POP and JAZZ ARTISTS PROMO 45'S PART - 1

MINIMUM BID = \$ 5.00

All of the following 45's are promo copies and in VG++ to MINT- condition (unless noted).

Some of these 45's have writing on the label. Due to limited space, this may not always be indicated. The majority of these records also have a small 1" X 1/2" sticker on each side which indicates whether publisher is ASCAP or BMI. Most stickers can be removed if one is patient and careful. Some, however, may leave a small spot or grease mark.

In some cases, a sticker may appear which in-

dicates who is promoting the record. EXAMPLE:
"THANKS" HERB EISEMAN FRANK MUSIC
CORP. HO. 7-4000.

Many of these records were songs used in a motion picture or Broadway play. For specific info regarding a record, please email with the title & page # (3 digit number at top of page).

The following abbreviations will be used in the last column of listing to indicate the color of the record label :

B = BLUE G = GREEN K = GOLD
L = BLACK N = BROWN O = ORANGE
P = PINK Q = PURPLE R = RED
W = WHITE Y = YELLOW

POP and JAZZ ARTISTS PROMO 45'S PART - 2

MINIMUM BID = \$ 5.00

All of the following 45's are promo copies and in VG++ to MINT- condition (unless noted).

Some of these 45's have writing on the label. Due to limited space, this may not always be indicated. The majority of these records also have a small 1" X 1/2" sticker on each side which indicates whether publisher is ASCAP or BMI. Most stickers can be removed if one is patient and careful. Some, however, may leave a small spot or grease mark.

In some cases, a sticker may appear which indicates who is promoting the record. EXAMPLE:
"THANKS" HERB EISEMAN FRANK MUSIC
CORP. HO. 7-4000.

Many of these records were songs used in a motion picture or Broadway play. For specific info regarding a record, please email with the title & page # (3 digit number at top of page).

The following abbreviations will be used in the last column of listing to indicate the color of the record label :

B = BLUE G = GREEN K = GOLD
L = BLACK N = BROWN O = ORANGE
P = PINK Q = PURPLE R = RED
W = WHITE Y = YELLOW
