# Liebe Freunde von Bear Family / Dear Friends of Bear Family

**K**aum hatten wir den zweiten Katalog dieses Jahres erfolgreich fertiggestellt, begannen schon die Vorbereitungen für die Nummer drei, die schwerpunktmäßig u.a. die Musikgebiete Surf, Instrumental und 60s Beatmusik beinhaltet. Aus Platzgründen können wir leider nicht alle Einzeltitel abdrucken, da dieses den Rahmen sprengen würde. Bei Fragen weisen wir auf unsere Auftragsbearbeitung und unsere Webseite ([www.bear-family.de](http://www.bear-family.de)) hin.

Neben interessanten Veröffentlichungen aus unserem Hause wie z.B. den Folgen acht und neun der erfolgreichen Pop In Germany Reihe (BCD 16784 und BCD 16785) und der Smash – Boom – Bang Serie gibt es hier Klassiker, Raritäten, Skurriles und Unbekanntes der späten 50er und 60er Jahre! Somit dürfte wohl mit diesem Katalog jede sommerliche Beach Party gerettet sein.

Auch in der Rock 'n' Roll- und Rockabillyecke gibt es wieder sehr interessante Veröffentlichungen, wie z.B. die erstmalig wirklich kompletten Sun Records-Jahre von Malcolm Yelvington und Ernie Chaffin, inklusive Outtakes und bisher unveröffentlichten Stücken. Außerdem gibt es bei uns die neueste Fats Domino CD "Alive And Kickin'", welche sonst nur bei der Tipitina Foundation in New Orleans zu beziehen ist, da sie der Unterstützung der Hurricaneopfer von 2005 dient. Wir bei Bear Family wollen unseren Teil dazu beitragen und bieten diese deshalb an. Wenn sie auch nicht ganz billig ist – es ist für einen guten Zweck! Was den Revivalbereich angeht, möchten wir hier im Besonderen auf die Newcomer Charlie Hightone & The Rock-It's hinweisen, die hier mit ihrer ersten Scheibe 'Rock-It, Man, Rock-It' (CD SR 04) jedes CD-Laufwerk zum Brennen bringen werden!

In der Countryecke möchten wir das geniale Kris Kristofferson Tribute Album 'The Pilgrim' (CD 1203893) hervorheben. Desweiteren haben wir diesmal eine ganze Reihe an Sonderangeboten aus den verschiedensten Musikbereichen.

So, nun wünschen wir allen viel Spaß beim Stöbern, und nicht vergessen: Sie können Bestellungen aus diesem Katalog natürlich auch mit den älteren Katalogen, Newslettern und Flyern kombinieren.

Das Bear Family Mailorder Team, im Mai 2006

**D**ieser Katalog mit aktuellen Neuerscheinungen enthält nur einen kleinen Auszug unseres Gesamtprogramms. Im Laufe eines Jahres veröffentlichen wir jeweils fünf Mailorder-Kataloge (jeder mit einem eigenen Genre-Schwerpunkt) und zwischen den Katalogterminen Flyer mit brandaktuellen Angeboten. Sie können jederzeit Artikel aus sämtlichen Katalogen und Flyern der vergangenen zwölf Monate bestellen. Die meisten Produkte sind stets ab Lager lieferbar. Sonderangebote können jedoch zwischenzeitlich ausverkauft sein. Und wenn sie etwas nicht finden können, fragen Sie uns bitte. Wir können (fast) alles besorgen. Unser stets aktualisiertes komplettes Lieferprogramm finden Sie auf unserer Website

[www.bear-family.de](http://www.bear-family.de).

**W**e had just mailed our mail order catalog no.2, when preparations for this issue began. Catalog no.3 has its emphasis on Surf, Instrumental, and 1960s Beat Music, a.o.. Due to lack of space we can't reprint all track listings. This would go beyond the scope of this publication. If you have questions, we are kindly referring to our telephone sales staff, and to our website [www.bear-family.de](http://www.bear-family.de).

Next to a couple of interesting new releases on our own label, Bear Family Records – i.e. volumes eight & nine in our successful 'Pop In Germany' series (BCD 16784 / 16785) and the Smash-Boom-Bang series – you will find classics, rarities, odds and unknowns from the late '50s and '60s! Consequently, this catalog will save your summer beach parties!

In the rock 'n' roll and rockabilly corners you will find many new interesting releases. For the first time, ever you may purchase the complete Sun Records years by Malcolm Yelvington, and Ernie Chafin – including outtakes and previously unissued sides. Also, we are presenting Fats Domino's latest CD 'Alive & Kickin'''. Otherwise, this set is available from the Tipitina Foundation in New Orleans, exclusively. It was released to support victims of hurricane Katrina. We here at Bear Family's want to contribute. That's why we are offering this album. The CD ain't cheap, but it is for a good cause. When it comes to the revival section, we want particularly suggest newcomer Charlie Hightone & The Rock-Its. Their debut 'Rock-It, Man, Rock-It' (CD SR 04) will inflame your CD drive.

In the country corner, we want to expose Kris Kristofferson's tribute album 'The Pilgrim' (CD 1203893). It's simply inspiring!

Also, we are presenting a whole lot of special offers at reduced prices, from various musical genres.

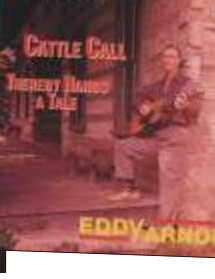

We are wishing you a lot of fun browsing through this catalog. Please, remember: you may combine orders from this catalog with items from previous catalogs, newsletters, and flyers.

Have a great summer,  
your Bear Family Mailorder team, May 2006

**T**his catalog with new releases represents just small excerpt from our entire stock. During the course of a year we are publishing five mailorder catalogs, each focussing on a certain musical genre. In between catalog publications we are mailing flyers listing new releases, on a regular basis. You may always combine orders from all catalogs and flyers that were issued within the last twelve months. Most items are available ex-warehouse, but special offers sometimes are available for a limited amount of time, only. If you can't find certain releases, please feel free to ask. Bear Family is able to obtain (almost) every in-print release. For a complete listing of our entire catalog, please refer to our website.

□ (2004 'Gulf Coast') 11 tracks Cummings bewegt sich auf dem schmalen Grat zwischen Country und Rock, aber „Loving You Is Easy“ beweist, dass er auch meisterlich Balladen drauf hat. Seine Begleiter sind allererste Sahne, vor allem Wanda Vick an Fiddle und Banjo / Cummings plays on the verge between country and rock, but he is also good at ballads like „Loving You Is Easy“. His sidemen are top notch especially Wanda Vick who cooks up a storm on fiddle and banjo. (ig)

□ In 1965, George Jones was King of the country charts and Gene Pitney was king of the pop charts. They were both on Musicor Records, and were brought together for a series of duets that resulted in several country hits. The songs included Why Baby Why, I'm A Fool To Care, She Thinks I Still Care, Big Job, Sweeter Than The Flowers, I've Got Five Dollars And It's Saturday Night, Louisiana Man, and Love Bug. As a bonus, we've included some of Gene's recordings of country standards. 1965 wurden der damalige King of Pop und der King of Country von ihrem Label Musicor ins Studio gebeten. Es entstanden hochkarätige Duetaufnahmen, die auf diesem Album zu finden sind. Als Bonus sind Gene's Versionen bekannter Country Titel enthalten.

□ (2005/TROCADERO) 13 tracks; Stück 1 "BAM BAM BAM" ist Titelsong des neuen Kinofilms "FC Venus"! Seit 1997 und 6 Studioalben vermitteln die Hamburger um Sänger und Songschreiber Nils Koppbruch in ihrer Musik Tradition und aktuelle Popmusik, und haben damit ihre ureigene Ausdruckswelt geschaffen. Fink stehen mit einem Bein tief in der Musikgeschichte, um mit dem anderen schon ein Stück voraus zu sein. Sie wissen: Tradition ist immer das, was man daraus macht. Folk, Country, Gospel, ein Spritzer Soul und eine Prise Sixties-Rock - all das wird so selbstverständlich miteinander verquilt, als hätte es schon immer zusammengehört. 'Fink beweist, dass Country-Musik mit deutschen Texten schlau und gewitzt sein kann.' - Frank Goosen, Der Spiegel 'Unterköhle Hamburger widmen sich uramerikanischen Folk, toben sich aus zwischen Cajun, Bluegrass, Country und Bebop und können doch ihre Nordseeseele nicht abschütteln. Ergebnis: Alt-Country vom Feinsten mit integriertem, windigem Hansestadt-Falva.' - Piranha

Country-Tugenden à la Tammy Wynette pflegt. 'Ich möchte dein Nachmittag sein, wenn du eine Pause von deiner Arbeit einlegst', singt Eleni Mandell

und sagt: 'Ich bin überzeugt davon, dass die ur-amerikanischen Musikstile wir Country, Jazz, Rock 'N' Roll und Soul tief im Innersten miteinander verwandt sind.

Atemberaubende Countryplatte mit Jazz- und

Barmsukuntertönen eingespielt, die das Beste aus Billie

Holiday, Patsy Cline, Lucinda Williams und P.J. Harvey vereint.' - Journal Frankfurt

'Mit sparsamen Mitteln zaubert sie stimmungsvolle Song-Miniaturen zwischen Folk, Americana und Country, die sie mit edelherber Stimme vorträgt. Ganz gross. Das Album ist intelligent, kritisch, geheimnisvoll und sexy. Mehr braucht ein tolles Album nicht.'

□ (2003/TROCADERO) 13 tracks Als Eleni Mandells Album 'Country For True Lovers' erschien, löste es zwiespältige Reaktion aus, aber der Grossteil der Hörer und Kritiker feierte die junge Kalifornierin weiter unbeirrt als grosses unentdecktes US Songwriter-Talent und pries Eleni's selbstbewusste Verbeugung vor einigen ihrer musikalischen Vorbilder - Bob Dylan, Merle Haggard, Tammy Wynette, die Stones, wenn sie akustisch waren, Tom Waits. 'Sentimentale Country-Music, handmade, frei von den gelackten Pop-Zutaten und immer ein bisschen cool, laziv und gelangweilt.' 'Das Gossenpoetische, Herzerbrochene steht deutlich im Raum. Die vielseitige musikalische Identität der Mandell kommt hier schon zusammen: Das trotzig-melancholische Lallen der Lucinda Williams ebenso wie jene seltsame Mixtur aus Nachkriegs-Folklore und jazzigem Croonen, aber nie ohne Bruch oder gar bloss standardgemäß.'

Songwriter der Country-Musik, ist Billy Joe verantwortlich für  
solche Klassiker wie 'Old Five And Dimers Like Me, Ride Me

Me To. All diese Songs wurden von Waylon Jennings und vielen  
anderen aufgenommen. Billy Joes Versionen, vorgetragen in

### DELMORE BROTHERS:

**Fifty Miles To Travel  
CD CHD 1074 EUR 17,75**

**M**an muß schon sagen: Alle Achtung! Die Acetat-Serie von Ace ist ganz bemerkenswert. In der Regel verbindet man mit Acetataten ja eher schlechtere Qualität. Gut für Sammler, historisch bedeutsam, aber nicht schön anzuhören. Anders bei diesen King-Aufnahmen. Gut für Sammler, historisch bedeutsam und erstklassig anzuhören! Die erste CD aus dieser Serie, die ich mir angehört habe, ist eine Serie von seltenen und zum Teil unveröffentlichten Delmore Brothers-Aufnahmen.

Es ist unverständlich, daß die Delmore Brothers nicht annähernd so bekannt sind wie andere frühe Country-Pioniere. Die meisten musikbegeisterten Menschen können durchaus etwas mit der Carter Family, Jimmie Rodgers oder Hank Williams anfangen. Der Grund dafür, daß Alton und Rabon Delmore fast schon als übersehen gelten könnten, ist nicht wirklich nachvollziehbar, zählen sie doch zu den herausragendsten Harmoniegesangs-Formationen der früheren Country-Geschichte überhaupt. Wenn man sich die Delmore Brothers etwas über Zimmerlautstärke anhört, wird man einige bemerkenswerte Dinge feststellen. Garantiert. Der Sound groovt! Er groovt so ungemain, daß es einem auf jeden Fall die Schuhe auszieht.

Ich denke, das liegt an dieser einzigartigen Verschmelzung von Boogie-Beats, einer gehörigen Portion Gospel und dem Lebensgefühl der Appalachen. Nicht zu

vergessen, was diesen Groove ausmacht: Der Blues! Also, wer nach den Wurzeln des Rock-A-Billy und des Rock-N-Roll sucht, kommt an den Delmore Brothers auf keinen Fall vorbei! Nachdem die Delmore Brothers in den 30er Jahren mit ihrem klassischem Brother-Duet-Uptempo Sound bei verschiedenen Radio-Sendern recht erfolgreich waren, kamen sie 1944 bei Syd Nathans King Label unter Vertrag.

Hier angekommen, lösten sie sich von ihrer Zweier-Formation und begannen neue Wege zu suchen und zu finden. Diese Zeit stellt einen Umbruch in der Entwicklung der Country-Musik allgemein dar, und die Delmore Brothers hatten einen großen Anteil an der Findung neuer (eigentlich rockiger), durchaus innovativer Wege. Ab 1946 erweiterten sie ihre akustischen Zwei-Personen-Arrangements um eine Band bestehend aus Bass, Mandoline, Steel-Gitarre, Fiddle, der Mundharmonika von Wayne Raney(!) und zusätzlichen (elektrischen) Gitarren. Unter den Bandmitgliedern finden sich Namen wie Merle Travis und der King-Studiobassist Louis Innis. Kein Geringerer als Zeke

Turner, der Erfinder des Hucklebuck-Stils, spielt auf vielen der Aufnahmen dieser CD seinen unglaublichen Stil. Und Wayne Raney ist ja nun eigentlich schon ein echter Delmore Brother. Seine Mundharmonika ist ein nicht wegzudenkender, fester Bestandteil der Bandgeschichte. Also, wie gesagt Freunde.

Legt man die CD ein, kommt als erstes mit "Fifty Miles To Travel" Zeke Turners Hucklebuck-Gitarre zum Tragen, und die Brothers singen so entspannt und lässig, daß man meint, die Jungs wären mal eben für eine Session und ein paar Biere vorbeigekommen. Ab Titel Nr. 3 "I Let The Freight Train Carry Me On", kommt dann auch der besagte Bruder Wayne Raney dazu, und dann ist es passiert: Man ist ein Delmore-Brothers-Fan und hört nicht mehr auf mit dem Hören. Wie gesagt, es groovt 24 Stücke lang, so daß es eine wahre Freude ist. Wärmstens empfohlen!!!

**O**ne must admit: Respect! The Ace-Acetate-Series ist totally remarkable. Usually you will associate acetats with bad quality. Good for collectors, historically important, but no fun to listen to. These King sides are different. Good for collectors, historically important and in top notch quality. The first CD from this series contains a collection of partly unissued, rare Delmore Brothers recordings. It's always incomprehensible that the Delmore Brothers are not nearly as well-known as other early Country Music pioneers. Most music-loving people will know the Carter Family, Jimmie Rodgers or Hank Williams.

The reason why Alton and Rabon Delmore could be regarded as ignored, is hard to understand. Actually they are regarded one of the most outstanding harmony-duets in early country history. The sound is grooving! It grooves so immensely, that it's taking off your shoes in every sense. I think, the reason for this is the unique fusion of their boogie beats, a huge portion of gospel and Appalachian folk. And, not to forget, what delivers the groove: the blues! So, anybody looking for the roots of Rock-A-Billy and Rock-N-Roll can't ignore the Delmore Brothers! After the Delmore Brothers were quite successful at several radio stations with their classical brother-duet uptempo sounds during the 30s, they signed with Syd Nathan's King label in 1944.

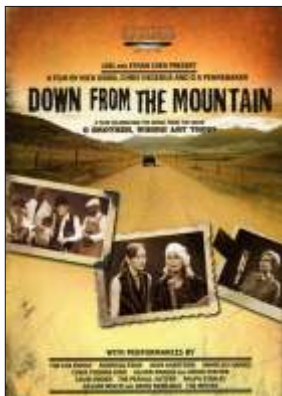

At this point, they broke away from their two-piece format and started to search new, breaking ways. This time represents a break in the development of country music in general. And the Delmore Brothers had a big part in finding new, actually innovative ways. From 1946 on, they expanded their two-piece arrangements into a full-band backup with bass, mandolin, steel guitar, fiddle, harmonica (played by Wayne Raney!) and additional (electric) guitars. Among the band members you will find names like Merle Travis and King's session bass player Louis Innis. No other than Zeke Turner, the hucklebuck style founder, plays his incredible guitar on many of these

recordings. In fact, Wayne Raney after all was a real Delmore Brother. His harmonica is a permanent component of the band's history.

So, like I said. If you put this CD in your player, it takes off with "Fifty Miles To Travel" and Zeke Turners Hucklebuck-Guitar, and the brothers are singing so relaxed that it seems they just came around for a little session and a couple of beers. Beginning with track no. 3 "I Let The Freight Train Carry Me On" brother Wayne Raney joins right in, and here is what will happen: you are a Delmore Brothers fan and you won't stop listening. 24 grooving tracks, a real pleasure. Warmly recommended!

Für ihren Film "O Brother, Where Art Thou?" arbeiteten die genialen Filmemacher Joel und Ethan Coen mit einer Reihe von Musikern, Songwritern und dem Produzenten T-Bone Burnett zusammen, um ein Bild der reichhaltigen musikalischen Einflüsse im amerikanischen Süden während der Depression der 30er Jahre zu schaffen. Der Film wurde ein grandioser Erfolg und der Soundtrack stand für mehrere Wochen an der Spitze der Country-Charts. Viel wichtiger jedoch ist, daß die Musik aus dem Film einem breiten Publikum die Ohren für die Schönheit des Bluegrass, des traditionellen Country, des rauen Blues und des Gospels öffnete. Danke Jungs, das wissen wir wirklich zu schätzen! Kurz vor der Veröffentlichung des Films versammelte T-Bone Burnett die Musiker, die an dem Film mitgewirkt hatten, zu einem Benefiz-Konzert.

Hintergrund dieses Konzertabends im Rayman Auditorium in Nashville (die Heimat der Grand Ole Opry) war die Unterstützung der Country Music Hall Of Fame und des Museums. Der Abend wurde gefilmt und das Ergebnis ist umwerfend. "Down From The Mountain" ist ein Dokument der amerikanischen Musikgeschichte und der Zukunft. Die Besetzungsliste liest sich wie ein Who's Who: Emmylou Harris, Ralph Stanley, Alison Krauss, The Cox Family, The Fairfield Four, Chris Thomas King, Colin Linden, Gillian Welch, Mike Compton, John Hartford, Ricky Skaggs, Dan Tyminski.....

Durch den Abend führt der unglaubliche John Hartford (er starb leider kurze Zeit später an den Folgen seiner Krebserkrankung), und seine Version des Klassikers "Big Rock Candy Mountain" gehört zu den absoluten Highlights! Der Bluesmann Chris Thomas King, unterstützt von Colin Linden, serviert uns einen brillanten, aber leider viel zu kurzen Auftritt. Seine verrauchten Versionen von "Hard Time Killing Floor Blues" und "John Law Burned The Liquor Sto" sind

unfassbar. Man könnte jetzt natürlich Stück für Stück aufzählen, wie z.B. den grandiosen Abschluss, den alle Musiker unter der Leitung von Ralph Stanley mit "Angel Band" zubereiten.

Aber der Film ist wesentlich mehr als ein Musikfilm. Er ist eine Dokumentation, die einen Blick hinter die Kulissen zulässt und die Helden Mensch werden läßt. Es gibt viele Backstage-Sessions zu sehen und zu hören. Und das ist wirklich einzigartig, sind doch an diesem Abend drei Generationen von Musikern versammelt. Die DVD präsentiert sich in einem makellosen Dolby Digital 5.1 Sound. So bekommt man auch die Musik in bester Qualität zu hören, und die Bilder sprechen ohnehin für sich. Ich muß es mal so sagen: diese DVD gehört in die Sammlung eines jeden Musikliebhabers. Ganz ehrlich!

Für "O Brother, Where Art Thou?" the brilliant filmmakers Joel and Ethan Coen worked with a number of musicians, songwriters and producer T-Bone Burnett. Together, they created a picture of the versatile and extensive musical influences in the American south during the depression in the 1930s. The movie turned out to be a terrific success and the soundtrack stayed at the top of the country-charts for several weeks. Much more important is that the music from the movie brought the beauty of bluegrass, traditional country, rough blues and gospel closer to the people.

Thanks boys, we really appreciate this! Shortly before the publishing of the movie, T-Bone Burnett assembled the musicians for a benefit concert. The background for this concert evening in the Rayman Auditorium in Nashville (the home of the Grand Ole Opry) was the support for the Country Music Hall Of Fame and the museum. The evening was filmed and the result is fantastic. "Down From The Mountain" is a document of American music history and it's

future. The cast represents a real who's who: Emmylou Harris, Ralph Stanley, Alison Krauss, The Cox Family, The Fairfield Four, Chris Thomas King, Colin Linden, Gillian Welch, Mike Compton, John Hartford, Ricky Skaggs, Dan Tyminski.....

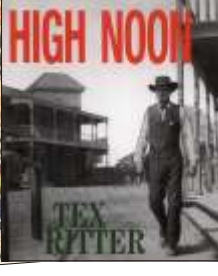

The amazing John Hartford leads through the evening (he unfortunately died from cancer a short time later) and his version of the classic "Big Rock Candy Mountain" belongs to the absolute highlights. Bluesman Chris Thomas King, supported by Colin Linden, serves a brilliant, but unfortunately too short, performance. His smokey

versions of "Hard Time Killing Floor Blues" and "John Law Burned The Liquor Sto" are incredible.

Of course I could enumerate track by track, like the great closing with the entire cast celebrating "Angel Band" under the direction of Ralph Stanley. But the movie is much more than just a music DVD. It is a documentation that allows a view behind the curtains and turns heroes into

humans. You will see, and hear, many backstage sessions: And this is really unique if you consider, that three generations of musicians were assembled that evening. The DVD presents a perfect Dolby Digital 5.1 Sound. This way you will enjoy the music in best quality and the pictures are speaking for themselves, anyway. Let me say this straight, this DVD belongs to the collection of every musiclover. Honestly!

Dicker Karton als Digi-Pak, dazu ein eingeklebtes 60(!)-seitiges Booklet mit Interviews, Anekdoten, Fotos und allen Songtexten. Schlichtweg schön! / beautiful tribute

album to one of the finest American folk musicians, ever! Adams died too early to hear the recordings on this set. The packaging looks lavishly. Jedermann erinnert sich wegen eines Songs und eines Fotos an Ersel aber hier ist viel mehr, wie die 25 Song Retrospektive enthüllt. Das ist nicht nur eine seltene Zweitversion von Bluebirds, die nur in Kanada veröffentlicht wurde, sondern großartige Rock'n'Roll Nummern wie Goin' Down That Road, Stardust Brought Me You and You Never Can Tell. Diese Retrospektive enthält alle Epic und Kapp Aufnahmen von 1957 bis 1960. Everyone remembers Ersel for one song and one photo, but there's much more, as this 25 song retrospective reveals. But it's not only a rare alternate take of Bluebirds issued only in Canada, but great rock 'n' roll sides like Goin' Down That Road, Stardust Brought Me You, and You Never Can Tell. This retrospective includes all the Epic and Kapp recordings from 1957 to 1960.

## TOMMY SANDS

**THE WORRYIN' KIND** BCD 15643 € 15.34  
 □ Dreißig ungläubliche Capitol Aufnahmen aus den Jahren 1957-1959 des mißverständenen und traurigenweise unterbewerteten Tommy Sands. Tommy nahm fleißig auf und fand dennoch Zeit, Nancy Sinatra unter die Fittiche zu nehmen. Es war nicht alles großartig aber es ist das, was man braucht. Zu den Titeln gehören Teenage Crush, Ring-a-Ding, Man Like Wow, Soda Pop Pop, Hawaiian Rock Hearts Of Stone, Hey Miss Fannie, Such A Night, Oop Shoop und Blue Ribbon Baby. Thirty incredible Capitol recordings from 1957-1959 by the misunderstood and tragically under-rated Tommy Sands. Tommy recorded prolifically - and still found time to get Nancy Sinatra between the sheets. It wasn't all great, but this is the stuff you need. Titles include, Teenage Crush, Ring-a-Ding-a-Ding, Man Like Wow, Soda Pop Pop, Hawaiian Rock, Hearts Of Stone, Hey Miss Fannie, Such A Night, Oop Shoop, and Blue Ribbon Baby.

□ (2006/ACE) 30 tracks with stunning 24 page booklet During the period we cover the Bubbling Under chart covered the 15 or 20 places under the official Billboard chart and included those titles that were considered most likely to jump into the chart proper. But none of these ever made it... Most of the songs included were massive regional hits and only failed to make the Hot 100 because they did not break through outside their own area.

□ (2006/ACE) 24 tracks with 20 page booklet In the tradition established by our previous successes, *The Golden Age Of American Rock 'N' Roll Special Novelty Edition*, *'Great Googa Mooga'*, and *last Halloween's 'These Ghoulish Things'*, we present *'Dead!'*, a compilation that would speak for itself... if it could! This collection brings the fan who likes their black humour on the lighter side, the first of a planned 2-volume set of *'Death Discs'* from the classic era of the late 50s through to the end of the 60s. Included are huge pop hits like *'Terry'* by Twinkle and *'Give Us Your Blessings'* by the Shangri-Las, both of which straddle the *Death Disc* and *Girl Group* sounds. The *Joe Meek* production *'Johnny Remember Me'* shares digital space with *'Tell Laura I Love Her'*. The hit-makers on this set also include the *Everly Bros*, *Jan & Dean* and *Bob Luman*. In fact, the compilation is so radio-friendly that it's almost impossible to believe that most of their tracks were banned during the less-enlightened time of their release!

METEOR - COMPLETE ROCKA- BILLY & HILLBILLY 2-CD □ The definitive Rockabilly and Hillbilly collection from the famed Meteor label of Memphis, Tennessee, containing every single release plus four originally unused tracks from 1954-1957. The leading Meteor rockabilly names Charlie Feathers, Junior Thompson, Bill Bowen, Jess Hooper and Wayne McGinnis are class acts in the genre. In the Hillbilly field, Bud Deckelman's "Daydreamin'" is one of the true Honky Tonk classics. Sun Rockabilly author Martin Hawkins has written an incredibly well-researched noted text based on interviews with the artists or their surviving families. He has also turned up evocative period photographs that are packed into the beautiful booklet. (2003/ACE) 44 tracks with 40 page booklet - essential!	CD CH2 885	€ 23.25

**JAXON RECORDING COMPANY STORY** CD ST 020 € 17.75

□ (2005/STOMPETIME) 27 tracks 1950s Tennessee  
 Rockabilly & Hillbilly Jackson is one of those smaller cities:  
 located very roughly halfway between Memphis and Nashville,  
 Jackson spawned a 'cottage industry' of Record Companies  
 during the 1950s and 1960s, with labels such as Juxon, Lu,  
 Hillcrest and Westwood, managing to release a clutch of  
 outstanding 45's which clearly demonstrated a definitive 'Jackson  
 Sound'. One of the smallest of the Jackson record labels was the  
 aforementioned Jaxon Records, with only five known 45's  
 released. However, thanks to Jaxon's best known artist - Carl  
 Mann - this retrospective has been made possible.

Higgins and his group the Mellotones cut around 100 slabs of mostly hot rockin' R&B for just about every LA R&B indie you could think of. This CD spotlights his work for Jake Porter's Combo Records and is full of the reckless, good-time rhythm & blues that everyone associates with that label's output.

Different Strokes - Cold Cold Night - A Satisfied Mind - Proud Woman - Sunny (Duet with Astrid North) - When Love Goes Wrong - We're Gonna Make It - Cold Cold Heart - Bound By Love - Willow Tree - Don't Tear Me Down - That's All I Wanna Know - Love Love Love □ (2003-05 'Tuition') (40:52/13) Sunny Jeder kennt 'Sunny', den riesigen Bobby-Hebb-Hit aus den Sechzigern. Und sonst wenig. Kaum zu glauben; doch dieses ist erst Hebb's drittes Album. Das bislang letzte erschien 1970(!). Für das neue in Düsseldorf entstandene Album hat er einige von ihm bereits früher eingespielte Songs neu aufgenommen. Das Repertoire reicht hierbei von zwei eigenen Nummern (natürlich auch 'Sunny') bis hin zu Covern von Syl Johnson (der Chicagoer Funk-Klassiker 'Different Strokes' über Little Milton ('We're Gonna Make It') zu James Carr, der den Titelsong schrieb. Dazu gibt es soulige Versionen von Hank Williams- und Charlie Rich-Songs. Dieses schöne soulige Album sollte Bobby Hebb helfen, Türen zu öffnen. Gelungen. Kommt mit schönem Digipak / One-hit-wonder Bobby Hebb returns with his first new album in thirtyfive years. Produced in Germany he has re-recorded a couple of his favorites, including — of course - 'Sunny', a Syl Johnson tune, a James Carr song, a re-working of Little Milton's 1965 debut single for Chess, a.m.o. Fine comeback album, easy grooving soul music that should open doors for him. Comes with beautiful digipak.

**ALLMAN BROTHERS BAND****HITTIN' THE NOTE**

□ (2002 'Sanctuary') (75:02/11) Vielleicht das beste

Album der Allman Brothers in annähernd dreißig Jahren. Ich find's nach wie vor komisch, die Bezeichnung 'Brothers' im Namen der Formation um Gregg A. zu belassen. Egal.

Musikalisch "back to the roots", zurück zu den Anfängen als bluesorientierte Southern Rockband, wobei Haynes und der junge Trucks Sehnsüchte nach Duane und Dickie wach werden lassen. Abgesehen von meinen nostalgischen Schwärmereien:

dies ist ein durchaus hörenswertes Album für alte und neue Freunde der Band / maybe this is their best album in thirty years.

Although I think it's weird keeping the term "brothers" in the band's name, I must admit that "Hittin' The Note" is a very good album.

Although playing these new recordings is bringing back memories of almost endless battles of the guitars between Duane and Dickie, Warren and Derek are doing their job well. A great release for old and new fans of the band. GREGG ALLMAN - org/pno/voc, WARREN HAYNES - gtr, DEREK TRUCKS - gtr,

OTTEIL BURBRIDGE - bass, BUTCH TRUCKS - drums, JAMMOE - drums.

 □ (2001/EUEL) 16 remastered tracks - extensive liner notes - only authorized collection approved by Archie Comics! In the late '60s producer and publisher Don Kirshner created this 'phantom combo' as part of the Archies Saturday morning cartoon. Each show featured one of their songs sandwiched in a skit. Archie Andrews played guitar and sang lead, Reggie Mantle (his friend and rival) played guitar, Jughead was the drummer with Veronica on organ and Betty on tambourine. Hidden behind those artificial 'toons were top New York session singers. Hit writers like Ellie Greenwich and Jeff Barry composed a string of hits for the band including the international smash 'Sugar, Sugar.'

This compilation features the best of Ritchie's 60s sessions, a 1983 radio interview in which he looks back over his early career, closing with a quartet of rarities from the notorious GREEN BULLFROG supersessions, from early 1970.

□ New York's own  
 Bruthers released but one  
 ultra-rare single for RCA  
 Victor in 1966, comprised  
 of the pulverizing  
 garage-stompers, "Bad  
 Way To Go" and its  
 flipside, "Bad Love." After  
 a chance meeting, we've  
 Sherlock'ed the entire  
 Brother-hood (real  
 siblings!), camped out in  
 their cellars, and have  
 spent the better part of a  
 year blowing the dust'n  
 must off of their  
 massively-cool tape  
 boxes./Die New York

 Jahre 1966 mit den Titeln "Bad Way To Go" und "Bad  
 Love". Zusätzlich gibt's aber noch eine Menge unveröffentlichten

 (2005/CASTLE) 44 tracks By far the best of the myriad of groups who feature in Deep Purple's pre-history, EPISODE SIX were operative between 1965-69 and recorded a mighty electric, versatile body of work. Covering all bases from close harmony Pop to Psychedelia, Freakbeat and beyond, they even cut one of the most frantic instros of the 60s in 'Mozart Vs The Rest'. And even if messrs Ian Gillan and Roger Glover had never gone on to join Purple, these releases would still be prized collectors' gems. This compilation includes all their A & B-sides, plus a bonus disc of rarities, demos and live recordings, a dozen of which have never previously been released.

This, its first-ever reissue, compiles the duo's 1966-68 sessions, including the country hit 'Hangin' On', rare folk-rock singles and some stunning outtakes, upon which the Gosdins' are backed by the Byrds, Clarence White and the Bakersfield International gang.

□ For almost three decades since his death, Gram Parsons has become Mr. Mystique. Little or no recorded conversations have been available with the man himself. Now for the first time, hear his story in his own words. Parsons speaks about his musical influences, his information of the eclectic International Submarine Band, his part in creating and encouraging the Byrds' "Sweetheart Of The Rodeo" album, his hopes and disappointments with the iconoclast Flying Burrito Brothers, his pangs for a solo

career, and his enduring musical vision. This 1972 taped interview with the late Chuck Casell on this 70+ minute, color picture disc CD is packaged with rare color photos. Please note that this compact disc contains NO music.

□ This is the original album digitally re-mastered and presented in both its UK and projected US (never came out) front cover artwork, in digipack format. As a bonus you get a second disc, a CD ROM containing a film documentary made about the group during 1967. From the time the group acquired two new members, began recording tracks for this album and the Here We Go Round The Mulberry Bush film soundtrack and were keeping up European tour dates. Thus you see/hear the group in the recording studio, on various concert stages, at press calls, in the PR office. All fascinating material and a unique opportunity for the collector to glimpse the day life of a top group in the '60s. The documentary lasts for approx. 40 minutes. Made in English with some German language voice over. The ROM has been produced using Quicktime so as to be universally compatible. It was originally broadcast in Europe in 1967 but has not been since, nor has it ever been commercially available before. (2002/RPM) 10 tracks & movie

□ (2004/PRESIDENT) 25 tracks - color booklet; Reversed by fans of 60s Harmony Pop, the Symbols have the distinction of being the first band signed to fledgling UK independent label President Records in 1966. Their debut release "See You In September" heralded a string of classy singles largely inspired by US vocal groups such as the Four Seasons and saw them tour Europe and the States extensively. In turn their version of 'Bye Bye Baby' laid the blueprint for 70s teenybop heartthobs the Bay City Rollers' No.1 smash. This collection marks the first-ever worldwide release of their entire President output together with previously unissued outtakes and hitherto unreleased demo recordings.

□ (2004/ACE) 26 tracks Hollywood maverick Gary 'Alley-Oop' Paxton tried his hand at all sorts of genres back in the early-mid 1960s, mastering all with consummate ease. His girl group recordings rank with some of his best, thanks to his tremendous stable of writers and some little heralded distaff talent. The sounds on 'Boy Trouble' were all made between 1963 and 1967 and leased to various labels or issued on Paxton-run imprints like Garpax and Star-Burst. However the bulk of these recordings are presented here for the first time from recently archived master tapes.

□ Ever had the urge to do the Duck, the Hanky Panky or even the Shag? Maybe the Watusi or the Stroll? Now's your chance, as Ace brings you 30 classic dances from the golden age of pop, from 1957 to 1966. A major feature is Bob & Earl's Harlem Shuffle. Previously only available as an appallingly murky, distorted version, Ace is proud to present it in its pristine, crystal-clear state for the first time anywhere. This track alone is worth the price of the CD. Featuring a stunning 16 page full color booklet!

□ (2003/ACE) 32 tracks 1960-69 'Impossible But True' celebrates the life and times, the triumphs and the heroic failures of rocks last true underground legend. A songwriter, producer, music publisher, talent scout, scene-maker extraordinaire and occasional recording artist, Fowley has seen it all from 50s rock 'n' roll to psychedelia, through to punk and metal in over forty years of recording activity. The astonishing tales behind his first-hand experiences are all contained in the accompanying action-packed mega-booklet. This is the soundtrack to those first ten years. It's Mondo magic!

**DEVIL'S RUMBLE - ANTHOLOGY 1965-68 2-CD** CD SC 11138 € 30.68

□ (2004/SUNDAZED) 40 tracks; Davie Allan & The Arrows recorded the most frenzied instrumentals the world has ever heard! Allan's fuzzed-out guitar was an audio compass pointing towards freedom, sex, danger and violence, his trashy fretboard riffs exploding behind flickering celluloid images of cycle runs, biker fights, drug freakouts and rubber-burnin' hot rods. Through exclusive arrangement with Curb Records, Sundazed is thrilled to present this 40-track, 2-CD anthology, rounding up the best of the Arrows' '60s recordings: the 45s, sizzling album cuts, mindcolor 16-pg. booklet with band history, interviews with Davie, producer Mike Curb, the Arrows, plus unseen photos, original album graphics & more!

□ (2006/SUNDAZED) 12 tracks First playing guitar on Sandy Nelson's TEEN BEAT, then as a session man for many Gary Usher-produced surf sides, Richie Allen would cut two stellar albums of pier-shooting, California magic of his own for imperial Records. Whether engineering or producing rock legends ranging from Iron Butterfly to the Electric Prunes, Allen (under his real name of Richie Podolor) would strongly make his mark on the recording industry. 1963's RISING SURF, the first of his solo LPs, is a pounding slice of raw surf music, the way it was intended to be: foam-flecked but dangerous!

**X SURFER'S SLIDE**

□ (2006/SUNDAZED) 12 tracks Whether going by the alias Richie Allen or his real name Richie Podolor, this fiery young

guitarist/engineer/producer would leave an indelible mark on the recording industry. Allen would soon engineer or produce rock legends like Steppenwolf and Three Dog Night, but California never sounded more enticing than on SURFER'S SLIDE, the

second of his Imperial Records LPs from 1963. Wild and raw, the way surf music was meant to sound, it corals all the big Los Angeles session names for a curl-shooting romp of pure, unadulterated west coast magic!

□ Es gibt keine Erklärung dafür, warum eine der besten Surf Bands überhaupt ausgerechnet aus dem relativ meeresarmen Staat Colorado kam - das aber ist Tatsache. Ungeheuer beliebt in ihrem Heimatstaat waren die Astronauts nicht nur eine riesige Surf Band (ihr Hit Baja, der hier enthalten ist, ist eines der besten Gitarren-Instrumentals aller Zeiten) sondern auch eine Pionier Band. RCA muß sich wohl was von ihnen versprochen haben - man veröffentlichte nicht weniger als sieben Alben der scheinbar aussehenden Band, alles aufgrund einer einzigen Single, die nicht höher als # 94 in den nationalen Pop Charts kletterte. Diese 3 CD's sammeln ihre vier (und besten) RCA Alben sowie eine Reihe unveröffentlichter Stücke und seltene Singles - um ein umfassendes Bild einer ungewöhnlichen, hart rockenden Band zu zeichnen. 'Surfin' With' (ihre erste und auf ihre Art klassische) und 'Competition Coupe' waren ihre beiden wirklich starken Studio Alben und enthalten Schmuckstücke wie Baja, Kuk (eine Art Wörterbuch an Surfer Begriffen für das typische 'ho-dad'), Misirlou, Movin', Competition Coupe. 'Everything...' und 'Astronauts Orbit Campus' sind Live Alben, die Boys sind in einer Bier-geschwängerten Nightclub Session, bei der sie Favoriten wie Wine Wine Wine, Bo Diddley, Shortnin' Bread sowie eine rassige Version des Kingston Trio Hits Greenback Dollar rauschauen. Aber das Sahnehäubchen für Sammler ist die erstklassige 'Rarities' Ausgabe, die ihren ersten Hit für Palladium enthält (Come Along Baby b/w Trying To Get To You) und ihre vielen lokalen Hits, die nicht den Weg auf eines der RCA Alben fanden: Hot Doggin', Surf Party, Ride The Wild Surf, Go Fight For Her, Swim Little Mermaid, The La La Song, Tomorrow's Gonna Be Another Day. Für sich bieten diese drei CDs wirklich das Allerbeste der Band der ersten Stunden mit mehr als 30 Seiten ungewöhnlicher und zuvor nicht gesehener Farbphotos.

There's just no reasonable explanation why one of the greatest surf bands ever came from, of all places, the relatively sea-less state of Colorado - but that's a fact. Extraordinarily popular in their home state, the Astronauts were not only a terrific surf band (their big hit Baja, included here, is one of the finest guitar instrumentals of all time) but a pioneer bar band as well. RCA must have thought well of them - they released no fewer than seven albums by these semi-geeky looking guys, all on the strength of one single that got no higher than #94 on the national pop charts. These three CDs gather up their first four (and finest) RCA albums, along with a number of unreleased sides and rare singles-only recordings for a complete picture of an unusual, hard-rockin' band. 'Surfin' With' (their first, and a classic in its own right) and 'Competition Coupe' were their two really strong studio albums, and feature gems like Baja, Kuk (a practical dictionary of surfin' terms for the typical 'ho-dad'), Misirlou, Movin' and Competition Coupe. 'Everything...' and 'Astronauts Orbit Campus' are both live albums, and feature the boys in a beer-drenched nightclub session pounding out favorites like Wine, Wine, Wine, Bo Diddley, Shortnin' Bread and a fine

version of the Kingston Trio's Greenback Dollar. But the real coup-de-grace as far as collectors are concerned is the superb 'Rarities' volume, which includes their first single for Palladium (Come Along Baby b/w Tryin' To Get To You) and their many local hits that failed to make any of the RCA albums: Hot Doggin', Surf Party, Ride The Wild Surf, Go Fight For Her, Swim Little Mermaid, The La La Song and Tomorrow's Gonna Be Another Day. Between them, these three CDs truly offer the very best of this seminal band along with more than 30 pages of stunning, previously unseen color photos.

all on its own, spotlighting the final meeting of the wit and studio savvy of Los Angeles' chart-topping dynamic duo, Jan Berry and Dean Torrence, with the teen-pulse-taking pop smarts of one of Tinseltown's most successful songwriting tandems, Phil Sloan and Steve Barri.

□ (2006/SUNDAZED) 11 tracks Whether penning Beach Boys songs with Brian Wilson, producing classic albums by the Byrds or recording with Sagittarius, Gary Usher was never more part of the sunny California sound than when he cut the three top-speed Super Stocks LPs for Capitol Records in 1964. With Usher singing lead, THUNDER ROAD, the

first full album by this studio-only outfit of seasoned L.A. session pros, is a nitro-burning gem from early '64 that helped put super-charged, wide-track muscle cars right in the middle of the daydream of every American teenager!

From the summer of '64, SURF ROUTE 101 finds these seasoned Los Angeles session men taking a hard left turn towards the beach to frug and monkey on the golden west coast sands while blasting out magical, Beach Boys-style surfing vocals for a bevy of bikini-clad young girls!

nobody's business. Once again, the third full LP from this fabled west coast aggregation was full of tire-squealing, super-charged muscle cars, deeply-bronzed surfers heroically riding 30-footers and a sun-drenched platoon of bikini-clad young girls doing the watusi and frug till the sun went down!

mostly written by George Tomsco, which were performed by the

Fireballs. 12 of the tracks are previously unreleased and have

□ POLYDOR - ein Name ist Legende. Seit den 'Golden Zwanzigern' drehen sich Schellacks, später Vinyl und Compact Discs unter dieser Weltmarke, anfangs mit verschiedenfarbigen Labels, seit Beginn der 50er Jahre mit dem unverwechselbaren Orange-Label und den kleinen Sternchen oder mit dem seit 1963 eingeführten Polydor-Rot. Acht Jahrzehnte im Dienst der Musik. Das Hamburger Qualitätslabel mit Kreativ-Garantie hat dabei alle Moden und Strömungen, alle Trends und Stilrichtungen bedient: von Vorkriegs-Gassenhauern über den Sound der grossen Tanzorchester bis zum deutschen Schlager, den Polydor-Produkte entscheidend geprägt haben; von Rock 'n' Roll und Beat über die Songs der Liedermacher bis hin zum aktuellen Pop-Spektrum mit all seinen vielfältigen inhaltlichen Nuancen - alles hat seinen Platz gefunden. Unzählige Hits wurden im Laufe der Dekaden veröffentlicht. Superstars in spe machten auf Polydor ihre ersten musikalischen Gehversuche, viele Interpreten blieben Eintagsflieger, wieder andere sorgten lange Jahre für grundsätzliche Beispiele ihres Könnens - und präsentieren es oft noch heute. Polydor, der Name steht für nationale Grössen wie Peter Kraus, Freddy Quinn und Peter Alexander, er steht genauso für ein internationales Künstler-Aufgebot mit Abba, Batales, Bee Gees, Caterina Valente und zahlreichen anderen. Dementsprechend gross ist die inhaltliche Bandbreite auf dieser ebenso attraktiven wie spektakulären 8-CD-Box plus 1 DVD: mit Chart-Erfolgen und Kuriositäten, mit gesuchten Raritäten und Melodien, die auch diverse Jahre nach ihrer Erstveröffentlichung für den guten Ton sorgen - für eine SINFONIE DER STERNE. ## WAR OF THE WORLDS - RADIO

BROADCAST CD COL 8544 € 7.90  
 □ (2005/COL) 60 minutes 1938 - Original Radio Hörspiel das  
 Amerika in Panik versetzte und Orson Welles berühmt machte.  
 digitally restored and remastered On October 30th, 1938,  
 America was gripped with terror as regular radio programming  
 was seemingly interrupted by reports of a Martian invasion in the  
 wilds of New Jersey. Total alien conquest seems a certainty, as  
 one terrorized radio reporter risks his life to broadcast eyewitness  
 accounts of the mind-numbing horror to a world that may  
 already be beyond hope. In 1938, radio was still a relatively new  
 medium and American listeners were definitely not as  
 media-savvy as they are today. So when Orson Welles  
 deliberately blurred the lines between reality and fantasy with his  
 daring radio adaptation of H.G. Wells classic science fiction  
 novel, it wasn't too surprising that a real space invasion panic

ensued. This historic broadcast made the 23 year-old Welles an  
 overnight national celebrity and showed the world how powerful  
 a force radio could be. Listen to the original uncut one hour  
 broadcast and relive the night America fled in terror from an

all-out 'invasion' from space.

 □ Der in Kuba geborene Bandleader Perez Prado wurde der  
 'Mambo King' der 50er, am bekanntesten für sein  
 Markenzeichen 'Unh!'. Aber Prado hatte mehr zu bieten als  
 grunzenden Gesang. Als charismatischer Bandleader war er ein  
 Pionier des Latin Jazz (Mambo A La Kenton ist ein gutes Beispiel),  
 dem es gelang, 'heiße' Musik zu machen, die unterhaltsam und  
 beliebt war (siehe Hit Version von Cherry Pink And Apple Blossom  
 White). Diese RCA Aufnahmen von 1953-56, in Mexico City,  
 Hollywood und New York City aufgenommen, fassen zwei  
 erfolgreiche Prado Alben der Fünfziger zusammen: 'Mambo  
 Mania' und 'Havana 3 a.m.', mit solchen Prado Klassikern wie  
 Ballin' The Jack, Tomcat Mambo, Marilyn Monroe Mambo,  
 Mambo A La Billy May, Besame Mucho, Freeway Mambo, The  
 Peanut Vendor, Baia. Cuban-born bandleader Perez Prado  
 became the 'Mambo King' of the 1950s, best remembered for  
 his trademark 'Unh!' But there was more to Prado than vocal  
 grunts. A charismatic bandleader, he was among the pioneers of  
 Latin jazz (Mambo A La Kenton is a prime example) who  
 managed to make 'hot' music that was both adventuresome and  
 popular (hence his hit version of Cherry Pink And Apple Blossom  
 White). These 1953-56 RCA recordings, made in Mexico City,  
 Hollywood and New York City, combine two popular Prado

albums of the Fifties, 'Mambo Mania' and 'Havana 3 a.m.,' and  
 include such Prado classics as Ballin' The Jack, Tomcat Mambo,  
 Marilyn Monroe Mambo, Mambo A La Billy May, Besame  
 Mucho, Freeway Mambo, The Peanut Vendor and Baia.

□ Geschichten erzählen war immer Gunter Gabriels Sache, ob es sich um seinen Boss handelt, von dem er mehr Geld wollte, oder ob er von Willy Klein, dem Fernsehmann erzählte. Hier liegt nun die Wiederveröffentlichung seiner Kult LP 'Rastlose Cowboys und Ehrbare Mädchen' mit vielen 3-Minuten Romanen vor, die wir mit durch bisher unveröffentlichte Titel wie: 'Ich lieb Bier' (Tom T. Hall: 'I Like Beer'), 'Jackson' (Johnny Cash & June Carter), 'Einsamer Weintrinker' (Robert Mitchum: 'Little Ole Winedrinker Me'), 'Das grüne Gras zu Haus' (Porter Wagoner: 'The Green, Green Grass Of Home') und 'Muss I denn' ergänzt haben. Als Gast ist auch Boxcar Willie zu hören.

**□ POLYDOR - ein Name ist Legende. Seit den 'Golden  
Zwanzigern' drehen sich Schellacks, später Vinyl und Compact  
Discs unter dieser Weltmarke, anfangs mit verschiedenfarbigen  
Labels, seit Beginn der 50er Jahre mit dem unverwechselbaren  
Orange-Label und den kleinen Sternchen oder mit dem seit  
1963 eingeführten Polydor-Rot. Acht Jahrzehnte im Dienst der  
Musik. Das Hamburger Qualitätslabel mit Kreativ-Garantie hat  
dabei alle Moden und Strömungen, alle Trends und  
Stilrichtungen bedient: von Vorkriegs-Gassenhauern über den  
Sound der grossen Tanzorchester bis zum deutschen Schlager,  
den Polydor-Produkte entscheidend geprägt haben; von Rock 'n'  
Roll und Beat über die Songs der Liedemacher bis hin zum  
aktuellen Pop-Spektrum mit all seinen vielfältigen inhaltlichen  
Nuancen - alles hat seinen Platz gefunden. Unzählige Hits  
wurden im Laufe der Dekaden veröffentlicht. Superstars in spe  
machten auf Polydor ihre ersten musikalischen Gehversuche,  
viele Interpreten blieben Eintagsfliegen, wieder andere sorgten**

lange Jahre für grundsollide Beispiele ihres Könnens - und präsentieren es oft noch heute. Polydor, der Name steht für nationale Größen wie Peter Kraus, Freddy Quinn und Peter Alexander, er steht genauso für ein internationales Künstler-Aufgebot mit Abba, Betales, Bee Gees, Caterina Valente und zahlreichen anderen. Dementsprechend gross ist die inhaltliche Bandbreite auf dieser ebenso attraktiven wie spektakulären 8-CD-Box plus 1 DVD: mit Chart-Erfolgen und und Kuriositäten, mit gesuchten Raritäten und Melodien, die auch diverse Jahre nach ihrer Erstveröffentlichung für den guten Ton sorgen - für eine SINFONIE DER STERNE. **BEATLES & OTHERS****DAMALS IN HAMBURG 1967**

DVD 011967 € 14.95

□ Thomas Struck über seinen Film: 1966 war ich 23 Jahre jung und Reporter beim NDR in Hamburg. Ich wollte einen Film über

das Phänomen BEATLEMANIA, dem auch ich erlegen war, machen. Die Musikredaktion des NDR Fernsehen lehnte mein Projekt ab. Begründung: 'Das ist was für Halbstarke, musikalisch ohne Niveau und nur eine verübergewende Masche'.

Glücklicherweise bekam ich dann von Hessischen Rundfunk, durch dessen Redaktion Dünste der 'Frankfurter Schule' wehten, den Auftrag für eine Dokumentation - allerdings mit der Auflage, den soziologischen Aspekt der Beat-Bewegung herauszustellen. So entstand dieser Film mit kommentarlichen Peinlichkeiten, mit Erinnerungen an St.Pauli, der STAR-CLUB und da TOP.TEN, mit Interviews mit Manfred Weisleder, Peter Eckhorn und Freunden der Beatles aus der Hamburger Zeit.

**BEATLES IN HAMBURG 1966 - POLIZEIFILM**

DVD 262766 € 14.95

□ Jahrzehntlang lag dieser Film verborgen in den Archiven der Hamburger Polizei, der 1966 vom Kommando der Schutzpolizei als Lehrfilm hergestellt wurde. Die Dokumentation des gesamten Einsatzes der Polizei, des 'Drumherum' der Konzerte und der kurzen Ausschnitte der Auftritte machen die damalige 'Beatlemania' wieder lebendig. Bilder der noch schlafenden Hansstadt werden schnell abgelöst von Szenen rund um die beiden Auftritte des 26. und 27. Juni 1966, zu deren Besuchern seinerzeit auch Helmut Schmidt und Ehefrau Loli gehörten. Hunderte kreischender Teenis waren trotz Rockerrundale fasziniert von der ersten Boygroup der Musikgeschichte. Die einzige Tournee der Beatles durch Westdeutschland, organisiert von der Musikzeitschrift BRAVO, wurde zum Meilenstein einer einzigartigen Karriere.

**ROCKIN' RAMONA - A FILM ABOUT INDO-ROCK (0)** DVD C 1945 € 21.90  
 □ (2004/RARITY) PAL 4:3, English subtitled, 106 minutes; Indo Rock Dokumentation mit holländischem Ton und englischen Untertiteln - Bonus Clips von Tielman Bros (1961 TV), Crazy Rockers (1963 TV) und Danny Everett (3 clips von 1997) Durch eine Mischung von Affinität mit schwarzer, amerikanischer Gitarren orientierter Musik, Frustrationen durch Kultur-Clash und der sensiblen östlichen Touch entwickelte sich ein ultimer Sound, der sich innerhalb weniger Jahre zum besten entwickelte, das Europa auf Musikebene zu bieten hat. Indorockbands ruderten gegen den Strom der üblichen Normen, sie tanzten, flirteten und spielten hart, schnell und rau, und das alles mit viel Gefühl! In Deutschland waren die Tielman Bros, Javalins, Crazy Rockers und Black Dynamites mit ihrem Gefühl für die Show die Vorbilder der Beatles und Jimi Hendrix. Aber wo blieb die Anerkennung ihrer Leistung? Die Antwort findet man auf dieser DVD! Die Dokumentation "Rockin' Ramona" mit historischer Übersicht, Rückblicken und nie zuvor erschienenem Archivmaterial, die den wahren Indosound aufleben lassen. Ausserdem 8 extra Clips mit sehr aussergewöhnlichem Bildmaterial der Tielman Bros, The Crazy Rockers und Danny Everett. BEST OF - WHAT IT IS, Y'ALL 2-LP BGP2 146 € 21.90

☐ Although legendary now, it's important to remember that Señor Soul were extremely popular in their native Los Angeles back in 1968 and 1969, packing the clubs and even managing a Hot 100 entry with their debut single, an infectious vibes and flute-filled take of Miriam Makeba's "Pata Pata". This 20-track compilation assembles the Señor's heaviest, most dancefloor

friendly LP cuts, adding the two 1970 single sides ("Don't Lay Your Funky Trip On Me" and "I Ain't Got No Soul Today") that feature the first recorded appearance of the line-up that would vault, one of which, "The Sneak", is as groovy as anything Señor Soul ever released.

□ (BREAK-A-WAY) comes with 2 page insert, complete history and rare pics; This Troup were a local garage band from smalltown Indiana that existed from 1966 until '68. They released a scant of two 45's, and are mainly appreciated for their boss teen-punker I'm Going Away. Although both singles were released in early 1968, they echo back to the pure garage sound of the mid 60's. The group disbanded soon after the records came out and both 45's are sought after among garage collectors.

**VAMPIRES**  
**A SHOT OF RHYTHM & SOUL - 10"LP** BREAK 003 € 11.90  
 □ (BREAK-A-WAY) 4 prev. unreleased 1967 recordings from the master tapes by german 60's band; spanish only LP got lately released on Wah Wah Records. Overall, these four previously unreleased numbers recorded in Madrid's CLIMA studios in 1967, adopt a low-down gutsy blues-soul approach, much closer to Stax than the putown pop sophistication of Motown. -Paul Martin review for 'Shindig E-Zine Group-
