CRAIG DILLINGHAM**ALMOST YESTERDAY**

CD CAR 0002 € 17.90

□ (2004 'Carnival')
10 tracks Man könnte dieses Album auch 'Years, Beers & Tears' nennen, denn Dillingham ist ein Honky-Tonker der allerfeinsten texanischen Sorte. Craig begann seine Karriere im zarten Alter von acht und hat seitdem wohl jeden Bierschuppen im Lone Star State in Grund und Boden gerockt. 'Almost Yesterday' ist sein Debüt, und es bringt Song für Song rüber, was er in all den Jahren on the road gelernt hat. Shuffles,

waltzes, Balladen - Dillingham hat alles drauf. 'Zu der Platte kann man locker ein Bier stemmen', sagt Craig cool. Aber manchmal, so wie im Opener, 'She'll Be Breaking Someone's Heart In San Antonio', kann er einem auch Tränen in die Augen treiben. Was ja auch nicht schlecht sein muss... / One could call this album 'Years, Beers & Tears', 'cause Dillingham is a honky tonker in the fine old Texas tradition. Craig began his career at the tender age of eight and has rocked nearly every joint in the big Lone Star state ever since. 'Almost Yesterday' is his debut, and it shows his many years on the road with every track. Shuffles, waltzes, ballads - Dillingham does them all. 'It's something you can have a beer to', says Craig coolly. But sometimes, like in the opener, 'She'll Be Breaking Someone's Heart In San Antonio', he can also make you cry. Which ain't that bad either... (ig)

 □ (2004/HARRIS) 10 tracks (36.27) - Highlight ! It is over 10,000 miles from Hamilton, New Zealand to the stage of the Grand Ole Opry. That seems like a long way to travel to pursue a dream, but after tasting success in her native New Zealand, Kylie Harris' sights were set on making her mark halfway around the world in the U.S. Kylie's sound is instantly familiar and at the same time very unique. A mix between Linda Rondstadt's aching soprano and Shawn Colvin's passionate delivery, her voice is mature beyond her years, which makes sense because she's been at it for more than half of her life. Kylie is a veteran performer who is equally at home in Nashville's honky-tonks as on stage with legendary acts such as Kenny Rogers, Ricky Skaggs, The Irish Rovers and most recently, she toured with Charley Pride on his Canadian Tour in Sept 2004. Kylie's been asked back for his next tour in June 2005.

A multiple award winner and the recipient (and recorder) of some of the most popular songs of the era, he was outwardly the personification of the early 70s 'Nashville Sound'. One of the greatest ever to grace any Nashville studio, Charlie's success was as well deserved as it was overdue, when it finally came. Having recorded for the Sun, RCA and Groove, Smash and Hi labels, he finally scored his first country hit 'Set Me Free' on Epic in early 1968. This set contains his first two Epic albums.

 GARAGE legen ihr zweites Album 'The Wall Against Our Back'
 vor. Das von SLOBBERBONE Sänger und Gitarrist Brent Best
 produzierte und von Matt Pence von CENTRO-MATIC
 aufgenommene Album bietet brennenden, energetischen und
 kraftvoll rockenden Americana. Die Songs, nach denen sich
 SLOBBERBONE- und DRIVE-BY TRUCKERS-Fans die Finger
 lecken werden, sind mächtig und doch mannigfaltig jedoch mit
 einem gemeinsamen Fokus. Allen Songs liegt eine greifbare,
 selbstsichere und unaufgesetzte Chemie innerhalb der Band
 zugrunde, die sich nur durch unablässiges Touren erreichen lässt.

CLARENCE WHITE

TUFF & STRINGY - THE SESSIONS 1966-68

CD WKD 227 € 17.75

□ Former Kentucky Colonel, future Byrd, and a true guitar legend, the guy that defined the Country-Rock guitar, much revered, oft imitated but never bettered. Clarence was later famous for the Stringbender in the Byrds, but the playing here, showcased on Country/Folk-Rock sessions from 1966 to 1968 including super-rare singles, demos and his first recordings as a soloist, demonstrates Clarence's already unique style just prior to the Bender. Note also the inclusion of a recent, major find - previously unknown electrified demos by the Kentucky Colonels that are probably the earliest recordings extant of White playing electric guitar. This release also comes with the full blessing of the late guitarist's family, and the detailed notes include a wealth of new information upon this career. Byrdmaniax and fans of bluegrass/country guitar alike will jump for joy.

□ (2004/BIG BEAT) 25 tracks Big Beat's successful reissue programme drawing from the vaults of Gary S Paxton's Bakersfield International Productions continues with an exciting various artists volume featuring more rare mid-late 1960s country and country rock gems, with many released for the first time. When he moved his operation to Bakersfield in 1967, maverick producer Paxton thumbed a nose at country convention and charted his own, heavily-experimental, course, installing a studio in a disused bank vault. He recorded country and rock acts night and day, ably aided by his crack studio band the Reasons aka Nashville West, featuring Clarence White, Gib Guilbeau and Gene Parsons. Paxton was recording country long before he moved to Bakersfield however, and from his Hollywood phase came several proto-country rock titles by Dee (aka Buddy) Mize, the Dudes and Paxton's sultry-voiced wife Jan. with an extensively illustrated booklet that draws on the recollections of many involved, 'Bakersfield Rebels' is a fascinating document of a unique period in the evolution of country rock.

□ (2005/ACE) 24 tracks 1950s Rock & Roll - 16 page booklet Boyd Bennett and his Rockets had one of the first major rock 'n' roll hits with their original version of the much-covered 'Seventeen'. It's reissued here with 23 more mid-1950s classics by King Record's answer to Bill Haley and His Comets. We also include for the first time complete on CD, the complete Cecil McNabb Jr session, featuring some of the wildest rock 'n' roll music ever committed to tape. Also featured are several previously unreleased alternate (and superior) versions of familiar Rocket's favourites, including a recently-located original take of 'My Boy Flat Top' with Bennett himself singing rather than the Rockets' regular lead singer Big Moe. Remastered from the original production tapes and sounding better than ever - with six tracks making their CD debut.

□ The Southern cult rock 'n' roller whose music crossed many barriers, from rockabilly to blues. 30 prime cuts recorded for Checker between 1956-91, including his biggest hits Susie-Q, La-Do-Dada and Yea-Yea - plus 8 previously unissued sides. The overall quality of the unissued cuts is phenomenal. Why Teenage Dolly, Teenage Boogie Woogie Girl and One Dozen Roses were never released in the first place is an unexplained mystery. In addition, there are many titles making their first appearance on CD. Guitar heroes James Burton and Roy Buchanan are highlighted in all their early glory. Background vocals are led by Margaret Lewis, who has her own CD on Ace (Lonesome Bluebird - CD CHD 872). Erudite sleeve notes by Bill Millar, based on a personal interview with Dale Hawkins.

□ In the 1950s Bobby Lewis worked carnivals, small clubs and theaters before joining the Leo Hines' Orchestra in Indianapolis as a singer. Bobby Lewis' mega-hit 'Tossin' And Turnin'' logged twenty-three weeks on the charts, hitting number one on both the Pop and the R&B charts. The sales of 'Tossin' And Turnin'' were so strong the Beltone issued an accompanying album by Lewis for the first time in the history of the label. Highlights include the Top Ten hit 'One Track Mind', 'Tossin' And Turnin' Again' and Bobby Lewis' signature song 'Tossin' And Turnin''.

Ein Traum-Paket, das alle Aufnahmen Richards' für RCA und Peacock von 1951-1953 enthält. Es ist ein Platz in der ersten Reihe bei der Geburt des Rock 'n Roll. Richard singt Jump Blues mit der Tendenz zu etwas Neuem. Herausragende Stücke sind u.a. 'Get Rich Quick, Taxi Blues, Ain't Nothin' Happenin', 'Little Richard Boogie, Directly From My Heart To You, Fool At The Wheel and Red Rice Beans & Turnip Greens. A dream package, this

includes all of Richard's RCA and Peacock recordings from 1951-1953. It's a front row seat for the birth of rock 'n' roll. Richard is singing jump blues, but edging towards something new. Standout tracks include 'Get Rich Quick, Taxi Blues, Ain't Nothin' Happenin'', Little Richard Boogie, Directly From My Heart To You, Fool At The Wheel, and Red Rice Beans & Turnip Greens.

Vermutlich war er der erste weiße Bluesrockler. Spannende Zusammenstellung / he probably played the meanest and sharpest guitar a white boy could play those days. BILLY LEE RILEY

CLASSIC RECORDINGS 1956-1960 2-CD BCD 15444 € 30.68

☐ Klassisch... und mehr! Wenn Leute sich über Rockabilly unterhalten, steht Billy Riley gewöhnlich ganz oben auf der Liste, obwohl er nie einen Hit hatte. Sein soektakulär ungezügelter Gesang, begleitet von den ebenso los gelassenen Little Green Men gehören zum Besten des Rockabilly. Wenn dieser Set nur Billy's Sun Aufnahmen enthalten würde, wie Red Hot, Rock Me With Me Baby, Flying Saucers Rock 'n Roll und No Name Gal würde es eine großartige Sammlung sein aber wir haben einige zuvor ungehörte Zweitversionen hinzugefügt und dann auch seine Brunswick Session (Rockin' On The Moon usw), schließlich auch noch seine Rita Aufnahmen wie Dark Muddy Bottom, Repossession Blues und That's What I Want To Do. Classic...and then some! When people talk about rockabilly, Billy Riley is usually in the 'A' list, even tho' he never had a hit. His spectacularly untamed vocals, backed by the equally uninhibited Little Green Men stand at the very pinnacle of rockabilly. If this set only had Billy's Sun recordings, like Red Hot, Rock Me With Me Baby, Flying Saucers Rock 'n Roll, and No Name Gal, it would be a great set, but we added some never-before-heard alternate takes, and then we added his Brunswick session (Rockin' On The Moon, etc.), and then we added his Rita recordings like Dark Muddy Bottom, Repossession Blues and That's What I Want To Do.

□ *Dreißig unglaubliche Capitol Aufnahmen aus den Jahren 1957-1959 des mißverständlichen und traurigerweise*

unterbewerteten Tommy Sands. Tommy nahm fleißig auf und fand dennoch Zeit, Nancy Sinatra unter die Fittiche zu nehmen. Es war nicht alles großartig aber es ist das, was man braucht. Zu den Titeln gehören Teenage Crush, Ring-a-Ding-a-Ding, Man Like Wow, Soda Pop Pop, Hawaiian Rock Hearts Of Stone, Hey Miss Fannie, Such A Night, Oop Shoop und Blue Ribbon Baby. Thirty incredible

Capitol recordings from 1957-1959 by the misunderstood and tragically under-rated Tommy Sands. Tommy recorded prolifically - and still found time to get Nancy Sinatra between the sheets. 25 ALL TIME GREATEST HITS CD VSD 66210 € 19.90

□ (2001/VARESE) 25 tracks Johnny Tillotson has always been more than just a teen idol. That might not have been easy to discern as he sauntered carefree across the airwaves in late 1960 with 'Poetry in Motion,' or cried into his pillow two years later with 'It Keeps Right On A-Hurtin'.. Looking back, though, it's obvious. This collection, which culls the best of Tillotson's recordings for Cadence and MGM Records between 1958 and 1967, shows just what a keen ear he had for timeless material.

 This important release features a set of radio shows recorded during the period 1960-65, which have been digitally re-mastered from the original tapes - plus a rare interview with Gene recorded soon after he arrived in the UK for the first time, during early December 1959. Gene was accompanied on these programmes by various British bands such as Marty Wilde's original Wildcats, Sounds Incorporated and The Outlaws. Gene's repertoire on these broadcasts include versions of his best-known songs, plus lesser-known material recently introduced to his 'live' performances. The CD booklet features many previously unpublished photos and a comprehensive note written by a fan who knew Gene throughout the 1960s and attended all of his tours during this period.

□ Ever had the urge to do the Duck, the Hanky Panky or even the Shag? Maybe the Watusi or the Stroll? Now's your chance, as Ace brings you 30 classic dances from the golden age of pop, from 1957 to 1966. A major feature is Bob & Earl's Harlem Shuffle. Previously only available as an appallingly murky, distorted version, Ace is proud to present it in its pristine, crystal-clear state for the first time anywhere. This track alone is worth the price of the CD. Featuring a stunning 16 page full color booklet!

☐ (2005/ACE) 24 tracks In the wake of our success with 'King Rockabilly' (CDCHD 777) and 'King Rock 'N' Roll (CDCHD 975) Ace now brings you a third heaped helping of 1950s jivers, strollers and good rockin' groovers from the vaults of King Records. In-demand floorfillers like Donnie Elbert's 'Leona' and 'Believe It Or Not' are comfortably complemented by long-time rock 'n' roll favourites such as Hank Ballard's version of 'Sugaree'. Although the emphasis is on the upbeat, there are also a couple of strollers on board to help dancers get their breath back.

 □ Dig your Daddy, boss Ohio deejay extraordinaire Peter Myers whose whammy banter combined 50's beatnik blab with MAD mag rat flin snearly raunch jabber all shot out of a cannon at brain splattering velocity! Rare radio shows have been scoped and zoomerated to present a maximum of chatter and a minimum of fuss, as Daddy would have said himself. Massive bio booklet tells the tale and includes memories ranging from one of Daddy's fave stars Andre Williams to peach fuzz upstart Bob Quine who got set on the path to destruction early on listening to Mad Dad's Buckeye broadcasts to Daddy's Brother tippin' his toupe to Mad Dad's massive memory among hipsters worldwide! Dig all the wavy gravy, greasy dedications, and jet speed saucer blasts 1958-64 including an ad for Batty Bucks (Mad Daddy shows that were actually marketed in Northwest Ohio-they featured bat wing flaps!), Zoomeratin' Alphabet (JD beatnik on the rampage!), four button idiot and loads more naggin' toppling rants, topped off with both sides of his sole 45

DEWEY PHILLIPS

RED HOT & BLUE - RADIO BROADCASTS 1952-1964 CD MAS 7016 € 15.50
□ (1952-64 'Memphis Archives') (59:09/01) Eine Stunde mit einem der berühmtesten Radio DJs seiner Zeit, Dewey Phillips aus Memphis. Seit 1949 sendete er für WHBQ, wurde ein guter Freund von Sam Phillips, dem 'Sun' Records-Besitzer. Dewey spielte als erster 'That's All Right' von Elvis! Diese CD ist eine unterhaltsame Dokumentation, eine Stunde voller Kommentare, Humor und einem mitsingenden DJ. Zu hören gibt's u.a. Amos Milburn, Piano Red oder Sister Rosetta Tharpe. Einzigartig / One hour of radio broadcasts featuring Dewey Phillips from WHBQ in Memphis. He was, prior to Alan Freed, the most famous dj playing race records. But he was also the first to broadcast new releases from Elvin, Jerry Lee Lewis, and other great names in rock n'roll and r&b. This CD contains an hour of broadcasts, excerpts from his 'Red Hot & Blue' radio shows. Very entertaining and a unique document.

HEARTBREAK HOTEL (0) DVD 109609 € 19,90
 □ (2004/BV) PAL, Deutsch/English/Italian, 4:3, Dolby Digital, 97 mins; Rock & Roll Fantasy feat. Tuesday Weld, David Keith a.o.; Taylor, Ohio, im Jahr 1972: Johnny Mutter führt in dem verschlafenen Nest ein heruntergekommenes Hotel. Ihr einziger Lichtblick ist Elvis, der King of Rock 'N' Roll. Die Schwärmerei nervt Hardrock-Fan Johnny (Charlie Schlatter) zwar, aber als es seiner Mutter besonders schlecht geht, fasst er einen Beschluss: der King muss her! Und weil's nicht anders geht, kidnappt er ihn eben. Mit pinkfarbenem Cadillac und im berühmten weissen Outfit bringt Elvis (David Keith - 'Ein Offizier und Gentleman') die Verhältnisse in Taylor gehörig zum Tanzen. Rock 'N' Roll mit Herz für die ganze Familie.

These, and only these, are the recordings upon which Tate's legendary reputation is founded. Unavailable in any form for many years, Ace's Kent label is more than a little proud to return them to catalogue in the 21st century. Produced by Jerry Ragovoy and featuring stellar accompaniment from the cream of New York's 1960s session musicians, 'Get It While You Can' includes the original - and indisputably the best - versions of songs later recorded by artists as diverse as B.B. King, Janis Joplin and Ry Cooder.

□ 'Get Your Lie Straight - A Glaxy Of Funky Soul' anthologies
the red-hottest grooves that Fantasy's R&B subsidiary Galaxy
issued in the late 1960s and early 1970s. Based in the San
Francisco Bay Area, Galaxy naturally focused on the bluesy,
earthier style of soul popular in that region, a sound exemplified
by the local smash 'Foxy Girls in Oakland' by Rodger Collins, a
record that regularly graces turntables world-wide to this day.
'Get Your Lie Straight' features for the first time on CD some of
Collins' other funk outings like 'I'm Leaving This Place'.

BOSSA CUBANA CD 79572 € 19.90

□ Original recordings produced by EGRAM, Cuba 1963-67 - with 30 page booklet; Los Zafiros (The Sapphires) provided an extraordinary soundtrack to Sixties Havana. Their unique sound - the vocal virtuosity of doo-wop and the twang of electric guitar pop combined with an inspired take on bolero, clypsso, bossa nova and the rhythmic heritage of Cuba - makes for incredible listening today.

CD ACM 4000 € 12.50

□ (2003/ACROBAT) 25 tracks Acrobat has now released several packages in *The Road To Doo Wop Series* and here is our first compilation to actually arrive in the Doo Wop era. Featured are 25 titles from the early 50s to the early 60s recorded for several independent labels mostly based on America's East Coast. Rare sounds and hits rub shoulders with legendary acts like The Harptones and The Willows. Amongst the obscurities the first CD release for *The Impressions' Swirl 45*. This group does not feature Curtis Mayfield and the extensive liner notes explain its origins.

□ (2003/ACROBAT) 20 tracks 20 examples of the many styles of Black vocal group harmony from the early 30s to the early 50s. Beginning with the jump and jive sounds of the earliest

groups to record in the 1930s to those recordings made in the late 40s and early 1950s when the sound had truly begun its journey down the Road to Doowop.

CLASSICS CD CHD 392 € 17.75

□ First released in 1992, "Doo Wop Sho" has been one of the most enduring - not to mention best selling - Doo Wop compilations in Ace's long history. Compiled by former Capital Gold DJ Randall Lee Rose as a representation of his (now sadly defunct) radio show of the same name, it is a fine representation of streetcorner symphonies as it's possible to buy in one collection. Many of Doo Wop's finest hours (well, 3 minutes!) are featured, as a most of the genre's true superstars (eg Dion and the Belmonts, the Penguins, the Harptones, the Capris and the Jive Five) on the original versions of 'I Wonder Why', 'Denise', 'Remember Then', 'Pretty Little Angel Eyes', 'Earth Angel' and more.

(2004/ACE) 26 tracks Hollywood maverick Gary 'Alley-Oop' Paxton tried his hand at all sorts of genres back in the early-mid 1960s, mastering all with consummate ease. His girl group recordings rank with some of his best, thanks to his tremendous stable of writers and some little heralded distaff talent. The sounds on 'Boy Trouble' were all made between 1963 and 1967 and leased to various labels or issued on Paxton-run imprints like Garpax and Star-Burst. However the bulk of these recordings are presented here for the first time from recently archived master tapes.

DEVIL'S RUMBLE - ANTHOLOGY 1965-68 2-CD CD SC 11138 € 30.68
 □ (2004/SUNDAZED) 40 tracks; Davie Allan & The Arrows recorded the most frenzied instrumentals the world has ever heard! Allan's fuzzed-out guitar was an audio compass pointing towards freedom, sex, danger and violence, his trashy fretboard riffs exploding behind flickering celluloid images of cycle runs, biker fights, drug freakouts and rubber-burnin' hot rods. Through exclusive arrangement with Curb Records, Sundazed is thrilled to present this 40-track, 2-CD anthology, rounding up the best of the Arrows' '60s recordings: the 45s, sizzling album cuts, mindcolor 16-pg. booklet with band history, interviews with Davie, producer Mike Curb, the Arrows, plus unseen photos, original album graphics & more!

 □ (2003 'Aloha Records') (38:57/14) Rhythm'n'Blues und Blues aus Austin, Texas. Die Combo um Gitarrist/Sänger Ben Peters lässt musikalische Erinnerungen an die 50er Jahre wach werden. Außerst authentisch klingen diese Aufnahmen, die - wie u.a. die Alben von Nick Curran - in den Fort Horton Studios aufgenommen wurden und vor Spielfreude nur so sprühen. Hervorragende Musiker, wenig eigens Material, dafür Cover obskurer Titel. Ausgezeichnet! / 1950s style r&b and southern blues, recorded at Austin's Fort Horton studios. Nick Curran opened the doors, and combos like this one led by guitarist/vocalist Ben Peters are sailing through. Re-makes of mostly obscure stuff by Ray Agee, Pee Wee Crayton, Jimmy Liggins, Clarence Garlow or King Carl. Super musicianship, great authentic sound. Recommended. BEN PETERS - gtr/voc, JOHNNY MOELLER - gtr, NICK CURRAN - gtr/drums, MATT FARRELL - pno, T.D. MOTYCHA - sax, PRESTON HUBBARD (ex-FABULOUS THUNDERBIRDS) - bass, JAY MOELLER - drums.

□ (2002 'Hightone') (67:33/17) Die Blasters nahezu in der Originalbesetzung, live mitgeschnitten in Los Angeles. Ein mitreissendes Konzert, voller Energie und ungezügelter Spielfreude. Gegen diese "Veteranen" klingen manche Blues-Combos wie "Weicheier". Eine Tour-De-Force, der man sich kaum entziehen kann. Ein Muss!! / the Blasters, almost with the original line-up. Recorded live in Los Angeles. A fascinating performance, full of pure energy and enthusiasm. Compared to these "veterans", most young blues bands sound pretty lame. □ (2003 'Shout Factory') (72:31/16) Von den zahlreichen Fans immer wieder gefordert, ließ sich Dave Alvin im vergangenen Jahr zu einer Tour in der Originalbesetzung überreden. So kam es 2003 zu mehreren Konzerten mit jener genialen Formation, die in dieser Zusammensetzung von 1979-85 gespielt hatte. Die Musik der Blasters basiert auf Rock'n'Roll, Blues und R&B - und so war es nur konsequent, Gäste aus den verschiedenen Genres einzuladen. Das Ergebnis ist ein mitreißendes Livealbum von einer der besten Live-Bands schlechthin und dem Inbegriff des Roots/Rock. Super!! / their countless fans had always been asking for a series of reunion concerts. In 2003, Dave Alvin finally agreed to such a tour with then original line-up. The music of the Blasters is based on Rock'n'Roll, Blues and r&b. Consequently, they invited a list of guests, some of their idols representing the variety of American roots music. The results are sensational! This is a powerful and rocking live album presenting one of the best live bands ever! The Blasters ARE roots/rock! Cool! - feat. MIDNIGHT RUMBLE WITH BO WEAVIL CD LENOX 1021 € 17.75

□ (2001 'Lenox') (40:13/14) Die vielleicht

"authentischste" Bluesband überhaupt - zumindest nach den Linernotes zu urteilen. Doch es stimmt. Schließt man die Augen, meint man Joe Hill Louis oder Junior Parker irgendwo in Memphis auf der Beale Street, oder dem Maxwell Street Market in Chicago zu hören. Und wiederum: alles eigene Songs. Wer neues Material mit dem Feeling und dem Sound der alten 'Sun'-Studios hören möchte, wird hierauf abfahren. Klasse! / "I'd go as far as to say they are THE most authentic band." - Charlie Wenham in his liner notes to the band's second album. Close your eyes, and you're gonna believe Joe Hill Louis is in the room. This French combo sounds "real", they have the feel and the sound of the '50s. The flair of the original 'Sun' studios is vibrant. Excellent! And pure fun. And most of all: all originals.

□ (2004 'Blind Pig') (—:—/—) Im für die Fort Horton Studios in Austin typischen Garagensound produziertes viertes Album des aktuellen Königs des Retro-Sounds. Keiner beherrscht wie er die Sounds der 40er/50er Jahre und schreibt Songs die so klingen, als wären sie schon 1951 in den Jukeboxes an der Westküste gelaufen. Der 'Hammer' jedoch ist seine Version von Iggy Pops 'No Fun'. Auch Pops Popnummer klingt wie frühster R&B. Klasse / Recorded at the famous For Horton Studios in Austin, Texas. Great garage sound. Curran is the reigning king of retro blues & r&b. He's simply the best when it comes to the reproduction of the original '40s/'50s sounds in blues and r&b. And he's writing new songs that sound like being played on a Southern Californian jukebox in 1951. But the biggest surprise is his version of Iggy Pop's 'No Fun'. Even this pop tune sounds like a Roy Brown record. Excellent! NICK CURRAN - gtr/voc. PRESTON HUBBARD - bass, DAMIEN LLANES - drums. Special

guests: KIM WILSON - hca (3 tracks), RILEY OSBORN - kbds, etc.

VOL. 2, THE COCHRAN**CONNECTION (& THE JETS)** CD RSR 023 € 18.90

□ (2004/ROCKSTAR) 20 tracks featuring The Jets, Imelda Clabby, James Compton and Al Nichols; This new CD release is the long-awaited follow-up to the highly-acclaimed 'Cochran Connection' Vol.1 issued during 1998. Darrel is the most in-demand singer/guitarist on the rock 'n' roll scene today, having toured various countries in Europe, as well as the U.S.A and Australia. Volum 1 concentrated on the early part of Eddie's career, featuring not only songs that Eddie had recorded as a solo artist, but also numbers where he had accompanied other artists on lead guitar. This second CD tribute to Darrel's major musical influence consists of the more well-known recordings made by Eddie, such as the rock 'n' roll classics, 'Summertime Blues', 'C'mon Everybody' and 'Somethin' Else'. As with the earlier set, the popular rockabilly trio 'The Jets' provide backing vocals on a number of the tracks.

DARREL HIGHAM & THE ENFORCERS**AT THE THUNDERBIRD ROCK & ROLL VENUE** CD RSR 024 € 18.90

□ (2004/ROCKSTAR) 24 tracks Darrel Higham has recorded various studio albums over the past few years. Due to the response given to his dynamic stage act, 'Rockstar' decided to record this set at the famous 'Thunderbird' rock 'n' roll venue, to capture the atmosphere of one of his performances for CD release. Accompanying Darrel were Mick Wigfall on slap-bass and Rob Tyler playing drums, probably two of the best rock 'n' roll musicians on the circuit today. Imelda Clabby (Darrel's wife) lead vocalist with top blues/jazz band 'Blue Harlem', did a guest

spot singing 'Dealing With The Devil'. Hammer Live Concert mit Power Bass und Uptempo Material - Highlight!

PALADINS
EL MATADOR CD CBH 2007 € 16.75
□ (2003 'Continental') (41:42/15) Neues Label, zurück zu den alten Wurzeln. Die Paladins, in den letzten Jahren auf CD arg country-lastig, sind umgedreht und präsentieren mit "El Matador" die von ihren Liveauftritten bekannte energetische Mischung aus Rock'n'Roll, Blues und Roots-Schmutz. Leider klingt das Album, als sei's ein Schnellschub. Mit etwas mehr Muße hätte der eine oder andere Song ausgefeilter daher kommen können. Insgesamt jedoch der Weg in die richtige Richtung. Solide / new label. Back to the roots. Blues, Rock'n'Roll and greasy roots rock. Almost no country schmalz. This album comes pretty close to their high-energy live performances. With a larger budget for studio time I am sure the results would have been even better. Some tracks sound like recorded in the greatest haste. Anyhow, the Paladins are back on the tracks again! DAVE GONZALES - grf/voc, THOMAS YEARSLEY - bass, BRIAN FAHEY - drums.

REVIVAL/NEO ROCKABILLY

PALADINS

SLIPPIN' IN CD RUF 1034 € 7,50
 □ (1999 'Ruf Records') (38:29/13) Recht wenig Musik für's Geld. Macht aber nix, ist eh eine eher langweilige Platte mit einem für die Paladins dürftigen Mix aus verschiedensten Stilen amerikanischer Roots-Epochen, von braven Rockabilly-Plattidüten über Buddy-Holly-Kopien bis schmalbrüstigen Rockern im Stil der College-Ara. Schade / Not much music on this album. I have always admired this band, and I really dig some of their records. But this album sounds cheap and uninspired, a collection of various American roots music styles. Where's the original creativity, the immense power of the band? Too bad.

PALVOLINE NO.7 CD RUF 1065 € 17,75
 □ (2000 'Ruf Records') (35:03/12) Highlight! Rock'n'Roll und ein bisschen 'lonely' Country Music. Gut, doch nicht die Paladins, die wir von früher kennen / another step away from the blues. This is pure rock'n'roll and even some early, 'lonely' sounds in country music. A fine album; but they lost their grit and dirt on the way. DAVE GONZALES - gtr/voc, THOMAS YEARSLEY - bass, BRIAN FAHEY - drums. Special guests: JAMES HUNTER - vocal duet, CHRIS LAWRENCE - pedal steel, etc.

□ (2002 'Doopin' Records') (68:01/16) Der Brite und die Schweden haben ein gemeinsames Album abgeliefert, das klingt, als würden sie schon Jahre zusammen spielen. Beide, den Pianisten u.a. von Billy Wyman's Rhythm Kings, und die Skandinavier verbindet die Liebe zum frühen Rhythm'n'Blues, den Knock-Out Greg & Blue Weather is Reinkultur wieder erweckt haben. Kaum einer europäischen Band gelingt eine derart überzeugende Interpretation und stilvolle Bühnen-Präsentation. Sanchez als Chef passt perfekt! Klingt gut, spielt gut, macht Spaß! / the British piano player and vocalist, backed by one of Europe's most competent and able vintage style rhythm'n'blues bands. What a natural combination this is! Bill Wyman's piano player is the perfect addition to the band sound of Sweden's Knock-Out Greg & Blue Weather. They are great. Great in sound, and they have an impressive stage presence. This record is pure fun. Recommended. MIKE SANCHEZ - pno/voc, ANDERS LEW 'N - gtr, KNOCK-OUT GREG - hca, UBBE HED - bass, AMRUCUS ANDERSON - drums, plus horns. - DigiPak.

Ausgezeichnet! / Second album from this great Belgian roots/rock combo. They dig vintage rockabilly and country music. But there's also this heavy trash sound, raw guitars and grooves. Excellent! RICK VITO

BAND BOX BOOGIE CD HYP 3221 € 14.90
 □ (2003/HYPERTENSION) (49:06/13) Ein Blick zurück in die Geschichte. Dieses Album lebt von Vitos Erinnerungen an die Jukeboxen seiner Jugend, wo er R&B, Balladen, R'n'R, Latin und Pop-Standards zu hören bekam. Und so ähnlich ist das Programm dieses Albums, nahezu eine Retro-Produktion. Äußerst kurzweilig / "the music on this recording was inspired by the kind of music I used to hear on those old ... jukeboxes. R&B, ballads, rock & roll, Latin, pop standards ... You can hear bits of my favorite guitarists like Les Paul, B.B. King, Django Reinhard, Charlie Christian, Nato Lima, Teddy Bunn, Alvino Rey, and even Chuck Berry." A good one.

X ELEMENTAL INSTRUMENTALS CD CHD 1044 € 17.75

□ (2005/ACE) 28 tracks 28 raw primitive rock instrumentals from the legendary Cuca label of Wisconsin - the farming State caught in a rockin' timewarp while the rest of America wimiped out. Best known for the 1960 mega-hit 'Muleskinner Blues' by the Fenderners, as well as the R&B hit 'Spring by Birdlegs & Pauline, Cuca was a very big deal locally. Owner Jim Kirchstein ran his own studio and even pressed his own records. Between 1959 and 1969, he put out hundreds of records on Cuca, Sara and various subsidiaries - mostly rock with a bunch of polka discs thrown for local old-timey folk!

Deutsch, Paperback, 16x23.5 cm, 238 Seiten, komplett illustriert mit seltenen Fotos und allen Covern in Farbe; Made in Germany gilt immer noch als Gütesiegel in der Welt. Bei Autofahrern, Spielzeugfans und Porzellanfreunden. Aber in der Musik? Selten. Und doch ragen gelegentlich deutsche Platten aus dem musikalischen Einheitsbrei heraus. Und machen Geschichte. Um solche Platten geht es hier. 'Musixpress' ermittelte in einer Umfrage unter Kritikern und anderen Leuten aus der Musikbranche die absolute Bestenliste der in

Deutschland produzierten Alben aus Pop und Rock. So liefert dieses Buch einen musikalischen Überblick über vier Jahrzehnte Rock und Pop in deutschen Landen. Das repräsentative Spektrum des Bestenliste reicht von Klassikern und Pionieren wie Can, Tangerine Dream oder Scorpions über Höhepunkte der Neuen Deutschen Welle wie Trio, Foyer Des Arts oder Fehlfarben bis hin zu aktuellen Grössen wie Rammstein, Guano Apes oder Fünf Sterne Deluxe.

BOOKS/DEUTSCHLAND SPECIAL**HIER SPRICHT EDGAR WALLACE****JOACHIM KAMP**

0041 589 € 29.90

Deutsch, Einband mit festen Deckeln, 24.5x22 cm, 300 Seiten, durchgehend s/w illustriert; Die Edgar Wallace-Filme gehörten in den 60er Jahren zum Spielplan eines jeden Filmtheaters. Der Kinobesitzer wusste im vorhinein, was ihn erwartet: Volle Kassen und ein zufriedenes Publikum. Selbst nach dreissig Jahren erfreuen sich die Klassiker des Kriminalfilm grosser Beliebtheit. Das Geheimnis des Erfolges liegt mit Sicherheit nicht nur in den spannenden Stoffen, die der englische Schriftsteller Edgar Wallace lieferte. Die Stoffe wurden gruselig-brilliant in Szene gesetzt, und es wurde nicht an Effekten gespart. Und natürlich ist die Reihe an grossartigen Schauspielern endlos: Vor allem Siegfried Schürenberg, Karin Dor, Siegfried Lowitz, Gert Fröbe, Joachim Fuchsberger oder Klaus Kinski sind unvergessene Edgar-Wallace-Helden. Und der unvergleichliche Eddie Arent: seine komischen, immer etwas

ironischen Butler-Rollen (u.a. in "Der Frosch mit der Maske") zeigen deutlich, dass die Edgar Wallace Filme mit viel Sinn für Schwarzen Humor inszeniert wurden. Nunmehr liegt hiermit die erweiterte Neuauflage des Edgar-Wallace-Standardwerkes von Joachim Kramp vor! Die Presse schrieb über die erste Auflage: "Seine Leidenschaft ist auf jeder Seite zu spüren: Kramp hat eine atemberaubende Fülle an Informationen, Anekdotischem und Bildmaterial zusammengetragen. Der Band ist ein Muss für alle Fans des Kriminalklassikers." Neue Westfälische Kultig: 40 Filme in einem Buch. Wer nun alles genau wissen will und die Reihe längst in seine Kultfilm-Hitparade aufgenommen hat, sollte sich Kramps Buch zulegen. Ein Buch für alle Edgar-Wallace-Fans mit tollen Fotos.  (2004/BV) PAL, Deutsch/English/Italian, 4:3, Dolby Digital, 97 mins; Rock & Roll Fantasy feat. Tuesday Weld, David Keith a.o.; Taylor, Ohio, im Jahr 1972: Johnny's Mutter führt in dem verschlafenen Nest ein heruntergekommenes Hotel. Ihr einziger Lichtblick ist Elvis, der King of Rock 'N' Roll. Die Schwärmerei nervt Hardrock-Fan Johnny (Charlie Schlatter) zwar, aber als es seiner Mutter besonders schlecht geht, fasst er einen Beschluss: der King muss her! Und weil's nicht anders geht, kidnappt er ihn eben. Mit pinkfarbenem Cadillac und im berühmten weißen Outfit bringt Elvis (David Keith - 'Ein Offizier und Gentleman') die Verhältnisse in Taylor gehörig zum Tanzen. Rock 'N' Roll mit Herz für die ganze Familie.
