raw, Rock & Roll influenced roots, lending an edge to hits like "I Got Mexico" and "Bayou Boys" that the originals lacked. Das letzte Eddy Raven Studio Album liegt schon viel zu lange zurück, aber "Live at Billy Bob's Texas" ist ein exzellentes Werk, in dem Raven zu seinen echten Rock & Roll Wurzeln zurückkehrt.

SAD SONGS AND WALTZES CD ROU 0399 € 18.50

\*It Keith Whitley's legacy is a tree, casting an imposing shadow on all of country music, then these powerful 1982 recordings are his hard-country roots. Drenched in the echoes of classic hardcore honky-tonk influences (Frizzell, Jones, Haggard), the remarkable music on Sad Songs and Waltzes predated-and doubtlessly influenced-the acclaimed "New Traditionalist" movement that reinvigorated country music in the late 1980s. The performances here are the most resonant and emotional of Whitley's entire career: classic country imbued with Keith's own unique sense of twang and timing. Available on cd for the first time, they have been lovingly remixed and tastefully overdubbed for reissue by original producer JD Crowe. In addition to all of 1982's "Somewhere Between" album - the record that first introduced Whitley as a honky-tonk singer beyond compare - "Sad Song" and "Waltzes" boasts 5 previously unreleased cuts. Longtime Whitley admirer Alison Krauss contributes harmonies, as does noted writer/ performer Carl Jackson and Diamond Rio's Gene Johnson.

**THE COMPLETE BOXSET 10-CD € 189.00**

10 CD Box Set contains over 225 recordings including 53 previously unissued. Limited Quantity Set to hit stores the month of 75th Anniversary of Hank Williams Birth 'The Complete Hank Williams' 10 CD box set, produced in cooperation with Colin Escott and the Country Music Foundation, contains over 225 tracks including 53 previously unissued. The set will be released on September 22, initially as 10,000 numbered units, to coincide with the September 17, 1998, 75th anniversary of Williams' birth. It will include all of the MGM and Sterling Records session recordings and more than 130 non-session and radio/television recordings. This very special collection will include the legend's earliest session recordings from late 1946 until his last in September 1952, as well as previously unissued performances, and 14 never before released songs. A few of the very special tracks included on this project are duet of 'I Can't Help It If I'm Still In Love With You' with Anita Carter, a demo version of 'Kaw-Liga' (with two false starts) and a recording of Williams' debut performance of 'Lovesick Blues' on the Grand Ole Opry. Some demos which have only been released overdubbed prior to this box set are, 'Rockin' Chair Money', 'Cool Water', 'Tennessee Border', 'First Year Blues', and 'Dixie Cannonball'. The unissued recordings include: 'I'm So Tired Of It All', 'You Caused It All By Telling Lies', 'Ten Little Numbers', and 'Wild Side Of Life'. The package will also contain two booklets of 150+ pages with over 120 formerly unpublished and rare photos, Williams' handwritten lyrics, original ads, posters, charts, LP covers, photos of artifacts and original folk art. Also included is an essay by Daniel Cooper and comprehensive notes on the music by Williams aficionado Colin Escott.

\* Ted Daffan ist am besten bekannt als Komponist von Born To Lose, Worried Mind, I've Got Five Dollars And It's Saturday Night, usw.... wenig bekannt ist, daß er von 1955 bis 1971 dann und wann sein eigenes Label betrieb (meist inaktiv). Die meisten Künstler starteten Label, um selbst Platten aufzunehmen, doch Daffan erschien nie auf Daffan außer als Komponist. Er begann mit Jerry Jericho's Original Version von These Hands. Der bedauerlicherweise negierte Texas Honky Tonk King Jerrylrbj nahm regelmäßig für Daffan auf, ebenso Floyd Tillman und Laura Lee McBride. The Pickering Brothers, die mit Buddy Holly bei Oh Boy im Studio waren, haben fünf Songs auf diesem Set, die größte Überraschung aber ist Johnny Bundrick, der nach England ging, um mit Free, Bob Marley und anderen zu arbeiten. Hier ist er als junger und sehr guter Rock'n Roll Pianist zu hören. Ted Daffan is best-known as the composer of Born To Lose, Worried Mind, I've Got Five Dollars And It's Saturday Night etc., and it's little known that he operated his own label on and off (mostly off) from 1955 until 1971. Most artists start a label to record themselves, but Daffan never appeared on Daffan Records except as a composer. He started with Jerry Jericho's original version of These Hands. The sadly neglected Texas honky tonk king Jerry lrbj recorded prolifically for Daffan, as did Floyd Tillman and Laura Lee McBride. The Pickering Brothers, who recorded with Buddy Holly on Oh Boy have five songs on this set, but the biggest surprise is Johnny Bundrick, who went to England to work with Free, Bob Marley and others, but he's heard here as a young and very good rock 'n' roll pianist.

Es folgt nun ein Special über das Independent Label Watermelon Records aus Austin Texas, welches 1989 gegründet wurde. Das Label verschieb sich der Texas Music und den Singer/Songwritern. Die qualitativ hochwertigen Veröffentlichungen aus dem grossen Fundus der in Texas beheimateten Musiker wie Don Walser, Santiago Jimenez Jr., Tish Hinojosa, Steve

Young und Julian Dawson, um nur einige zu nennen, fanden schnell eine grosse Anerkennung. Viele Künstler des Labels wurden für den Grammy nominiert und mit Kritikerpreisen ausgezeichnet. So dauerte es nicht lange und Watermelon Records wurde vollkommen zu Recht bis weit über die Grenzen des Lone Star State bekannt. Aus dem eindrucksvollen Backkatalog des Labels können wir euch nun diverse Nummern zu einem Sonderpreis anbieten. Wie lang das noch möglich ist, ist fraglich, denn leider ereilte dieses exquisite Independent Label das gleiche Schicksal, welches auch viele andere Labels in den letzten Jahren traf, die die Musikwelt um so viel bereicherten, abseits des profitablen Mainstreams. Es wurde ein Opfer des immer härter und einseitiger werdenden Wettbewerbs. Als besonderen Bonbon gibt es für die ersten, die eine der nachfolgenden Watermelon CDs bestellen den Watermelon Sampler Volume 1 gratis, aber nur solange der Vorrat reicht. Der Sampler verschafft einen ausgezeichneten Überblick über die Qualität und die Bandbreite dieser aussergewöhnlichen Plattenfirma und macht mit Sicherheit neugierig auf mehr. Also nicht lang gefackelt und schnell bestellt. Die Stückzahlen der einzelnen CDs sind begrenzt.

Now we'd like to feature an independent label called Watermelon Records from Austin, Texas which was founded in 1989. The label's specialty was Texas Music and the Singer/Songwriter output of Texas. Their high quality releases were recorded by Texas musicians like Don Walser, Santiago Jimenez Jr., Tish Hinojosa, Steve Young and Julian Dawson. Many artists

were nominated for Grammys and have received also other music awards. This was one of the reasons why Watermelon Records became so popular not only in the Lone Star State. We'll now like to offer you some Specialprice-CDs from their back catalogue. Like so many other small independent Record Labels, Watermelon Records was forced to give up because they couldn't compare with the mainstream market. Special offer: The first customers, who order one of the following Watermelon CDs get the Watermelon Sampler, Vol. 1 for FREE (as long as stock lasts)! This compilation gives you a brilliant overview about the Watermelon output and their high quality releases. Please notice that we only have a few copies available - so call us NOW!

• (2003/Smith) 20 tracks Say whatever the hell you want about David Allan Coe, but he's one of a kind as a singer, songwriter and performer. In his early sixties, Coe hasn't slowed a bit and is experiencing another of his periodic renaissances as an artist and live act. Live at Billy Bob's Texas is R-rated Coe — unlike the "Mature Audiences Only" tag on Live at the Iron Horse — and the performance is tight, full-on badass Country-Rock with a band that rivals any but the Allman Brothers (including his pal Kid Rock's). Who knows how long this show really was, as most of the audience monologues have been omitted, but who gives a damn when it's as fine as this? There are 20 tracks here, from virtually every period in his career, performed with white-hot intensity, grease, profanity and a burning, broken hearted passion. Coe hasn't gone anywhere; he's still crazy, vulgar, literate, passionate and simultaneously awesome and frightening. Just get it. / Du kannst über David Allan Coe sagen, was du willst, aber er ist ein einmaliger Sänger, Songschreiber und Künstler. In seinen frühen Sechzigern ist er nicht ruhiger geworden und erlebt einer seiner, von Zeit zu Zeit wiederkehrenden Renaissance als Künstler und Live Act. Hier sind 20 Aufnahmen, aus allen Stationen seiner Karriere vorgetragen in einer wahnsinnigen Intensität, schmierig, gotteslästerlich und mit einer brennenden Leidenschaft. Coe ist immer noch da; er ist immer noch verrückt, vulgär, gebildet, leidenschaftlich und gleichzeitig ehrfurchtgebietend und furchtenthüllend. Du musst diese Scheibe einfach haben.

FAILER	CD ZOE 1035	€ 18.50
--------	-------------	---------

\* This young Canadian singer-songwriter delivers a sucker punch of an American debut. While it may take a few listens for some of the material to sink in, Kathleen Edwards plainly has attitude to burn and a killer band to back it up. As a rootsy artist who sings about sexual attraction and betrayal with a languid breathiness, she inevitably has been tagged a younger Lucinda Williams, but it would make as much sense to describe her as an alt-country Ani DiFranco or a female Ryan Adams.

WAY OUT WEST

CD 0208 002

€ 21.90

• Back in the '70s, a music scribe observed that Chris Hillman had never been part of a bad record. Thirty years later that's still true. Way Out West reunites Byrds/Flying Burrito Brothers vet Hillman with his Desert Rose Band partner Herb Pedersen, and it's like they never parted. The disc honors all the classic styles - hard-edged Bakersfield country, bluegrass, New Traditionalist ballads, honky-tonk.

WAYLON LIVE - EXPANDED

EDITION 2-CD (US)

CD RCA 51855 € 23.50

• (2003/BMG) 42 tracks In September, 1974, Waylon Jennings and the Waylors played an incredible series of shows in Dallas and Austin, recorded for a live album that appeared in 1976 as 'Waylon Live', conceived as a double-LP but released as an eleven-song single. This expanded 42 track edition assembles the original album, nine songs set aside for the double set and 22 never-before-heard performances. This was Waylon rising to the top, singing the best of his past, present and looking to the future. Usually performances this powerful aren't captured on record. This time, they were.

Amelia White's reizend zarte und in bestimmten Momenten angenehm aggressive Stimme schreibt über Popsongs die in einem Countryambiente zu außergewöhnlich schönen facetten reichen Songperlen wachsen, die nur schwer einem bestimmten Genre zu zuordnen sind. Besonders Empfehlenswert! A superb album from this Singer/Songwriter. Amelia's voice ranges from charming and sensitive up to aggressive but pleasant elements! Popsongs mixed with different Country styles lead to a wonderful album which is - just good music!!

**CLARENCE WHITE**

**TUFF & STRINGY - THE SESSIONS 1966-68** CD WKD 227 € 17.90

• Former Kentucky Colonel, future Byrd, and a true guitar legend, the guy that defined the Country-Rock guitar, much revered, oft imitated but never bettered. Clarence was later famous for the Stringbender in the Byrds, but the playing here, showcased on Country/Folk-Rock sessions from 1966 to 1968 including super-rare singles, demos and his first recordings as a soloist, demonstrates Clarence's already unique style just prior to the Bender. Note also the inclusion of a recent, major find - previously unknown electrified demos by the Kentucky Colonels that are probably the earliest recordings extant of White playing electric guitar. This release also comes with the full blessing of the late guitarist's family, and the detailed notes include a wealth of new information upon this career. Byrdmaniax and fans of bluegrass/country guitar alike will jump for joy.

• Townes Van Zandt's untimely death in 1997 at the age of 52 robbed the world of a troubled genius and one of America's finest songwriters. Already an established bona fide cult figure, his reputation grows by the day. Most of his original output was recorded for the Poppy and Tomato labels during his creative

peak between 1968 and 1978. This deluxe 4-CD set comprises Townes Van Zandt's seven studio albums from that era in their entirety, plus eight live songs from 1973. The set's 52-page, lavishly illustrated, colour booklet includes a detailed biography of the Texas troubadour as well as a track-by-track commentary.

It's a solid album, which includes Pat Green, Robert Earl Keen, Billy Joe Shaver, Roger Creager and a surprising rap duet by Willie Nelson and Lil'Black. There are 18 songs on the record, some of which are live and others that are studio recordings, in addition to several previously unreleased tracks. They play together very well however, and all in all is a good album for your collection. Texas Outlaws ist wie der Name verspricht: eine Sammlung von Liedern gesungen von den großen Texas "Outlaw" Songschreibern, wie z.B. Pat Green, Robert Earl Keen, Billy Joe Shaver, Roger Creager und ebenso dabei ist auch ein überraschendes Rapduet mit Willie Nelson und Lil'Black. Insgesamt handelt es sich um 18 Stücke, die z.T. Live oder im Studio aufgenommen wurden. Ein gutes Album für Ihre CD-Sammlung.

Take a listen to these digitally remastered hits from the 70's - They are smokin', and rarely available on compact disc. Enjoy./ Was hat man, wenn man einen musikalischen Salat aus Country-Folk, souligen Rock und Texas-Blues mischt?? Richtig - Texas Music! • Cowboy Anekdoten mit dezenter Begleitungsmusik hervorragend dargebracht / The Original Cowboy Poets is a gathering of material by some of the old-time buckaroo bards, including Charles Badger Clark, Howard 'Jack' Thorpe, Bruce Kiskaddon, Sharlot Hall and, of course, the most prolific of them all - 'anonymous'. Most of the poems date back to the turn of the century or before. Soem are well-known works and others are neglected gems. Some tell stories of violence and danger and others tell of wistful, romantic encounters. A musical score inspired by the poems themselves enhances these unforgettable performances.

• Mit dem Untertitel 'Film und Fernseh Soundtracks' ist die 26 Song Sammlung der ideale Überblick über Lieder, die erinnerungswürdige Elemente der Western aus der Nachkriegszeit sind. Es beginnt mit der Stimme John Wayne's, der Dean Martin und Ricky Nelson vorstellt, die den Titelsong dieser CD aus dem Film 'Rio Bravo' von 1959 singen. Der Beginn spannt sich von 1948 Roy Rogers singt 'Don't Fence Me In' bis 1965 (James Stewart's 'The Legend Of Shenandoah'). Dazwischen solche 'Hits' des Genres wie Johnny Horton's 'North to Alaska', Frankie Laine's 'Rawhide' und Johnny Cash's 'The Rebel Johnny Yuma' und solch unerwarteten Gesang wie Kirk Douglas, der 'And The Moon Grew Brighter' aus dem Film 'Man Without A Star' von 1954 anstimmt. Das 24 seitige Büchlein, geschmückt mit Kunst jener Zeit, um die Filme und ihre Songs zu fördern ist eine perfekte visuelle Ergänzung zur Musik. Popcorn ist allerdings nicht mit dabei. Subtitled 'Movie And TV Soundtracks', this 26-song collection is the ultimate overview of songs that were memorable elements of the post-War Westerns. Opening with the voice of John Wayne introducing Dean Martin and Ricky Nelson, who sing this collection's title track from the 1959 film, 'Rio Bravo', the selections span 1948 (Roy Rogers singing 'Don't Fence Me In') to 1965 (James Stewart's 'The Legend Of Shenandoah'). Along with such 'hits' of the genre as Johnny Horton's 'North To Alaska', Frankie Laine's 'Rawhide', and Johnny Cash's 'The Rebel Johnny Yuma', there are such unexpected singing cowboys as Kirk Douglas crooning 'And The Moon Grew Brighter' from the 1954 film, 'Man Without A Star'. The 24-page booklet, brimming with period art promoting the films and their songs, is the perfect visual complement to the music. Popcorn not included.

Hier liegt nun die Wiederveröffentlichung seiner Kult LP "Rastlose Cowboys und Ehrbare Mädchen" mit vielen 3-Minuten Romanen vor, die wir mit durch bisher unveröffentlichte Titel wie: 'Ich lieb Bier' (Tom T. Hall: 'I Like Beer'), 'Jackson' (Johnny Cash & June Carter), 'Einsamer Weintrinker' (Robert Mitchum: 'Little Ole Winedrinker Me'), 'Das grüne Gras zu Haus' (Porter Wagoner: 'The Green, Green Grass Of Home') und 'Muss I denn' ergänzt haben. Als Gast ist auch Boxcar Willie zu hören.

\* (2003/Koch) 28 tracks In April of 1997, a barrelful of contemporary Bluegrass hotshots and genuine legends assembled at Nashville's Ryman Auditorium to celebrate and pay tribute to the recently departed Bill Monroe. The performers crank out fairly faithful renditions of Monroe's biggest "hits" and the audience is suitably appreciative. Although the cleanly crafted sounds of Ricky Skaggs, Marty Stuart, Tim O'Brien and the Charlie Daniels Band tend to run together, there are some great live performances by the Del McCoury Band, the dearly missed John Hartford and a rare appearance by Jim & Jesse, a group that seems to be sorely undervalued on the bluegrass circuit. While the record offers no overwhelming revelations, it is a fine document of the show that would make Monroe proud. Im April 1997 traf sich ein Haufen zeitgenössischer Bluegrasskünstler und echter Legenden im Nashville's Ryman Auditorium, um dem kürzlich verstorbenen Bill Monroe Respekt zu zollen. Dabei sind unter anderem Ricky Scaggs, Marty Stuart, Tim O'Brien, die Charlie Daniels Band, die Del McCoury Band, der bereits verstorbene John Hartford und ein extrem seltener Auftritt von Jim & Jesse. Diese Veröffentlichung ist ein schönes Dokument dieser Show und würde Bill Monroe sicher stolz machen.

**HOGS ON THE HIGHWAY** CD SH 3862 € 18.50

*•A three member group from Austin that has attracted a punk following by playing bluegrass faster than any trash band. This release is a grand travelogue trough Americana music. It's a trip to "Dallas, Texas" that goes "Shufflin' To Memphis" and all points in between.*

**BAD LIVERS**

INDUSTRY AND THRIFT CD SH 3887 € 18.50

\*The Bad Livers are one of the most eclectic and versatile bluegrass-based bands on the scene. This is their most eclectic album to date, and their best. Including tuba and drums with the traditional bluegrass banjo, the Bad Livers are going where many bluegrass bands fear to tread - and with great results...

BLOOD & MOOD CD SH 3905 € 18.50

\*The Bad Livers are one of the most talented bands on the planet and this disc is a testament to their vision. This release, a melding of electronic, punk and indie rock elements, finds the band straying far from their cutting edge acoustic foundation and into even more exciting soundscapes that can only be described as 'post-everything'.

**CRARY, HICKMAN BERLINE**

CHAMBERGRASS CD SH 3945 € 18.50

**BLADERUNNERS**

INTRODUCING THE BLADERUNNERS CD BLADE 4401 € 20.50

\*The Blade Runners create a unified ensemble sound without sacrificing clarity, and Reid and Dickey are formidable soloists. Dickey in particular is not afraid to take rhythmic chances, with what could perhaps be described as a signature device - one that would stress the technique of many other professional players - of shifting his notes to the off-beats on fast solos. Recording quality is excellent. This is a creative band that should please both traditionalists and those with newgrass leaning alike.

\*J.D. Crowe, one of the most progressive bluegrass bandleaders of the second generation, has always been known for his consummate taste in music and musicians. When top-class singer Keith Whitley joined the New South, Crowe built a new sound for his band, a sound that combined their love of bluegrass with classic honky-tonk and western swing influences. Specially re-mixed for CD release, this long-unavailable 1978 classic boasts a unique blend of American music that still sounds fresh today.

• Norman Blake won many new fans through his two songs on  
the soundtrack to the film "O Brother, Where Art Thou?". Yet,  
the master guitarist from Rising Fawn, Georgia has a history that  
reaches back to his years as a sideman with Johnny Cash, and  
as a player on Bob Dylan's "Nashville Skyline" and the Nitty  
Gritty Dirt Band's "Will The Circle Be Unbroken". This album  
contains 19 of the finest old-time oriented performances from  
Blake's numerous Rounder albums.

• (2003/PROPER) 100 tracks 1934-1946 During The 1930s and 1940s the Hoosier Hot Shots developed a style of musical comedy that was uniquely their own. Their music has been described as rural jazz, but it was more than that as their style took in elements of ragtime, dixieland, western swing and a

serious helping of comedy and novelty. This box setresents the most in-depth survey ever of the Hoosier Hot Shots, 100 tracks of music that is never less than lively.

- 15 track Audio CD and interactive CD ROM; Would you like to learn how to dance a Cajun two-step or to prepare crawfish etouffée? Are you planning a trip to south Louisiana? Allons en Louisiane is a comprehensive overview of South Louisiana culture, presented on an interactive CD Rom and accompanying audio CD with 15 music tracks. You'll hear the musicians telling stories in their own words, read about little-known restaurants and dance clubs, watch cooking Creole Mardi Gras. Author Scott Billington, producer of eight Grammy-nominated albums, has spent fifteen years recording the music of South Louisiana. From his unique viewpoint, he offers an insider's look at Cajun and Creole culture, and presents much new information.*

• (2002/LOUDHOUSE) 12 tracks I've jammed with Ponty Bone several times on stage and off stage. It's always fun to do. His versatile style is always energetic and precise. Whenever we are both on stage people feel and recognize the similarity of his playing and my playing. People recognize right way the heart he puts in to his playing. I consider that is "Soul Accordion" playing. He can go from simple things to very progressive tunes. And with the blend of his accordion and his singing you can feel he is talking to his accordion and his accordion is responding to him. In other words, he and his accordion really communicate. I would consider him the Real McCoy of good accordion playing. Flaco Jiménez

• Accordionist/singer Paulino Bernal joined his bajo sexto playing older brother, Eloy in 1952 to launch the career of Los Hermanos Bernal. Soon famous throughout south Texas as the best, most innovative, and modern "conjunto", they recorded "Mi Unico Camino" in 1958 (on Arhoolie CD/C 344 and heard as the opening song in superb John Sayles film "Lone Star") which became a huge hit and their trademark song. Paulino eventually became a born-again Christian but continues to play magnificent religious music at revivals instead of at dances. 16 selections from the early career of Conjunto Bernal (1954-1960)

• (2003/CORAZONG) 20 tracks Der Texaner - einer der ganz wenigen Country-Stars mexikanischer Abstammung - hat in den 70ern eine Country-Karrier sodergleichen gestartet. So konnte er zahlreiche Chartplatzierungen und Nr.1 Hits - darunter "Wasted Days And Wasted Nights" und "Before The Next Teardrop Falls" - verzeichnen (sowohl auf den Country - wie auch Pop-Charts) und erfolgreiche Alben feiern. Sein Erfolg basierte neben seiner einzigartigen Stimme auf seine gelungene

Mischung aus Country und den Tex-Mex-Sounds seiner Heimat. In den 90ern gründete er mit Doug Sahn, Augie Meyers und

Flaco Jimenez die Tex-Mex Supergruppe "Texas Tornados", die für Reprise drei Alben einspielten. Das vorliegende Album enthält 20 Songs, die Fender - geborener Baldemar Huerta - auf Spanisch einspielte, und die bislang nur auf dem kleinen texanischen Label Hacienda Records erschienen sind.

• (2003/CORAZONG) 20 tracks Obwohl es entlang der mexikanisch-texanischen Grenze zahlreiche Akkordeon-Talente gibt, gibt es keinen, der nur annähernd eine so schillernde Karriere gehabt hat wie Flaco. In den 60ern und 70ern spielte er zusammen mit Doug Sahn, Bob Dylan, David Lindsey und Ry Cooder, auf dessen Album "Chicken Skin Music" er besondere Akzente setzen konnte. Flacos Sound und Talent waren stets gefragt und so hat er über die Jahre mit so unterschiedlichen Künstlern wie The Rolling Stones, Carlos Santana, Willie Nelson, Los Lobos, Emmylou Harris, Linda Ronstadt und Bryan Ferry (!) gearbeitet - um nur wenige zu nennen. In den 90ern tat er sich mit Doug Sahn, Freddy Fender und Augie Meyers zusammen, um die Tex-Mex Supergruppe Texas Tornados zu gründen. Für seine Aufnahmen und Performances wurde Flaco Jimenez bislang mit fünf Grammys ausgezeichnet - eine unglaubliche Leistung! Das vorliegende Album vereint 20 Tracks, die Flaco über die Jahre für kleine, texanische Labels eingespielt hat, und die hiermit zum ersten mal gesammelt erscheinen.

This comprehensive collection features work song, ballads, deep blues, songs of the chain gang, hymns, children's songs, minstrel tunes, music for Christmas, songs of the Underground Railroad, soldier's tunes from the Civil War, and the chants and folklore of street vendors,

### CARRI LEE & THE SADDLE-ITES The Road Less Traveled

CD ET 4020 EUR 15.50

Watch out, Brother!! Here they come!! Do you see the cloud of dust on the horizon? No, that's not a Tornado, Man! These are Cari Lee & The Saddle-ites and they're ready to turn your quiet and cultural desert of your hometown into a musical inferno!! Forget the "Once Upon A Time In The West" atmosphere, this blonde bombshell and her cowboys will shake your local townhall. Tracks like *My San Antonio Baby*, *Hurry Up*, *Move On* and *Eeny Meeny Miney Mo* will go straight into your legs, and after you've got this input you'll forget how to move like a civilized person!

Achtung Bruder! Siehst Du die Staubwolke da am Horizont? Nein, das ist kein Tornado! Hier kommen Cari Lee & The Saddle-ites angetrabi, um Eure gepflegte Vorgarten-Kleinstadt Atmosphäre aufzumischen! Seid sicher, das mit der Kulturwüste wird sich ab sofort ändern – diese blonde Schönheit und ihre Cowboys werden die altbewährte Townhall zu einem Tanztempel der Sonderklasse umwandeln! Tracks wie *My San Antonio Baby*, *Hurry Up*, *Move On* und *Eeny Meeny Miney Mo* werden Euch direkt in's Tanzbein jagen und es wird Euch schwer fallen nach der Show wie eine zivilisierte Person unterwegs zu sein!

### THE ROUND UP BOYS Lift Off! Like A Rocket

CD RBR 5601 EUR 15.50

You better go and get your outerspace suit, put Laika on the lead and get in your rocket to head for the moon, before these boys send you to outerspace and give you an extraclass Lift-Off rocketride maybe to Mars or Saturn! This Rhythm Bomb release is the BUST! 16 tracks which rock from the beginning to the end and 13 of them are self-compositions!! So call, mail or morse us to get these rockin' party-rescue silverplate!!

Ich glaube, Ihr tut gut daran, Euren Astronautenanzug anzuziehen, Laika an die Leine zu nehmen, Eure Rakete zu starten und Richtung Mond zu fliegen, bevor diese Jungs Euch einen Abschuss der Sonderklasse beschern und Ihr sonst auf dem Saturn oder Mars landet! Diese Rhythm Bomb Veröffentlichung ist der Knall im All! 16

Tracks, welche alle von Anfang bis zum bitteren Ende rocken und jetzt kommt's!! 13 dieser Titel sind Eigenkompositionen, somit wäre auch geklärt, dass dieses Teil nicht aus dem typischen Covermist besteht! Große Anerkennung an die Band und das Label! Weiter so!

### JED CLAYTON & THE ROCKABOUTS Swing Into Action

CD ET 3060 EUR 15.50

Another great release from the spanish El Toro label from Barcelona! Caballeros, Jed Clayton and the Rockabouts will definitely hit you with their Hillbilly, Boogie Woogie, Western Swing and Rockabilly mixture! Believe it or not 27 tracks!! ALL selfcomposed and featuring the wonderful voice of the beautiful Caren Carol and a lot of swingin' Hillbilly Trumpet breaks!! One of the BEST 50s Revival Combos I've ever heard!!!

Spitzen Veröffentlichung des spanischen El Toro Labels aus Barcelona Caballeros, Jed Clayton und die Rockabouts werden definitiv Euren musikalischen Nerv treffen mit ihrer gelungnen Mixtur aus Hillbilly, Boogie Woogie, Western Swing und Rockabilly. Fette 27 Titel – ALLES Eigenkompositionen und teilweise durch die bezaubernde Stimme der wunderschönen Mrs. Caren Carol vorgetragen und begleitet von einer bombastischen Hillbilly Trompete! Eine der besten 50s Revival Bands, die ich bisher gehört habe!!

### JERRY J. NIXON Gentleman Of Rock'n'Roll

CD VR 16 EUR 17.90

Did anybody hear about this cat before? Has anybody heard about a Q-Label from New Mexico? This release is more than OBSCURE, Man but this so-called Gentleman Of Rock'n'Roll ROCKS! All recordings were made between '58 and '64 and the sound is hot! Hotter than the fucking Pepperoni on your Pizza MAFIA you always order from your local You Ring-We Bring service in your backcountry village where the Saturday evening Highlight is the hangin' around at the CLOSED gasstation with your beerdrinkin' buddies. OK dumbhead, you think you're cool and tough and you call yourself the impersonation of Rock'n'Roll who can get every Country Chick which flies by, but you're a NUT, Man if you think that you'll get the meat without this more than important potatoe! Because without this burner you're nothin' Man, nothin'!

Hat jemand von Euch schon mal etwas von Jerry J. Nixon gehört? Gibt es tatsächlich ein Q-Label in New Mexico? Diese Scheibe ist weit mehr als obskur, aber dieser sogenannte Gentleman Of Rock'n'Roll wird Euch Eure komischen peniblen und akribischen Sammlerallüren über Bord werfen lassen! Alle Aufnahmen sollen aus den Jahren von 1958 bis 1964 stammen. Egal, der Sound ist auf jeden Fall heiß! Heißer als

die Pepperonis auf der Pizza MAFIA, welche Ihr immer beim Italiener um die Ecke bestellt. Und die Pepperoni Pizza ist wahrscheinlich in Eurem Kaff, wo das Samstagabendliche Highlight Dosenbiertrinken an der geschlossenen Tankstelle ist, ein fettes Erlebnis! OK, Du Brathahn, wenn Du glaubst cool und hart zu sein und Dich selber als die Personifizierung des Rock'n'Roll bezeichnest, die denkt jedes Hühnchen, was an der Tankstelle vorbei flattert, haben zu können, Dir sei folgendes verklickert: Fleisch gibb's niemals ohne Kartoffeln und ohne diese Beilage kommst Du nun mal zu nichts!

**VARIOUS ARTISTS:**

**Lost Legends Of Surf Guitar, Vol.1, 2 & 3**

CD SC 11126, CD SC 11127 & CD SC 11128

EUR 19.17 for each!

Who the hell do you think you are! Do you think it is funny to burn your rubber from the wheels of your Ram Charger on the new pavement of the driveway of your local Wal-Mart! Do you think it's funny to scare families with your "Loud pipes save lifes" slogan and your tower of power in the car, who go for a shopping adventure to get their Wal-Mart family discounts! Didn't we tell you a million times to leave your car in the public parking if you go surfin'?! But you preferred drivin' 65 mph on the seashore! I think this Twang's The Thang stuff' busted the last three cells out of your brain and you behave like a monkey on speed! Anyway, if this is the case you don't have to worry about gettin' these three Banzai-Heatwave-Surfboardbustin'silverplates, because they will do you no harm! So get your surfboard, start your 360 horsepower engine and head for the beach but hurry: the next Tornado is on the way and you have to get the best and highest Zunami waves to present an extraclass Board Rodeo to impress the Miss Bikini of the year, who ignored you until NOW! But be sure – things WILL change!!

Was zur Hölle denkst Du, wer Du bist? Glaubst Du, es ist witzig in der frisch geteerten Zufahrt Eures neuen local Wal-Mart einen gepflegten Burn-Out hinzulegen und sie mit den Überresten der Dinger, die mal Reifen waren, zu verzieren? Hammlose Familien, die auf Sonderangebotsjagd sind mit Deiner „Loud Pipes save Lifes“- Theorie in Angst und Schrecken zu versetzen und das ganze mit deinem Tower Of Power noch zu untermauern! Und haben wir Dir nicht schon tausendmal gesagt, Du sollst Deinen Boliden, wenn Du zum Surfen gehst, auf den Parkplatz stellen? Aber nein, Du muusst mit 130 km/h den Strand entlang fegen und zeigen, was das Baby drauf hat! Diese Twang's The Thang Beats haben Dir wahrscheinlich die letzten zwei Gehirnzellen, die sich bisher noch wenigstens gejagt haben, rausgepusst! Bruder, genau deshalb sind diese drei Teile das Richtige für Dich, da sie keinen Schaden mehr anrichten können! Also, Surfboard geschnapp't, die 360 PS gestartet und ab zum Strand bevor der nächste Tornado kommt und Du die Zunamiwelle wieder verpasst

und Dir damit zum drittenmal die Chance entgeht die neue Miss Bikini zu beeindrucken!
