• (2004/ACE)...Gospel Songs" 24 tracks Ace's second dip into the early 60s Hickory Catalogue of the "King Of Country Music" combines his thematically linked fifth and sixth albums for the label. Both albums were originally released in 1963, and both feature Acuff in what, by common consensus among Acuff experts, is possibly the best voice of his long career. These album cover traditional American folk ballads and jubilee-style white gospel, with some of the most famous songs in both genres being featured along the way. Beautifully remastered from original first-generation Hickory Records master tapes, both albums are being reissued here on CD for the first time complete. Er nahm einige seiner großen Hits neu auf, wie Pipeliner Blues, Sweeter Than The Flowers und I'll Sail My Ship Alone. Außerdem nahm er eine Menge guter neuer Songs auf, darunter Jennie Lee, Sweet Rockin' Music, Early Morning Blues, Colinda und Cush-Cush, Ky Yay. After finally getting free from King Records, Moon went on to record for Decca and Coral Records during the heart of the rock 'n' roll era, and that's the part of Moon's story we're telling here. He re-cut some of his big hits, like Pipeliner Blues, Sweeter Than The Flowers and I'll Sail My Ship Alone. He also cut a lot of great new songs, including Jennie Lee, Sweet Rockin' Music, Early Morning Blues, Colinda, and Cush-Cush, Ky Yay.

FIVE DOLLAR BILL CD VJC 131 € 18.50

• Man möchte meinen, einige Countrysänger könnten den Kopf eines Pferdes vom Schwanz nicht unterscheiden - der Kanadier Corb Lund stellt da eine rühmliche Ausnahme. Der Sänger aus Alberta war als Teenager Rodeo-Meister, bis ihn dann das Musikerleben lockte: "The Money's Just As Bad, But It's Safer", so Lund! Dieses dritte Album wurde unter der Regie von Produzent Harry Stinson (Steve Earle, Lyle Lovett u.a.) eingespielt und ist gespickt mit Geschichten vom Rodeo, Vientreibern, Kartenspielen und...Whiskey. Echte Stories von einem echten Kerl, also! Als Mitmusiker konnte Corb Lund noch Drummer Ryan Kiedal von 'Nickelback' gewinnen, der der Musik den nötigen Druck verpasste. Während Country-Fans bei dieser Scheibe voll auf ihre Kosten kommen, wird die CD auch bei jedem Musikliebhaber mit offenen Ohren Begeisterung auslösen.

11 tracks - mostly acoustic set with great songs - Bob Dylan goes Country

**CURB LUND****BAND****FIVE DOLLAR BILL CD VJC 131 € 18,50**

• Man möchte meinen, einige Countrysänger könnten den Kopf eines Pferdes vom Schwanz nicht unterscheiden - der Kanadier Curb Lund stellt da eine rühmliche Ausnahme. Der Sänger aus Alberta war als Teenager Rodeo-Meister, bis ihn dann das Musikerleben lockte: "The Money's Just As Bad, But It's Safer", so Lund! Dieses dritte Album wurde unter der Regie von Produzent Harry Stinson (Steve Earle, Lyle Lovett u.a.) eingespielt und ist gespickt mit Geschichten vom Rodeo, Viehtreibern, Kartenspielen und... Whiskey. Echte Stories von einem echten Kerl, also! Als Mimusiker

konnte Curb Lund noch Drummer Ryan Vekedal von 'Nickelback' gewinnen, der der Musik den nötigen Druck verpasste. Während Country-Fans bei dieser Scheibe voll auf ihre Kosten kommen, wird die CD auch bei jedem Musikliebhaber mit offenen Ohren Begeisterung auslösen.

CD REV 23 € 17.90

• (2003/REV-OLA) 18 tracks; Big players on the scene, future Byrds even, playing a kind-of semi-Cajun/R&B version of Bakersfield country, with the careless energy of garage punk, in an obscure club setting...before there was really such a thing as Country Rock...one can certainly hear what so impressed the likes of Gram Parsons and Glen Campbell in El Monte all those

years ago, and understand why in 1987 Guitar Player magazine voted this recording into their 'Top 20 Country Guitar Albums'.

in Western music by singing Patsy Montana's I Want To Be A Cowboy's Sweetheart for cattle workers at her aunt's hotel when she was only four. She makes her Warner Western debut with 'Cowgirl Dreams', on an album of swing numbers and beautiful ballads that reflects her sincerity and love of music.

• Gene Summers is a true Rock & Roll legend since his recordings of tracks like 'School Of R&Roll', 'Alabama Shake' & 'Nervous' some 40 years ago. We cut 11 tracks here in Enviken in 2002 with him & this cat still has a fantastic voice, it's hard to believe that he is a day older than 30! From pure Rock & Roll to primitive Rockabilly. Gene is backed by members from other Enviken bands like: Sonny Rogers & The Kingpins, Riley McOwen & The Sleazy Rustic Boys & Red Roosters. Another legend is also featured on this album: Joey d'Ambrosio from The Comets plays the sax on two of the tracks. On top of that Gene Summers has supplied us with four tracks of which one of them is an instrumental track recorded at the same session as

'Nervous' in 1958, to wich he added vocals a few years ago. This is a Rock & Roll legend that still got IT! (2004/ENVIKEN) 24 tracks - Rock & Roll Highlight !

BEAR TIPs / STAFF SELECTIONS**von / by****Nico Feuerbach****ROBERT GORDON****Satisfied Mind****CD TCB 2222 EUR 16.90**

This is the brandnew release of Robert Gordon. If you prefer listening to it in your car because your wife told you that she'll leave you if you should play more Rock'n'Roll Music in your clean and cheezy living room where the vacuum cleaner sound is the beat on street, you better keep your seatbelts fastened, because otherwise these 14 rockin' and wailin' goodies will bomb you right out of your seat. And the only thing you'll hold in your hand on the way to Mars is the driving wheel!! This splatter platter is full of cover versions but don't worry – IT ROCKS!!! And if you refuse it because you're from the "I want only the originals section and I don't need Queen Of The Hop because I already have it on an original Atca mint 45rpm from Bobby Darin which did cost me \$10"/I'll tell you what man: You're nuts!! You're nuts because you already have lost the Rock'n'Roll feeling! But we'll give you the chance to save your soul and to be more openminded, because this fine thing will satisfy you definitely.

Tracks you should spin in your car or in your living room (send your wife on a shopping tour) are Dear One, When I Found You, Turn Me Loose and Ain't Gonna Take It No More.

Wenn Du dir diese Scheibe im Auto anhören willst oder musst, weil Deine Frau dich rausgeschmissen hat, weil Du schon wieder trotz Verbot im Wohnzimmer Rock'n'Roll gehört hast, siehst Du besser zu, dass Du angeschnallt bist, denn die 14 Perlen auf diesem Teil werden Dir sonst einen Extraklasse Flug zum Mars bescheren. Die Scheibe ist zwar vollgepackt mit Coverversionen, aber sie ROCKT! Wenn Du von der Ich Hab die Originale Fraktion bist und meinst, dieses Teil nicht haben zu müssen – können wir dir leider nicht helfen, denn gegen Dummheit ist kein Kraut gewachsen! Aber wir geben Dir die Chance, wieder morgens mit gutem Gewissen in den Spiegel schauen zu können! Anspieltipps sind Dear One, When I Found You, Turn Me Loose und Ain't Gonna Take It No More.

JIMMY LEE FAUTHEREE**I Found The Doorknob****CD EF 002 EUR 14.90****LP: GOOFY 61204 EUR 13.90**

Jimmy Lee Fautheree, who was one part of the Jimmy & Johnny Duo appears here with a great solo effort, backed up by Deke Dickerson and his band – and man I tell you what. This is Rockabilly music at it's best!! This man really rocks and after you've listened to this great rollin' and tumblin' thang you better think about getting a new roof for your chicken barn! We've told you a thousand times that stereo hi-fi equipment is something for the living room or for your hobby section but not for the stables! The chicken are gone, they had their Rock'n'Roll rebellion and they are free now!! But don't worry KFC is right around the corner. Go and get yourself a happy meal and enjoy this fantastic thing, but in your living room!! Highly recommended tracks are Gotta Get You Near Me Blues, Box Full Of Git, I want The Cake And Not The Crumbs, Hayride Boogie and Love Me.

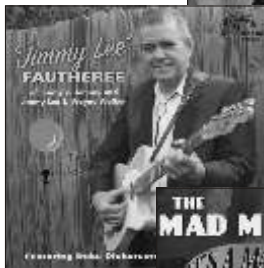

Jimmy Lee Fautheree war ein Teil des Jimmy & Johnny Duos in den 50er Jahren und er tritt hier mit einer brillanten Soloscheibe auf, welche er mit Deke Dickerson und seinen Ecco-Fonics eingespielt hat. Nachdem Du dieses Teil gehört hast, kannst Du Dir erst mal 'n neues Dach für Deinen Hühnerstall besorgen, denn wir haben dir schon 1000mal gesagt, dass die Anlage ins Haupthaus gehört und nicht in einen Deiner Ställe. Die Hühner danken es Dir, denn die hatten ihre Rock'n'Roll Rebellion und sind jetzt frei!! Aber nicht weinen, KFC ist direkt um die Ecke und das Beste ist, Du holst dir 'n feines Happy Meal, lehnt Dich

zurück und hörst dir das ganze Teil noch mal an – aber im Wohnzimmer!! Anspieltipps sind Gotta Get You Near Me Blues, Box Full Of Git, I want The Cake And Not The Crumbs, Hayride Boogie und Love Me

THE MAD MEN**It's A Mad, Mad World****CD RBR 5618 EUR 14.90**

If you listen to the first beats of this CD you better make sure that you put some extra weights on your shoes because the probability is pretty high that you'll leave the ground, brother! You call yourself an authentic Rock'n'Roll Music Lover and you don't own this album?? You better move your ass to the telephone, give us a call and tell us that you want this CD right now. These four little men from Croatia are like a hurricane and will turn everything to dust that is not safe! You will jump and bump with hysterical laughing through the streets of your village and your neighbours already tried to call the ambulance 26 times and they promised them to give a big party if these guys would put you in straight jackets! The diagnosis is: Rock'n'Roll addiction – incurable! And due to the fact that you're more or less harmless you'll get the idiot bonus!! A highly recommended rockin' release and some of the coolest tracks are Boo Hoo, Bop Sweet Susie, Intoxicated and Mad Mad World.

Wenn Du die ersten Beats dieser Wahnsinnscheibe gehört hast, sieh besser zu, dass Du einige Extragewichte an den Schläppan hast, denn sonst ist die Wahrscheinlichkeit ziemlich groß, dass Du diese Erde ziemlich schnell verlässt. Du nennst dich selber Rock'n'Roll Music Kenner und Liebhaber und hast dieses Album nicht?? Du bewegst besser Deinen Hintern zum Telefon und orderst dieses Teil jetzt! Diese vier Männer aus Kroatien werden dafür sorgen, dass Du hysterisch lachend und hüpfend durch die Strassen deines Dorfes fegst und deine Nachbarn haben den Männern in den weißen Kitteln 'ne Riesen-Extraparty versprochen, wenn sie es schaffen, Dich in die Zwangsjacke zu bekommen. Diagnose: Rock'n'Roll infiziert – unheilbar! Und in Anbetracht der Tatsache, dass Du zwar laut, aber sonst mehr oder weniger harmlos bist, geben sie Dir den Idioten-Bonus! Eine sehr zu empfehlende Scheibe - einige der coolen Tracks sind Boo Hoo, Bop Sweet Susie, Intoxicated und Mad Mad World.

RINGERS

X LET THEM BE KNOWN

CD BREAK 002 € 15.90

• (BREAK-A-WAY) 21 tracks 1967-70 - 12 page booklet - drummer Bill Lynn was with Elvis besides his Ringers activities; The Ringers were more than just another typical '60s L.A. garage band among the myriad in that city to be infected with Beatlemania. The fact that they have remained unknown to even some of the most ardent devotees of mid-'60s rock is an injustice that is at last being corrected all these decades down the track. The Ringers' originally released output consisted of just three 45s that were issued between the years of 1964 and 1966, and a Peru-only LP in 1970. The CD version presents the band's complete output incl. their 65/66 beat n' garage recordings, marvelous late 60's popsounds and a perucian only Rock LP from 1970.

 tracks featuring The Jets,
 Imelda Clabby, James
 Compton and Al
 Nichols; This new CD

release is the long-awaited follow-up to the highly-acclaimed
 'Cochran Connection' Vol.1 issued during 1998. Darrel is the
 most in-demand singer/guitarist on the rock 'n' roll scene today,
 having toured various countries in Europe, as well as the U.S.A.
 and Australia. Volum 1 concentrated on the early part of Eddie's
 career, featuring not only songs that Eddie had recorded as a
 solo artist, but also numbers where he had accompanied other
 artists on lead guitar. This second CD tribute to Darrel's major
 musical influence consists of the more well-known recordings
 made by Eddie, such as the rock 'n' roll classics, 'Summertime
 Blues', 'C'mon Everybody' and 'Somethin' Else'. As with the
 earlier set, the popular rockabilly trio 'The Jets' provide backing
 vocals on a number of the tracks.

 tracks Darrel Higham has
 recorded various studio albums over the past few years. Due to
 the response given to his dynamic stage act, 'Rockstar' decided
 to record this set at the famous 'Thunderbird' rock 'n' roll venue,
 to capture the atmosphere of one of his performances for CD
 release. Accompanying Darrel were Mick Wigfall on slap-bass
 and Rob Tyler playing drums, probably two of the best rock 'n'
 roll musicians on the circuit today. Imelda Clabby (Darrel's
 wife) lead vocalist with top blues/jazz band 'Blue Harlem', did a
 guest spot singing 'Dealing With The Devil'.

terms, the Skiffle explosion nearly two years: January 1965,
when Lonnie Donegan burst onto the UK charts with 'Rock

eclipsed by R&R. With sleevenotes written by the great Chas

0002 084 € 14.80

• 23 x 27 cm, 184 Seiten, 87 teils farbige Abbildungen, gebunden. Sonderausgabe im Originalformat. Das Poster wurde zur Ikone von Generationen: Marlon Brando als Johnny in 'Der Wilde', 1953 - der Rebell mit schwarzer Lederjacke auf dem Motorrad wurde zum Symbol der aufbegehrenden Jugend mit dem berühmten Satz: 'Ich lass mir von niemand was vorschreiben.' Marlon Brando, geboren 1924, provozierte in den bisher fünfzig Jahren

seiner Karriere mit seinen Rollen Abscheu, niemals aber liess er gleichgültig. Seine ebenso faszinierend e wie irritierende Ausstrahlung zeigen die 87 Bilder dieses Buches: Stills aus Filmklassikern wie 'Endstation Sehnsucht', 'Die Faust im Nacken',

'Der letzte Tango in Paris', 'Der Pate', 'Apocalypse Now' bis hin zu seinem jüngsten Film mit Johnny Depp, 'Don Juan De Marco', sowie Portraits der grössten Photographen wie Alfred Eisenstaedt, Cecil Beaton, Bob Willoughby, Mary Ellen Mark, William Claxton, John Engstead, Eliot Elisofon u.a. Der einleitende Essay von Truman Capote stammt von 1956 und hat längst selbst historischen Rang. € 29.80

• 21,5 x 24 cm, gebunden, 116 Seiten, 88 Duotone-Tafeln, Neuauflage des Klassikers von 1978. Mit einem Text von Roger Anderson. Café Lehmitz, eine Stehbarierhalle am Ende der Reeperbahn, war ein Treffpunkt und oft auch die Endstation für viele, die in Hamburgs berühmt-berüchtigtem Rotlichtviertel arbeiten: Prostituierte, Zuhälter, Transvestiten und gewöhnliche Kleinkriminelle. "Café Lehmitz" was a beer hall on the Hamburg red-light boulevard Reeperbahn. Anders Petersen's pictures its regulars, first published in 1978, present an undistorted, sympathetic depiction of a world commonly considered antisocial. German text.

* (2003/NORTON/A1) 12 tracks Sky Saxon recordings 1959-64
from his ultra rare debut 'What Chance Have I?' as Dick Marsh
to the sonic hoof shaker 'Do The Swim' cut with the
Electra-Fires, plus the Hoodwinks and the Soul Rockers on
Conquest, Joie, Ava, Shepherd, Rosco and Acama labels - it's
all here! We guarantee that the boss sleeve notes and two ultra
greasy snaps of teenage Sky on the posh full color jacket will
trap you in a giant web of acne filled sound with no escape,
baby!

 • (BREAK-A-WAY) comes with 2 page insert, complete history and rare pics; This Troup were a local garage band from smalltown Indiana that existed from 1966 until '68. They released a scant of two 45's, and are mainly appreciated for their boss

teen-punker I'm Going Away. Although both singles were released in early 1968, they echo back to the pure garage sound of the mid 60's. The group disbanded soon after the records came out and both 45's are sought after among garage collectors.

Overall, these four previously unreleased numbers recorded in Madrid's CIMA studios in 1967, adopt a low-down gutsy blues-soul approach, much closer to Stax than the putown pop sophistication of Motown. -Paul Martin review for 'Shindig E-Zine Group-
