• (2004/ACE)...Gospel Songs" 24 tracks Ace's second dip into the early 60s Hickory Catalogue of the 'King Of Country Music' combines his thematically linked fifth and sixth albums for the label. Both albums were originally released in 1963, and both feature Acuff in what, by common consensus among Acuff experts, is possibly the best voice of his long career. These album cover traditional American folk ballads and jubilee-style white gospel, with some of the most famous songs in both genres being featured along the way. Beautifully remastered from original first-generation Hickory Records master tapes, both albums are being reissued here on CD for the first time complete. More than 75% of the tracks have been unavailable for over 39 years.

• Nun, die ist Country', sagte ein Kritiker. 'Einige Burschen in einer
texanischen Kneipe.' Ballew's Lieder sind ein Spiegelbild von
Leben und Musik in Texas. Viel Country, etwas Swing, eine Prise
Tex-Mex. Es ist der Klang warmer Nächte und kalten Biers. Unter
den 18 Titeln sind

Damned Ol' Beer, I
Can't Drive Home, Texas
Gal, I'm Leavin' These
Honky Tonks, Sixteen
Tons, The Cowboy And
The Preacher and I Love
Texas. Now this, said one
reviewer, 'is country. Just a
couple of guys in a Texas
honky tonk.' Ballew's
songs are a tapestry of
Texas life and music. A lot
of country, a little swing, a
taste of Tex-Mex. It's the
sound of warm nights and
cold beer. The 18 titles
include Damned Ol' Beer,

I Can't Drive Home, Texas Gal, I'm Leavin' These Honky Tonks, Sixteen Tons, The Cowboy And The Preacher and I Love Texas.

• Johnny Cash war einer der ersten, die die Idee eines
Konzept-Albums in der Country Music umsetzen. Dieser Set faßt
all seine einzigartigen American Alben zusammen: "Ride This
Train", "Blood Sweat & Tears", "Mean As Hell", "Ballads Of The
True West", "Bitter Tears", "America: A 200 Year Salute", "From

Sea To Shining Sea' und 'The Rambler'. Bob Allen schreibt: 'Diese Sammlung verkörpert hervorragend die Liebe, die Feierlichkeit, die Neugier, den Schmerz eines Mannes und seiner persönlichen Sicht von der Heimat', „Selbst heute gilt 'Bitter Tears' noch als seine vielleicht beste LP. Johnny Cash was one of the first to

explore the idea of the concept album in country music. This set brings together all of his uniquely American albums, 'Ride This Train', 'Blood Sweat & Tears', 'Mean As Hell', 'Ballads Of The True West', 'Bitter Tears', 'America: A 200 Year Salute', 'From Sea To Shining Sea', and 'The Rambler'. Bob Allen writes, 'This collection eloquently embodies one man's love, celebration, curiosity, anguish, and personal vision of his native land.' Even today, Johnny still rates 'Bitter Tears' as perhaps his greatest LP. - Dies ist nur eine Box aus unserem chronologischen Johnny Cash Editionen I

 Son Of The South Wind- Gold Wedding Ring- The Man In The Long Black Coat- This Wounded House- Capricorn Rain- Between The Saddle And The Ground- Ruby- Hard Weather Out There- North Coast Mail Train- Travelin' Man- One For The Kangaroo- Raining On The Rock

• Hier ist die zweite Bear Family-Veröffentlichung von Peter Caulton, dem

Grammy-nominierten Australier mit der grossen Stimme und starken Texten. In Melbourne, Australien aufgenommen, birgt dieses Album wunderschöne Melodien und Texte über den Outback, die Strasse, Eisenbahnromantik und Liebe. 'Raining On The Rock', mit diesem Lied ist natürlich der Ayers Rock gemeint. Sehr selten bekommt er Regen ab, aber wenn, dann erblühen die Wildblumen um ihn herum und es ist ein wunderschöner Anblick. 'Son Of The Southwind' ist ein Duet mit dem australischen Sänger Noel Watson, dessen grosse Stimme ihm bereits einige Preise eingebracht hat. 'Capricorn Rain' wird Ihre Seele beflügeln, 'This Wounded House' Ihr Herz brechen, 'Between The Saddle And The Ground' schlicht umhauen und schliesslich ruft Meistertexter Joe Black mit 'The North Coast Mail' romantische Eisenbahnerinnerungen wach. Wenn Sie also demnachst mal wieder im Stau stehen und das ewige Top Hits- und Technogeplärre an den Nerven zert, dann werten Sie einfach diese CD ein und gewinnen Ihren Seelenfrieden wieder. Handgemachte Musik voll Hingabe, Seele und Zauber wird Sie aus dieser Welt entführen.

ALL I WANT FOR CHRISTMAS IS A REAL GOOD TAN CD 0303 006 € 18.90

• An entry for the 2003 Christmas season was a natural move for Kenny Chesney after the blockbuster No Shirt, No Shoes, No Problems made 2002 his banner year. But in typical Chesney fashion, his holiday album tries to be a little more easygoing than the usual Music Cityrehash of tried 'n' true yuletide chestnuts. All I Want for Christmas Is a Real Good Tan; the album's own title track is a nice, swaying number that approximates the Cascades' 'Rhythm of the Rain' into its breezy/Buffer feel. / Super Weihnachts-Scheibe nach seinem erfolgreichen Album No Shirt, No Shoes, No Problems aus dem Jahr 2002. Die CD ist im typischen Chesneystil und etwas

lockerer, als die ganzen anderen konservativen Nashville Weihnachtsprojekte!

LEONARD 5-CD-BOX & 36-PAGE BOOK BCD 15577 € 92,03

• Buck Owens hatte seine Schulden, Merle Haggard auch, deshalb muß es nun an der Zeit für

Tommy Collins sein, etwas Anerkennung zu finden. Tommy war

der Pate des

Bakersfield Sound.

Dieser Set ist das

Ergebnis einer ganz

persönlichen Suche

von Bear Family,

diese klassischen

Aufnahmen wieder

zugänglich zu

machen. Jeder, der

Gefallen an Buck

'n' Merle hat, kann

dies mit absolutem

Vertrauen kaufen. Wir

hören Buck als Session

Musiker bei vier von Tommy's

Aufnahmen, später nahm er

ein Tribute Album an

Tommy auf. Merle nahm

Leonard als Tribut auf. Sie

wußten wie großartig

Tommy war und wie wichtig

seine Platten, auch wenn sie

jahrelang nicht erhältlich

waren. Nun haben wir

seine Morgan, Capitol

und Columbia Aufnahmen

dokumentiert, um ihm

gerecht zu werden. Unter

den 144 Aufnahmen sind High On A Hilltop, You Better Not Do That, I Guess I'm Crazy, No Love Have I, All The Monkeys Ain't In The Zoo, A Hundred Years From Now, I Got Mine and If You Can't Bite Don't Growl. Buck Owens has got his due, Merle Haggard too, so surely it must be time for Tommy Collins to get some recognition. Tommy was the

Godfather of the Bakersfield Sound, and this set is the result of a personal quest on the part of Bear Family to make his classic recordings available again. Anyone with a taste for Buck 'n' Merle can buy this with absolute confidence. In fact, we hear Buck as session picker on four years of Tommy's recordings, and he later cut a tribute album to Tommy. Merle cut Leonard in tribute. They knew how great Tommy was and how important his records were, even though they've been out-of-print for years. Now we've documented his Morgan, Capitol and Columbia sides to set the record straight. The 144 titles include High On A Hilltop, You Better Not Do That, I Guess I'm Crazy, No Love Have I, All The Monkeys Ain't In The Zoo, A Hundred Years From Now, I Got Mine, and If You Can't Bite, Don't Growl.

• So wie **JESSE DAYTON** macht sonst keiner Country Music. Der am Golf von Mexico aufgewachsene DAYTON hat eine musikalische

Bandbreite, die vom klassischen Honky Tonk über den Rock des BIG BOPPER bis zum Blue Eyed Soul von **COOKIE AND THE CUPCAKES** reicht. Sein neues Album 'Country Soul Brother' (auf seinem eigenen Label veröffentlicht) beweist, was Unabhängigkeit und Freiheit für einen Künstler ausmachen können. Da trifft der erwähnte Blue Eyed Soul auf unberechenbaren Country, ganz im Stile von George Jones, Conway Twitty, Charlie Rich und Jerry Lee Lewis. **JESSE DAYTON**, den Johnny Cash voller Respekt als 'anders' bezeichnete, wird von den GROSSEN seiner Zunft gerne als Gastmusiker eingeladen. So hat ihn Waylon Jennings, die Picking Parts auf 'Right For The Time' zu übernehmen, er zeigt sich mitverantwortlich für den Countryrock Klassiker 'Must've Been High' der SUPERSUCKERS und er spielte mit Willie Nelson, Mike Ness, Merle Haggard, Dwight Yoakam, Lucinda Williams und den The Dixie Chicks zusammen. Auf 'Country Soul Brother' hat DAYTON eine illustre Schar an Gästen versammelt, darunter Redd Volkaert, Gary Primich, Bradley Jaye Williams und Carolyn Wonderland, DB Harris sowie Eddie Spagheti.

• (2004 'Carnival') 10 tracks Man könnte dieses Album auch ‚Years, Beers & Tears‘ nennen, denn Dillingham ist ein Honky-Tonker der allerersten texanischen

Sorte. Craig begann seine Karriere im zarten Alter von acht und hat seitdem wohl jeden Bierschuppen im Lone Star State in Grund und Boden gerockt. ‚Almost Yesterday‘ ist sein Debüt, und es bringt Song für Song rüber, was er in all den Jahren on the road gelernt hat. Shuffles, waltzes, Balladen - Dillingham hat alles drauf. ‚Zu der Platte kann man locker ein Bier stemmen‘, sagt Craig cool. Aber manchmal, so wie im Opener ‚She'll Be Breaking Someone's Heart In San Antonio‘, kann er einem auch Tränen in die Augen treiben. Was ja auch nicht schlecht sein muss... / One could call this album ‚Years, Beers & Tears‘, ‚cause Dillingham is a honky tonker in the fine old Texas tradition. Craig began his career at the tender age of eight and has rocked nearly every joint in the big Lone Star state ever since. ‚Almost Yesterday‘ is his debut, and it shows his many years on the road with every track. Shuffles, waltzes, ballads - Dillingham does them all. ‚It's something you can have a beer to‘, says Craig cooly. But sometimes, like in the opener ‚She'll Be Breaking Someone's Heart In San Antonio‘, he can also make you cry. Which ain't that bad either... (ig)

• Eines der großartigen unentdeckten Juwelen in unserem Katalog! Melvin war der Autor von Singing The Blues, er war aber auch ein passionierter und unterschätzter Sänger. Behindert wie er war, verließ er sein Heim in Arkansas nur selten, außer um diese Aufnahmen für RCA und MGM zu machen. Dieser Set enthält seine Originale von I Like Your Kind Of Love (von Andy Williams gecovered), I'd Be Just Fool Enough (gecovered von Johnny Cash, den Browns, usw), er enthält aber auch einige der schönsten, wenig bekannten Perlen des Country Rock der Fünfziger, wie Bringing The Blues To My Door, I Ain't Getting Nowhere With You, Is It True und Getting Used To The Blues. Verpassen Sie dies nicht! One of the great undiscovered jewels in our catalogue! Melvin was the writer of Singing The Blues, but he was also a passionate and incredibly underrated singer. Crippled, he rarely left his home in Arkansas, except to make these recordings for RCA and MGM. This set includes his originals of I Like Your Kind Of Love (covered by Andy Williams), I'd Be Just Fool Enough (covered by Johnny Cash, The Browns etc.), but it also includes some of the finest little-known gems songs in Fifties country-rock, like Bringing The Blues To My Door, I Ain't Getting Nowhere With You, Is It True, and Getting Used To The Blues. Don't pass this by!

TEX-MEX CD CORA 059 € 14.90

• (2003/CORAZON) 20 tracks Der Texaner - einer der ganz wenigen Country-Stars mexikanischer Abstammung - hat in den 70ern eine Country-Karrier sodergleichen gestartet. So konnte er zahlreiche Chartplatzierungen und Nr.1 Hits - darunter 'Wasted Days And Wasted Nights' und 'Before The Next Teardrop Falls' - verzeichnen (sowohl auf den Country - wie auch Pop-Charts) und erfolgreiche Alben feiern. Sein Erfolg basierte neben seiner einzigartigen Stimme auf seine gelungene Mischung aus Country und den Tex-Mex-Sounds seiner Heimat. In den 90ern gründete er mit Doug Sahm, Augie Meyers und Flaco Jimenez die Tex-Mex Supergruppe 'Texas Tornados', die für Reprise drei Alben einspielten. Das vorliegende Album enthält 20 Songs, die Fender - geborener Baldemar Huerta - auf Spanisch einspielte, und die bislang nur auf dem kleinen texanischen Label Hacienda Records erschienen sind.

A variety of influences in classic '60s honky-tonk and rock 'n' roll are wrapped up in an up-to-date and innovative production value that will appeal to fans of smooth vocals and solid songwriting. A true vocal stylist, Harris has been compared to everyone from Roy Orbison to Dwight Yoakam. A must have to both contemporary and retro fans of crooning country, '60s pop and rockabilly.

• While Harris has always sounded as if both earthly and spiritual grace were created with her in mind, when she sings, it seems she can no more stumble than a dolphin can be taught to walk on dry land. Stumble into Grace finds Harris following in the same creative path she began to pursue with Wrecking Ball and Red Dirt Girl, which isn't to say that the influence of her country-influenced material is more felt than heard as she dips her toes into the spectral and atmospheric accents of folk, indie pop, and world music. / Eine gelungene, wenn auch ungewöhnliche Mischung aus Country, Folk, Indie Pop und World Music. Ein liebevolles Album, mit viel Liebe gemacht / Ray, well known as a member of the Herndon Brothers Band, goes solo with this twelve track country-gem. But solo doesn't mean he's rollin' alone on his new country-excursion. No, Ray has gathered a bunch of helping hands, such as Jessi Colter, Clint Black and Lyle Lovett among others. Aber Anthony Michael James hat seine Lektionen gelernt, spielt und singt so gut, dass es selbst die alten Heroen wohlwollend grinsen lässt. Nicht zu vergessen seine Begleiter: u.a. Drummer Mike Kennedy (George Strait Band) und Fiddler extraordinaire Tim Crouch. - O.K., just another new face on the country music circuit. But Anthony Michael James knows his trade and plays and sings so good to make even the oldest dogs around smile. And notable are his sidekicks, such as drummer Mike Kennedy (George Strait Band) and fiddler numero uno Tim Crouch. Ten heartwarmin' tracks from a guy with huge potential, a guy to reckon with. (ig)

JEANNIE KENDALL

CD ROU 0401 € 19.90

• The voice of Jeannie Kendall is one of the most memorable in
 country music,
 showcased here in a
 brilliant acoustic-based
 setting with support from
 some of the best players
 in the business,
 including Union Station
 (on four songs), Rob
 Ickes, Stuart Duncan
 and Ron Stewart. With
 guest vocals by country
 and bluegrass stars
 Steve Gully, Alan
 Jackson, Alison Krauss,
 Allison Moorer, Ricky
 Skaggs and Rhonda
 Vincent, the supporting
 harmonies are sublime.

As half of the Grammy-winning duo, The Kendalls (with her
 father, the late Royce Kendall), Jeannie struck gold with the
 number one country hits 'Heaven's Just A Sin Away', 'Sweet
 Desire' and 'Thank God For The Radio,' but her solo debut may
 be her most heartfelt and timeless recording yet. She's never
 sounded better.

 'Louisiana Man' has been recorded several hundred times in
 the wake of their own 1961 hit version. Their original recording
 of it is here, along with its almost-as-famous follow up 'Diggy
 Liggly Lo' and their rockabilly classic 'Hey Mae' (later revived
 successfully by Shakin' Stevens). Their bass-singing,
 piano-playing compatriot Barkdull is heard on both the
 Kershaw's recordings and his own, which include further
 rockabilly classics like 'Ain't Gonna Waste My Time' and 'Too
 Many.' None of Barkdull's sides have ever been reissued legally

MOUNTAIN SOUL ON YOUR WAY HOME (CD & BONUS DVD)	CD EK 86620	€ 21.50
---	-------------	---------

• For 'On Your Way Home, Patty Loveless stays close to the thecaoustic arrangements that made her previous album, 2001's Mountain Soul, so compelling. But with the help of husband/producer Emory Gordy, she's added some rhythmic drive and pungent electric guitar by way of rockability and traditional rock 'n' roll. Loveless rides the rockin' rhythm track with a frenetic reading that captures the intensity of the sensual pleasures the lyrics speak of. But nothing tops the emotional depth she brings to 'The Grandpa That I Know,' a bittersweet reflection on the abyss left by a grandfather's passing. // For 'On Your Way Home, ebenfalls ein Akustikalbum, wie das 2001er Mountain Soul Album, aber mit kerniger Rockability und Rock'n'Roll E-Gitarre, gespielt von ihrem Ehemann und Produzenten Emory Gordy, Loveless bewegt sich souverän durch die Lieder und ein besonderer Anspieltipp ist 'The Grandpa That I Know!'

The album's celebratory tone is aptly expressed in the infectious "This One's for the Girls", an homage to self-reliance and fearlessness in love that's driven by pounding drums and waves of heavy rock guitar. / Ihr erstes Studioalbum seit vier Jahren! • With a voice that can be as rough or tender as the emotions she lays bare in her music, Heather Myles sings country music with honesty, deep feeling and plenty of honky tonk swagger. As Chet Flippo wrote, "Myles has more brass than a hardware store." With a nod to the independent spirit of forebears like Merle Haggard and Loretta Lynn, this set of Myles originals (as well as surprising covers of "By The Time I Get To Phoenix" and "Cry Me A River") presents a country music sound as vital as any you're likely to hear. Includes "Little Chapel," her duet with kindred soul Dwight Yoakam. - Highlight Album!

VERNON OXFORD

KEEPER OF THE FLAME 5-CD-BOX & 32-PAGE BOOK BCD 15774 € 92.03

• Als Chet Atkins zuerst Vernon Oxford hörte, sagte er: 'Ich wußte nicht, daß es solche Sänger noch gibt! Die Ironie ist, daß er zu country für Country Music war. 1963 kam er nach Nashville, sang und spielte im alten Stil, er machte mit die beste Country Music der 60er und 70er Jahre. In Übersee mehr beachtet als daheim, hatte er nur einen Hit, Redneck. Er ist hier enthalten mit allen anderen RCA Aufnahmen sowie Singles, die er für

kleine Labels wie Omni und Stop machte. Beinahe 140 Aufnahmen, darunter Watermelon Time In Georgia, Woman Let Me Sing You A Song, Nashville Women, Baby Sister, Hazard County Saturday Night, Good Old Fashioned Saturday Night Honky Tonk Barroom Brawl sowie die Original Version von Brother Jukebox. Der Set wird abgerundet mit drei Super Rounder Alben und unserer alten Bear Family LP. Country Music gibt es nicht ausdrucksstärker und nicht stärker 'country' When Chet Atkins first heard Vernon Oxford, he said, 'I didn't know there was any of them left.' The irony is that Vernon was too country for country music. He came to Nashville in 1963 playing and singing in the old way, and he made some of the best country music from the '60s and '70s. Recognized overseas more than at home, he only had one major hit, Redneck. It's here with all his RCA recordings, as well as singles he made for small labels like Omni and Stop. Nearly 140 titles including Watermelon Time In Georgia, Woman Let Me Sing You A Song, Nashville Women, Baby Sister, Hazard County Saturday Night, Good Old Fashioned Saturday Night Honky Tonk Barroom Brawl, as well as the original version of Brother Jukebox. The set is rounded out with the three superlative Rouser albums and our vintage Bear Family LP. Country music comes no more soulful - and no more country!

 Jeffrey Steele betitelt sein neuestes Album 'Outlaw', dabei ist er längst ein

Superstar der Country-Szene. Der ehemalige Leadsänger und Bassist von Boy Howdy wurde von BMI zum Songwriter des Jahres 2003 gekürt, und seine weit über 200 Songs wurden u.a. von Kollegen wie Leann Rimes, Randy Travis und Tim McGraw gecovered. Diese 15 Tracks zeigen, was ihn so außergewöhnlich macht: Country-Rock zum Fingerlecken gut / Jeffrey Steele calls his new album, 'Outlaw', but a superstar that's what he is. The former lead singer and bass player for Boy Howdy was named BMI's 2003 songwriter of the year. His over 200 songs have been recorded by Leann Rimes, Randy Travis and Tim McGraw to name just a few, and on these 15 tracks he shows what makes him outstanding: country-rock, fingerlickin' good! The title song was a Top 10 single for Hank in 1960. 12 Tracks / Neuauflage der Capitol-LP 2460 von 1966. - Walker's condition shadows the best songs on A Few Questions, but not in a morose way; rather, these tunes reflect his unbending will to live and to love to the fullest for all of his days. That generous spirit informs most of the songs here, which celebrate love in many forms: love for the particular culture in a particular place. / Trotz seiner Krankheit ein ungemein positiv zum Leben eingestelltes Album, welches das Miteinander und die Liebe der Menschen untereinander behandelt. KEIN kitschiger Weltverbesserungsmüll, sondern ein zum Nachdenken anregendes, ernstzunehmendes Album. (2003/RCA) 13 tracks

SAD SONGS AND WALTZES CD ROU 0399 € 16.90

• It Keith Whitley's legacy is a tree, casting an imposing shadow on all of country music, then these powerful 1982 recordings are his hard-country roots. Drenched in the echoes of classic hardcore honky-tonk influences (Frizzell, Jones, Haggard), the remarkable music on Sad Songs and Waltzes predated-and doubtlessly influenced-the acclaimed "New Traditionalist" movement that reinvigorated country music in the late 1980s.

The performances here are the most resonant and emotional of Whitley's entire career: classic country imbued with Keith's own unique sense of twang and timing. Available on cd for the first time, they have been lovingly remixed and tastefully overdubbed for reissue by original producer JD Crowe. In addition to all of 1982's "Somewhere Between" album - the record that first introduced Whitley as a honky-tonk singer beyond compare - "Sad Song" and "Waltzes" boasts 5 previously unreleased cuts. Longtime Whitley admirer Alison Krauss contributes harmonies, as does noted writer/ performer Carl Jackson and Diamond Rio's Gene Johnson.

Dominic Raacke liest die Biographie von Colin Escott plus Musik CD, Photoalbum und Bildschirmschoner; Hank Williams Sr. schuf in seinem nur kurz dauernden Leben eines der beeindruckendsten Gesamtwerke der amerikanischen Musikgeschichte. Beeinflusst von Gospel und schwarzem Blues sowie den frühen Cowboys wie Gene Autry, schlug er die Brücke vom damals verpönten Hillbilly, überwand dabei alle musikalischen Grenzen bis zu Pop und "erfand" dabei Country, Rock 'N' Roll und Rockabilly. Tatsächlich hat Hank Williams Sr. den Pfad vorgetrapelt, den Elvis erst noch gehen sollte. Williams lebte den so genannten Rock 'N' Roll-Spirit vor:

Alkohol, Drogen, exzessives Leben, Groupies und hysterisches Fantum. Er füllte die grössten Hallen und verkaufte millionenfach Platten von "Loveseck Blues", "Jambalaya", "I Saw The Light", "Move It On Over", "Cold Cold Heart", "I'm So Lonesome I Could Cry" und "Hey Good Lookin'". Erst 29-jährig starb er am 1. 1. 1953 auf dem Rücksitz seines Cadillacs auf dem Weg zu einem Auftritt nach einem intensiv-schnelles Leben voll von Alkohol, Drogen, endlosen Tourneen, Eheproblemen und unglaublichen Rückenbeschwerden aufgrund eines offenen Rückenmarks. Hank Williams Sr. galt nicht nur Bob Dylan oder Bruce Springsteen als Vorbild. Viele Künstler haben seine Songs im Live-Repertoire (Beck, 16 Horsepower, Nick Cave, Emmylou Harris, Kris Kristofferson) oder auf Platten aufgenommen. So z.B. Senkrechtstarter Ryan Adams, Sheryl Crow oder auch Johnny Cash im Duett mit Nick Cave auf "American Recordings IV". Sprecher: Dominic Raacke (Country-Fan, Schauspieler, u.a. Berliner TATORT-Kommissar, sein erstes Hörbuch) inkl. historischem Tonmaterial (Hank Williams Sr. Radio-Trailer, Beerdigungsrede...) Ton Statements von Kris Kristofferson, Chet Atkins, Merle Kilgore u.a. Musik-CD plus Multimediapart (2 PC-Bildschirmschoner, Fotoalbum mit 40, teilweise unveröffentlichten Bildern, Hank Williams-Originalsongs, sowie Interpretationen von Johnny

Cash, Townes van Zandt, 16 Horsepower, Residents, Handsome Family, Old Joe Clarks, Jack Logan, Dinah Washington uvm. "Die endgültige Biographie: meisterhafte Beschreibung, die die Seele des Musikers hinter den Legenden aufstöbert." (NEWSWEEK) "Die fesselnde und sorgfältige Biographie enthüllt erstmals unbekannt Details und gibt als das massgebende Portrait." (KLAPPENTEXT BÜCH)

10 CD Box Set contains over 225 recordings including 53 previously unissued. Limited Quantity Set to hit stores the month of 75th Anniversary of Hank Williams Birth "The Complete Hank Williams" 10 CD box set, produced in cooperation with Colin Escott and the Country Music Foundation, contains over 225 tracks including 53 previously unissued. The set will be released on September 22, initially as 10,000 numbered units, to coincide with the September 17, 1998, 75th anniversary of Williams' birth. This very special collection will include the legend's earliest session recordings from late 1946 until his last in September 1952, as well as previously unissued performances, and 14 never before released songs. A few of the very special tracks included on this project are duet of 'I Can't Help It If I'm Still In Love With You' with Anita Carter, a demo version of 'Kaw-Liga' (with two false starts) and a recording of Williams' debut performance of 'Lovesick Blues' on the Grand Ole Opry. Some demos which have only been released overdubbed prior to this box set are, 'Rockin' Chair Money', 'Cool Water', 'Tennessee Border', 'First Year Blues', and 'Dixie Cannonball'. The unissued recordings include: 'I'm So Tired Of It All', 'You Caused It All By Telling Lies', 'Ten Little Numbers', and 'Wild Side Of Life'. The package will also contain two booklets of 150+ pages with over 120 formerly unpublished and rare photos, Williams' handwritten lyrics, original ads, posters, charts, LP covers, photos of artifacts and original folk art.  • (2004/M.O.D.) 16 tracks In the real America, people work hard, fall in love, get broken hearts and dream big. They get drunk, have fights, become homeless and get the blues. In the real America, there are single moms and struggling immigrants. There are folks who laugh loudly and cry bitterly. Billy Yates writes and sings of these people. He feels their pain and understands their hardships. He reflects their lives and puts their emotions to melodies. This album is the real America. It's a land where honest country music is still loved and respected. It's the America of Billy Yates. And it should be yours, too. -Robert K. Oermann, Nashville TN, May 2004

• Ted Daffan ist am besten bekannt als Komponist von Born To Lose, Worried Mind, I've Got Five Dollars And It's Saturday Night, usw.... wenig bekannt ist, daß er von 1955 bis 1971 dann und wann sein eigenes Label betrieb (meist inaktiv). Die meisten Künstler starten Label, um selbst Platten aufzunehmen, doch

Daffan erschien nie auf Daffan außer als Komponist. Er begann mit Jerry Jericho's Original Version von These Hands. Der bedauerlicherweise negierte Texas Honky Tonk King Jerry Irby nahm regelmäßig für Daffan auf, ebenso Floyd Tillman und Laura Lee McBride. The Pickering Brothers, die mit Buddy Holly bei Oh Boy im Studio waren, haben fünf Songs auf diesem Set, die größte Überraschung aber ist Johnny Bundrick, der nach England ging, um mit Free, Bob Marley und anderen zu arbeiten. Hier ist er als junger und sehr guter Rock'n Roll Pianist zu hören. Ted Daffan ist best-known as the composer of Born To Lose, Worried Mind, I've Got Five Dollars And It's Saturday Night etc., and it's little known that he operated his own label on and off (mostly off) from 1955 until 1971. Most artists start a label to record themselves, but Daffan never appeared on Daffan Records except as a composer. He started with Jerry Jericho's original version of These Hands. The sadly neglected Texas honky tonk king Jerry Irby recorded prolifically for Daffan, as did Floyd Tillman and Laura Lee McBride. The Pickering Brothers, who recorded with Buddy Holly on Oh Boy have five songs on this set, but the biggest surprise is Johnny Bundrick, who went to England to work with Free, Bob Marley and others, but he's heard here as a young and very good rock 'n' roll pianist.

MIKE BARFIELD
LIVING STEREO - NEW RECORDINGS CD TT 0001 € 17.75

• (2002 'Tater Tot') (43:33/13) Seit Mitte der 90er Jahre sorgen The Hollisters aus Texas für Furore in der Country- und Roots-Szene. Mit ihrer auf die Ursprünge zurück geführten Musik gelangten sie in die Indie-Charts in den USA und waren Headliner auf europäischen und US-Festivals. Kopf der Gruppe: Mike

Barfield. Er mochte schon immer die großen Country-Sänger gleichermaßen wie Big Joe Turner, Howlin' Wolf oder Elvis Presley. Dies ist seine erste Solo CD, aufgenommen in den Fort Horton Studios in Austin (wo u.a. auch die Lee McBee auf CrossCut entstand). Barfield covert Howlin' Wolf, Joe Tex, James Brown und Merle Haggard derart lässig, daß es eine Freude ist. Diese CD ist die perfekte Untermauerung für einen lauen Frühlingstag und eine willkommene Abwechslung für all jene, die gerne mal über den Tellerrand schauen / Mike Barfield was vocalist with The Hollisters, on the forefront of the "back to the roots" movements in the midst of the 1990s. The Hollisters from Texas made it big on the indie charts and

were headlining festivals in the USA and Europe. With their bluesy approach to country music they made new fans. Barfield has now released his first solo record. As a critic said a "country meets soul tour de force". Barfield was influenced by singers like Howlin' Wolf, Big Joe Turner and Elvis Presley. This is good time music in the best sense, the perfect soundtrack for a sunny spring afternoon. Blues, soul, c&w - recorded the old fashioned way at Fort Horton studios in Austin, Texas. Highly entertaining, very satisfying. Recommended. A pure fun record! MIKE BARFIELD -voc/hca/maracas, CHRIS MILLER - gtrs, DAVE BILLER - gtrs, PRESTON HUBBARD - bass, various drummers. Special guest: NICK CURRAN - gtr (1 track).

• (2003 'Continental') (41:42/15) Neues Label, zurück zu den alten Wurzeln. Die Paladins, in den letzten Jahren auf CD arg country-lastig, sind umgedreht und präsentieren mit "El Matador" die von ihren Liveauftritten bekannte energetische Mischung aus Rock'n'Roll, Blues und Roots-Schutz. Leider klingt das Album, als sei's ein Schnellschuß. Mit etwas mehr Müße hätte der eine oder andere Song ausgefeilter daher kommen können. Insgesamt jedoch der Weg in die richtige Richtung. Solide / new label. Back to the roots. Blues, Rock'n'Roll and greasy roots rock. Almost no country schmalz. This album comes pretty close to their high-energy live performances. With a larger budget for studio time I am sure

the results would have been even better. Some tracks sound like recorded in the greatest haste. Anyhow, the Paladins are back on the tracks again! DAVE GONZALES - gtr/voc, THOMAS YEARSLEY - bass, BRIAN FAHEY - drums.

TEXAS MUSIC SPECIAL

AUSTIN LOUNGE LIZARDS

CREATURES FROM THE BLACK SALOON

• Es folgt nun ein Special über das Independent Label Watermelon Records aus Austin Texas, welches 1989 gegründet wurde. Das Label verschrieb sich der Texas Music und den Singer/Songwritern. Die qualitativ hochwertigen

CD WM 1000

€ 5,00

Veröffentlichungen aus dem grossen Fundus der in Texas beheimateten Musiker wie Don Walser, Santiago Jimenez Jr., Tish Hinojosa, Steve Young und Julian Dawson, um nur einige zu nennen, fanden schnell eine grosse Anerkennung. Viele Künstler des Labels wurden für den Grammy nominiert und mit Kritikerpreisen ausgezeichnet. So dauerte es nicht lange und Watermelon Records wurde vollkommen zu

Recht bis weit über die Grenzen des Lone Star State bekannt. Aus dem eindrucksvollen Backkatalog des Labels können wir Euch nun diverse Nummern zu einem Sonderpreis anbieten. Wie lang das noch möglich ist, ist fraglich, denn leider ereilte dieses exquisite Independent Label das gleiche Schicksal, welches auch viele andere Labels in den letzten Jahren traf, die die Musikwelt um so viel bereicherten, abseits des profitablen Mainstreams. Es wurde ein Opfer des immer härter und einseitiger werdenden Musikmarktes. Die Stückzahlen der einzelnen CDs sind begrenzt. Now we'd like to feature an independent label called Watermelon Records from Austin, Texas which was founded in 1989. The label's specialty was Texas Music and the Singer/Songwriter output of Texas. Their high quality releases were recorded by Texas Musicians like Don Walser, Santiago Jimenez Jr., Tish Hinojosa, Steve Young and Julian Dawson. Many artists were nominated for Grammys and have received also other music awards. This was one of the reasons why Watermelon Records became so popular not only

in the Lone Star State. We'll now like to offer you some Specialprice-CDs from their back catalogue. Like so many other Non-Profit and Non-Commercial small Record Labels, Watermelon Records was forced to give up because they couldn't compare with the mainstream market. Please notice that we only have a few copies available - so call us NOW!

In his early sixties, Coe hasn't slowed a bit and is experiencing another of his periodic renaissances as an artist and live act. Live at Billy Bob's Texas is R-rated Coe — unlike the "Mature Audiences Only" tag on Live at the Iron Horse — and the performance is tight, full-on badass Country-Rock with a band that rivals any but the Allman Brothers (including his pal Kid Rock's). Who knows how long this show really was, as most of the audience monologues have been omitted, but who gives a damn when it's as fine as this ? There are 20 tracks here, from virtually every period in his career, performed with white-hot intensity, grease, profanity and a burning, broken hearted passion. Coe hasn't gone anywhere; he's still crazy, vulgar, literate, passionate and simultaneously awesome and

frightening. Just get it./ Du kannst über David Allan Coe sagen, was du willst, aber er ist ein einmaliger Sänger, Songschreiber und Künstler. In seinen frühen Sechzigern ist er nicht ruhiger geworden und erlebt einer seiner, von Zeit zu Zeit wiederkehrenden Renaissanceen als Künstler und Live Act. Hier sind 20 Aufnahmen, aus allen Stationen seiner Karriere vorgetragen in einer wahn sinnigen Intensität, schmierig, gotteslästerlich und mit einer brennenden Leidenschaft. Coe ist immer noch da; er ist immer noch verrückt, vulgär, gebildet, leidenschaftlich und gleichzeitig ehrfurchtgebietend und fürchteflössend. Du musst diese Scheibe einfach haben.

Und zwischen den Songs gibts dann noch eindeutige und ehrliche Statements vom Duke zur politischen Lage der Nation. Ein Klasse Livealbum mit Geist und Seele./Live-cuts from the Canadian/USA tour 2002/2003. Steve rocks but also plays some slow and more calm material and Bluegrass sounds. This, its first-ever reissue, compiles the duo's 1966-68 sessions, including the country hit 'Hangin' On', rare folk-rock singles and some stunning outtakes, upon which the Gosdins' are backed by the Byrds, Clarence White and the Bakersfield International gang.

Vintage country-rock sounds with added cajun and folk-rock spice.

• (2003/REV-OLA) 18 tracks; Big players on the scene, future Byrds even, playing a kind-of semi-Cajun/R&B version of Bakersfield country, with the careless energy of garage punk, in an obscure club setting...before there was really such a thing as Country Rock...one can certainly hear what so impressed the likes of Gram Parsons and Glen Campbell in El Monte all those years ago, and understand why in 1987 Guitar Player magazine voted this recording into their 'Top 20 Country Guitar Albums'.

• For almost three decades since his death, Gram Parsons has
 become Mr. Mystique. Little or no recorded conversations have
 been available with the man himself. Now for the first time, hear
 his story in his own words. Parsons speaks about his musical
 influences, his information of the eclectic International
 Submarine Band, his part in creating and encouraging the
 Byrds' "Sweetheart Of The Rodeo" album, his hopes and
 disappointments with the iconoclast Flying Burrito Brothers, his palns
 for a solo career, and his enduring musical vision. This 1972
 taped interview with the late Chuck Casell on this 70+minute,
 color picture disc CD is packaged with rare color photos. Please
 note that this compact disc contains NO music.

aufgewachsen, bekam von seinen Eltern nur das Beste beider Welten zu hören: Songwriter der 60er und 70er Jahre und natürlich traditionelle mexikanische Musik.

„Watertown“ ist Saenz's Debüt, und hier zeigen sich diese Einflüsse, denn Mando weiß trefflich, Songwriter seines Schlages wie Rufus Wainwright oder Ron Sexsmith mit mal besinnlichen und mal munteren TexMex-Klängen zu verquicken / Mando Saenz, born in San Luis Potosi/Mexico, grew up in Corpus Christi/Texas and was raised by his parents on a diet of both worlds: songwriters from the 60s and 70s and of course traditional Mexican music. „Watertown“ is Saenz's debut album, and here his influences show, because Mando knows how to combine fellow Songwriters like Rufus Wainwright and Ron Sexsmith with sometimes gentle and sometimes funny TexMex tunes. • (2004 'Madjack') 14 tracks Keith Sykes sagt, dass diese CD in direktem Zusammenhang mit der vorherigen, „Don't Count On Us“, steht. Wie gut, beide zu haben, denn Keith ist ein Singer/Songwriter in bester alter Texas-Tradition. Er ist laid back, er ist cool, er covert Guy Clark, und er singt ein grandioses Duett mit seinem Kollegem, dem Songwriter-Genie Jerry Jeff Walker. Muss man noch mehr sagen / Keith Sykes says that this CD is connected with the one before „Don't Count On Us“. What a pleasure to have both, because Keith is a singer/songwriter in the fine old Texas tradition. He is laid back, he is cool, he covers Guy Clark, and he does a superb duet with fellow songwriter genius Jerry Jeff Walker. What's more to say (ig)

Amelia White's reizend zarte und in bestimmten Momenten angenehm aggressive Stimme schreibt über Popsongs die in einem Countryambiente zu außergewöhnlich schönen facetten reichen Songperlen wachsen, die nur schwer einem bestimmten Genre zu zuordnen sind. Besonders Empfehlenswert!/A superb album from this Singer/Songwriter. Amelia's voice ranges from charming and sensitive up to aggressive but pleasant elements! Popsongs mixed with different Country styles lead to a wonderful album which is - just good music!!

CLARENCE WHITE

TUFF & STRINGY - THE SESSIONS 1966-68 CD WKD 227 € 17.75

• Former Kentucky Colonel, future Byrd, and a true guitar legend, the guy that defined the Country-Rock guitar, much revered, oft imitated but never bettered. Clarence was later famous for the Stringbender in the Byrds, but the playing here, showcased on Country/Folk-Rock sessions from 1966 to 1968 including super-rare singles, demos and his first recordings as a soloist, demonstrates Clarence's already unique style just prior to the Bender. Note also the inclusion of a recent, major find - previously unknown electrified demos by the Kentucky Colonels that are probably the earliest recordings extant of White playing electric guitar. This release also comes with the full blessing of the late guitarist's family, and the detailed notes include a wealth of new information upon this career. Byrdmaniax and fans of bluegrass/country guitar alike will jump for joy.

Take a listen to these digitally remastered hits from the 70's - They are smokin', and rarely available on compact disc. Enjoy./ Was hat man, wenn man einen musikalischen Salat aus Country-Folk, souligem Rock und Texas-Blues mischt? Richtig - Texas Music! MY RIFLE, MY PONY AND ME BCD 15625 € 15.34

* Mit dem Untertitel 'Film und Fernseh Soundtracks' liefert die 26

Song Sammlung den idealen Überblick über die besten und bekanntesten Melodien aus den grössten Western und

Nachkriegszeit. Es beginnt mit John Wayne, dessen Stimme Dean

Martin und Ricky Nelson vorstellt. Die beiden

singen den Titelsong dieser CD aus dem

Klassiker 'Rio Bravo' von 1959. Von 1948 (Roy

Rogers singt 'Don't Fence Me In') bis 1965 (James

Stuart 'The Legend Of Shenandoah') wird der Bogen gespannt mit Songs wie 'North To

Alaska' (Johnny Horton), 'Rawhide' (Frankie Laine), 'The Rebel Johnny Yuma' (Johnny Cash) und Unerwartetes wie eine

Gesangseinlage von Kirk Douglas. Die CD kommt mit einem

24-seitigen Begleitbuechlein mit Impressionen jener Aera. Subtitled 'Movie And TV Soundtracks', this 26-song collection is

the ultimate overview of songs that were memorable elements of the post-War Westerns. Opening with the voice of John

Wayne introducing Dean Martin and Ricky Nelson, who sing this collection's title track from the 1959 film, 'Rio Bravo', the selections span 1948 (Roy Rogers singing Don't Fence Me In) to

1965 (James Stewart's The Legend of Shenandoah). Along with such 'hits' of the genre as Johnny Horton's North To Alaska, Frankie Laine's Rawhide, and Johnny Cash's The Rebel Johnny

Yuma, there are such unexpected singing cowboys as Kirk Douglas crooning And The Moon Grew Brighter from the 1954 film, 'Man Without A Star'. The 24-page booklet, brimming with

period art promoting the films and their songs, is the perfect visual complement to the music. Popcorn not included.

• Cowboy Anekdoten mit dezenter Begleitungsmusik hervorragend dargebracht / The Original Cowboy Poets is a gathering of material by some of the old-time buckaroo bards, including Charles Badger Clark, Howard Jack' Thorpe, Bruce Kiskaddon, Sharlot Hall and, of course, the most prolific of them all - 'anonymous'. Most of the poems date back to the turn of the century or before. Soem are well-known works and others are neglected gems. Some tell stories of violence and danger and others tell of wistful, romantic encounters. A musical score inspired by the poems themselves enhances these unforgettable performances.

• (2004/SUNDAZED) 12 tracks 1966 (Capitol T-2460) Hank Thompson created a distinctive and durable approach to honky tonk by fusing his vocals with buoyant, western swing-flavored accompaniment from his Brazos Valley Boys. On all but one number Hank's friend Merle Travis's electric guitar graces the recordings here. The title song was a Top 10 single for Hank in 1960. 12 Tracks / Neuaufgabe der Capitol-LP 2460 von 1966. Hank Thompson entwickelte einen besonderen und dauerhaften eigenen Honky Tonk Stil, indem er seinen Gesang mit dem vom Western Swing beeinflussten Brazos Valley Boys verband. Elf Stuecke werden durch Merle Travis und seinen elektrische Gitarre aufgewertet; der Titelsong war ein Top-10 Hit fuer Hank im Jahre 1960.

• (2004/SUNDAZED) 12 tracks 1965 (Tower T-5005) Maine
 native Dick Curless had long recorded for regional labels when
 songwriter Dan Fulkerson approached him with 'A Tombstone
 Every Mile,' the tale of a real-life stretch of Maine highway often
 lethal to truckers. Released nationally in 1965, the song became
 a #5 single for Curless and this, his first album for Tower
 Records, soon reached the Top 20 on Billboard's Top Country
 Albums chart. 12 Tracks / 1965 zunaechst auf Tower T-5005
 veröffentlicht. Dick Curless stammt aus Maine und machte dort
 zunaechst Aufnahmen fuer kleine regionale Firmen. Der
 Songschreiber Dan Fulkerson bot ihm 'A Tomstone Every Mile'
 an, die Geschichte eines fuer Trucker oftmals toedlichen
 Highway-Abschnittes. Als dieser Song 1965 erschien, schoss er
 bis auf Position Nr.5 in den Charts. Das Album kam immerhin
 bis zur zwanzigsten Position in der Billboard-Notierung der
 erfolgreichsten Countryalben.

• Mit dem Untertitel 'Film und Fernseh Soundtracks' liefert die 26 Song Sammlung den idealen Überblick über die besten und bekanntesten Melodien aus den groessten Western und Nachkriegszeit. Es beginnt mit John Wayne, dessen Stimme Dean Martin und Ricky Nelson vorstell. Die beiden singen den Titel song dieser CD aus dem Klassiker 'Rio Bravo' von 1959. Von 1948 (Roy Rogers singt 'Don't Fence Me In') bis 1965 (James Stuart 'The Legend Of Shenandoah') wird der Bogen gespannt mit Songs wie 'North To Alaska' (Johnny Horton), 'Rawhide' (Frankie Laine), 'The Rebel Johnny Yuma' (Johnny Cash) und Unerwartetes wie eine Gesangseinlage von Kirk Douglas. Die CD kommt mit einem 24-seitigen Begleitbuechlein mit Impressionen jener Aera. Subtitled 'Movie And TV

Soundtracks', this 26-song collection is the ultimate overview of songs that were memorable elements of the post-War Westerns. Opening with the voice of John Wayne introducing Dean Martin and Ricky Nelson, who sing this collection's title track from the 1959 film, 'Rio Bravo', the selections span 1948 (Roy Rogers singing 'Don't Fence Me In') to 1965 (James Stewart's 'The Legend of Shenandoah'). Along with such 'hits' of the genre as Johnny Horton's 'North To Alaska', Frankie Laine's 'Rawhide', and Johnny Cash's 'The Rebel Johnny Yuma', there are such unexpected singing cowboys as Kirk Douglas crooning 'And The Moon Grew Brighter from the 1954 film, 'Man Without A Star'. The 24-page booklet, brimming with period art promoting the films and their songs, is the perfect visual complement to the music. Popcorn not included.

Its songs weave together the highs and lows, the hope and despair of alcoholism and drug abuse, for those afflicted and those who love them. These are some of the finest country songs of the past 40 years - some hits, some hidden treasures, some standards./Dieses Album behandelt im musikalischen Sinne die Folgen des Alkoholismus und der Drogenabhängigkeit mit allen Höhen und Tiefen. Populäre Countrytitel und auch weniger bekannte Stücke der vergangenen 40 Jahre.

BUSTED			• Gunter Gabriel ist Liedermacher, er fühlt sich der Tradition amerikanischer Singer/Songwriter eng verbunden. Es liegt ihm am Herzen, nicht nur zu unterhalten, sondern auch verstanden zu werden. Texte sind ihm daher genauso wichtig wie Töne. Weil Gabriel so recht in keine Schublade paßt, bezeichnet er sich selbst gern als 'Männersänger', als einen, der in erster Linie für und über Männer

Seit Anfang der 70er Jahre feiert der gebürtige Westfale und Wahl-Berliner große Erfolge als Sänger und Liedermacher. Zwischenreiner

Alben 'Gesucht' (1973) und 'Waschecht' (1982) standen sechs weitere LPs sowie neun Top-50-Hits in den deutschen Single-Charts. Musikalisch am deutlichsten beeinflusst von Johnny Cash, avancierte Gunter Gabriel schnell zu Deutschlands Country-Star Nummer 1. Und die sind nun alle in der großen CD-Box vereint. In dem großformatigen, 96-seitigen gebundenen, reich illustrierten Buch, schildert Bettina Greve die wechselvolle Karriere des Sängers.

• Carter and Ralph Stanley waren Bill Monroe's erste Rivalen in den 40ern. In den 50ern war ihre Spielart des Bluegrass zu rasiermesserschärfer Perfektion gereift, ihre 46 Aufnahmen für das Mercury Label gehören zu den Bestmarken klassischen Bluegrass (selbst Ralph Stanley betrachtet sie als ihre beste Arbeit). Durch die Arbeit mit einigen der besten Musikern, darunter Fiddler Art Stamper und Mandolinist Bill Napier, klang die Gesangskunst der Stanley Brothers nie besser (ebenso wie Ralph Stanley's knallhartes Banjospiel). Die Sammlung aller Stanley Mercury Aufnahmen bietet ein zuvor unveröffentlichtes Kleinod, A Lonesome Night ebenso wie andere (darunter Close By) bis dahin nur auf japanischen Wiederveröffentlichungen aus den 70ern erhältliche. Gary Reid's fachkundige Anmerkungen rahmen das von der Musik gemalte Bild ein, zwei Aufnahmen von 1959 für das Blue Ridge Label runden den bemerkenswerten Set ab. Carter and Ralph Stanley were Bill Monroe's first rivals in the 1940s. By the 1950s, their version of bluegrass was honed to razor-sharp perfection, and their 46 recordings for the Mercury label are among the high watermarks of classic bluegrass (even Ralph Stanley considers them their best work). Working with a variety of fine supporting players, among them fiddler Art Stamper and mandolinist Bill Napier, the Stanley Brothers vocal artistry (as

well as Ralph's hard-hitting banjo picking) never sounded better. This collection of the complete Stanley Mercury recordings offers a previously unissued gem, A Lonesome Night, as well as others (among them Close By) previously available only on Japanese reissues of the 1970s. Gary Reid's authoritative notes frame the picture painted by the music, and two 1959 recordings for the Blue Ridge label round off a remarkable set.

TRIBUTE TO BILL MONROE - LEGEND LIVES ON 2-CD

CD AUDI 8170 € 21.90

• (2003/Koch) 28 tracks In April of 1997, a barrelful of contemporary Bluegrass hotshots and genuine legends assembled at Nashville's Ryman Auditorium to celebrate and pay tribute to the recently departed Bill Monroe. The performers cranked out fairly faithful renditions of Monroe's biggest "hits" and the audience is suitably appreciative. Although the cleanly crafted sounds of Ricky Skaggs, Marty Stuart, Tim O'Brien and the Charlie Daniels Band tend to run together, there are some great live performances by the Del McCoury Band, the dearly missed John Hartford and a rare appearance by Jim & Jesse, a group that seems to be sorely undervalued on the bluegrass circuit. While the record offers no overwhelming revelations, it is a fine document of the show that would make Monroe proud. Im April 1997 traf sich ein Haufen zeitgenössischer Bluegrasskünstler und echter Legenden im Nashville's Ryman Auditorium, um dem kürzlich verstorbenen Bill Monroe Respekt zu zollen. Dabei sind unter anderem Ricky Skaggs, Marty Stuart, Tim O'Brien, die Charlie Daniels Band, die Del McCoury Band, der bereits verstorbene John Hartford und ein extrem seltener Auftritt von Jim & Jesse. Diese Veröffentlichung ist ein schönes Dokument dieser Show und würde Bill Monroe sicher stolz machen.

• The Bad Livers are one of the most eclectic and versatile bluegrass-based bands on the scene. This is their most eclectic album to date, and their best. INTRODUCING THE BLADERUNNERS CD BLADE 4401 € 18.90

• The Blade Runners create a unified ensemble sound without sacrificing clarity, and Reid and Dickey are formidable soloists. Dickey in particular is not afraid to take rhythmic chances, with what could perhaps be described as a signature device - one that would stress the technique of many other professional players - of shifting his notes to the off-beats on fast solos. Recording quality is excellent. This is a creative band that should please both traditionalists and those with newgrass leaning alike.

* Here at last is the ultimate 3-CD box set that illuminates guitarist Jimmy Bryant's fretboard genius once and for all, spotlighting the dizzying technique, the fluent lines and the electrifying flights of improvisation that have made Bryant a legend with guitar cognoscenti everywhere. To say Jimmy Bryant was as important to country-guitar picking as Charlie Parker was to bebop is a tribute to both legends. This deluxe-edition, 75 track, career-spanning collection is loaded with the gravity-defying, Capitol-era duets of Bryant and Speedy West, the never-reissued Bryant solo material from the Imperial and Dalton labels, as well as a large handful of ultra-rare singles, unissued material and previously unheard alternate versions. Blessed with the heart of a country boy and the soul of a groundbreaking jazzman, Jimmy Bryant is of that rare breed whose work will always sound ahead of its time. (2003/SUNDAZED) 75 tracks 1950-1967 Das ist die ultimative Jimmy Bryant 3-CD Box, welche ganze 75 Tracks enthält und neben seinen Capitol-Einspielungen u.a. mit Speedy West viele weitere ultrarare Aufnahmen enthält! Jimmy Bryant war das an der Countrygitarre, was Charlie Parker im Bebop gewesen ist!

KINGDOM

CD ROU 11579 € 16.90

• Here is the definitive anthology of zydeco music, compiled by author Michael Tisserand as a companion recording to his acclaimed book, 'The Kingdom Of Zydeco'. From Amade Ardoin's 1929 recording of 'Two Step De Eunice' to the up-to-the-minute sounds of Keith Frank and Beau Jocque, this album offers both a historical overview and instant party. Included are extensive notes by the author, written expressly for this collection.

* 15 track Audio CD and interactive CD ROM; Would you like to learn how to dance a Cajun two-step or to prepare crawfish etouffée? Are you planning a trip to south Louisiana? Allons en Louisiane is a comprehensive overview of South Louisiana culture, presented on an interactive CD Rom and accompanying audio CD with 15 music tracks. You'll hear the musicians telling stories in their own words, read about little-known restaurants and dance clubs, watch cooking Creole Mardi Gras. Author Scott Billington, producer of eight Grammy-nominated albums, has spent fifteen years recording the music of South Louisiana. From his unique viewpoint, he offers an insider's look at Cajun and Creole culture, and presents much new information.

*(2002/LOUDHOUSE) 12 tracks I've jammed with Ponty Bone several times on stage and off stage. It's always fun to do. His versatile style is always energetic and precise. Whenever we are both on stage people feel and recognize the similarity of his playing and my playing. People recognize right way the heart he puts in to his playing. I consider that is "Soul Accordion" playing. He can go from simple things to very progressive tunes. And with the blend of his accordion and his singing you can feel he is talking to his accordion and his accordion is responding to him. In other words, he and his accordion really communicate. I would consider him the Real McCoy of good accordion playing. Flaco Jiménez

*(2003/CORAZONG) 20 tracks Der Texaner - einer der ganz wenigen Country-Stars mexikanischer Abstammung - hat in den 70ern eine Country-Karrier sodergleichen gestartet. So konnte er zahlreiche Chartplatzierungen und Nr.1 Hits - darunter 'Wasted Days And Wasted Nights' und 'Before The Next Teardrop Falls' - verzeichnen (sowohl auf den Country - wie auch Pop-Charts) und erfolgreiche Alben feiern. Sein Erfolg basierte neben seiner einzigartigen Stimme auf seine gelungene Mischung aus Country und den Tex-Mex-Sounds seiner Heimat. In den 90ern gründete er mit Doug Sahm, Augie Meyers und Flaco Jimenez die Tex-Mex Supergruppe 'Texas Tornado', die für Reprise drei Alben einspielten. Das vorliegende Album enthält 20 Songs, die Fender - geborener Baldeamar Huerta - auf Spanisch einspielte, und die bislang nur auf dem kleinen texanischen Label Hacienda Records erschienen sind.

*(2003/CORAZONG) 20 tracks Obwohl es entlang der mexikanisch-TEXANISCHEN Grenze zahlreiche Akkordeon-Talente gibt, gibt es keinen, der nur annähernd eine so schillernde Karriere gehabt hat wie Flaco. In den 60ern und 70ern spielte er zusammen mit Doug Sahm, Bob Dylan, David Lindsey und Ry Cooder, auf dessen Album 'Chicken Skin Music' er besondere Akzente setzen konnte. Flacos Sound und Talent waren stets gefragt und so hat er über die Jahre mit so unterschiedlichen Künstlern wie The Rolling Stones, Carlos Santana, Willie Nelson, Los Labos, Emmylou Harris, Linda Ronstadt und Bryan Ferry (!) gearbeitet - um nur wenige zu nennen. In den 90ern tat er sich mit Doug Sahm, Freddy Fender und Augie Meyers zusammen, um die Tex-Mex Supergruppe Texas Tornado zu gründen. Für seine Aufnahmen und Performances wurde Flaco Jimenez bislang mit fünf Grammys ausgezeichnet - eine unglaubliche Leistung! Das vorliegende Album vereint 20 Tracks, die Flaco über die Jahre für kleine, texanische Labels eingespielt hat, und die hiermit zum ersten mal gesammelt erscheinen.

FOLK MUSIK 6-CD/BOOK

• LP sized box with 68 page booklet plus enhanced CD for

Windows Schon in den 50er Jahren hatte Harry Smith mit seiner

Vinyl-Auflage grosse Begeisterung hervorgerufen. Künstler wie

Bob Dylan und viele andere Grössen aus den 60ern wurden

von diesen Roots stark beeinflusst. Jetzt präsentiert Smithsonian

Folkways die in Ballads, Social Music und Songs gruppierte und

aufwendig gestaltete 6er-CD-Box. Ein monumentales Werk, das

umfangreichen Überblick über die amerikanische Folkmusik

gibt. (1997/SMITHONIAN FOLKWAYS) 84 tracks (4 hours, 16

minutes) Perhaps the most influential collection in the history of

recorded sound, the Anthology brought virtually unknown parts

of America's musical heritage to public attention, and created a

cultural wave with lasting impact. Smithsonian Folkways brings

the Anthology to a new generation of listeners with digitally

remastered sound, Smith's original handbook, and a 68-page

book with essays by Greil Marcus and other noted writers,

musicians and scholars. Play the enhanced sixth disc on your

CD-ROM to access rare photos, historic video footage, artist

interviews, and background information.

THE LONG ROAD TO FREEDOM
5-CD&BONUSDVD

CD RCA 99756 € 120.00

• Anthology of Black Music - Limited Edition Box with 140 page
Hard- Bound Book. Produced by Harry Belafonte Recorded
between 1961 and 1971, THE LONG ROAD TO FREEDOM: AN
ANTHOLOGY OF BLACK MUSIC seeks to accurately portray
the music of Black Americans from the period of their earliest
arrival in the 'New World' in the 17th century up through the
spirituals, blues and folk music that heralded the great cultural
explosion of musical expression at the dawn of the 20th century.
80 TRACKS ON 5 CDs: digitally mastered and mixed,
beautifully packaged featuring cover art by the great American
painter Charles White. This comprehensive collection features

work song, ballads, deep blues, songs of the chain gang,
hymns, children's songs, minstrel tunes, music for Christmas,
songs of the Underground Railroad, soldier's tunes from the
Civil War, and the chants and folklore of street vendors,
gamblers, and working men and women of the post-Civil War
era. THE VOICES & MUSIC OF MORE THAN 50 ARTISTS are
captured, ranging from the blues of 'Sonny Terry' and 'Brownie
McGhee' to the voices of 'Joe Williams,' 'Gloria Lynny,' 'Harry
Belafonte,' by 'Dr. Martin Luther King, Jr.' BONUS DVD: Harry
Belafonte reminisces about that special period during the
original recording sessions in NYC. The producers and archivists
talk about the genius of the project, its relevance today and
their reaction to the rediscovery of this long lost treasure.
Special features include biographies of key participants, website
links and more. This DVD has been mastered in both NTSC and
PAL formats. 140 PAGE HARD-BOOK: contains a complete
track listing, information about the original sessions, rare
photos, historical illustrations and original art. 'Liner Notes'
include an extended essay by noted author Marie Evans and a
track-by-track analysis on the history of the music, reflecting on
the historical events, and social and political dynamics that gave
rise to the music. There is also a foreword by the project's chief
architect, Harry Belafonte.

• (2005/ACE) 24 tracks 1950s Rock & Roll Boyd Bennett and his
Rockets had one of the first major rock 'n' roll hits with their
original version of the much-covered 'Seventeen'. It's reissued
here with 23 more mid-1950s classics by King Record's answer
to Bill Haley and His Comets. We also include for the first time
complete on CD, the complete Cecil McNabb Jr session,
featuring some of the wildest rock 'n' roll music ever committed
to tape. Also featured are several previously unreleased
alternate (and superior) versions of familiar Rocket's favourites,
including a recently-located original take of 'My Boy Flat Top'
with Bennett himself singing rather than the Rockets' regular
lead singer Big Moe. Remastered from the original production
tapes and sounding better than ever - with six tracks making
their CD debut.
