She is the first artist to simultaneously take a debut album and single to No. 1 on the Billboard 200 and this chart since Leona Lewis led the lists with "Spirit" and "Bleeding Love," respectively, in the April 26, 2008, issue.

Song moves 2-1 on the Rhythmic chart, becoming the first No. 1 for the venerable Reprise label in that list's 17-year history.

Track is singer's 13th top 10, tying her with Beyonce for most top 10s by a female on the Hot 100 since 2000.

A 7,000-download improvement is all it takes to earn the Digital Gainer award in another soft post-holiday sales week. Title's ranking is the best showing yet for the young singer.

This is the fifth track from Timbaland's "Shock Value II" album to grace the list since November. Of the prior entries, only "Carry Out" remains, rebounding 61-41.

Youthful Christmas week shopping exuberance returns the song to the top 10 for the first time in six weeks. Title shifts 285,000 downloads, up 362%.

7 & 10
Singer becomes the first male artist since Chingy (with "Right Thurr" and "Holiday Inn") in November 2003 to simultaneously appear in the Hot 100's top 10 with his first two charting singles.

Teen is the recipient of much holiday love as download gains send both tracks surging exactly 30 spots on the chart. The highest of the pair boasts its best peak position yet, surpassing a No. 20 rank achieved in November.

19
Seventy-eight percent of the song's 7 million audience impressions gain comes from AC stations, many of which transition to normal programming following extended runs playing Christmas music.

Disney Channel star and her accompanying band enjoy a 398% holiday download spike for this track (to 107,000) and a 598% increase for their song that re-enters at No. 92.

KE\$HA CAPTURES SALES RECORD

The annual holiday-week digital sales surge is a record-setting frame for Ke\$ha, who moves 610,000 downloads of "TiK ToK" to set the mark for best weekly sales total by a female artist. "ToK," which holds at No. 1 on the Billboard Hot 100 for a second week, surpasses the prior high set by Lady Gaga a year ago this week with "Just Dance" (419,000). Since Nielsen SoundScan began tracking digital downloads in 2003, only Flo Rida's "Right Round" (636,000), in the Feb. 28, 2009, issue, has sold more in one week than "Tok." Coincidentally, Ke\$ha can be heard on "Round" as she provided noncredited vocals on the track.

Track holds at No. 1 for a fifth week while moving atop Hot 100 Airplay (2-1) with 119.7 million listener impressions.

Rapper ties Jay-Z for most Hot 100 top 10s since 2000 with his 14th appearance in the upper tier, half of which have come as a featured vocalist.

While title track from the trio's upcoming sophomore album re-bullets at No. 17 due to increased pop radio play, a fourth album cut enters at No. 72. iTunes continues its countdown to the Jan. 26 release with yet one more release, "Our Kind of Love," which should debut next issue.

Crooner captures his first top 40 Hot 100 hit. His prior best showing was with "Everything" (No. 46) in April 2007.

Venerable act scores its best Hot 100 debut with its first charting track since 2001's "By Your Side." In anticipation of the group's upcoming new studio album, "The Best of Sade" has its best sales week since 2005 (8,000), re-entering the Billboard 200 at No. 56 thanks to a recent iTunes promotion.

BETWEEN THE BULLETS

TRAIN SPEEDS INTO HOT 100 TOP 10

Train revisits the Billboard Hot 100 top 10 for a second time (and first in more than eight years) as "Hey, Soul Sister" soars 23-7 in its 16th chart week. The act last reached the upper tier with its second charting single, "Drops of Jupiter (Tell Me)," which peaked at No. 5 in June 2001. "Sister" sells 172,000 downloads (up 81%) with increased radio play the main driver. The track improves by 10% on Hot 100 Airplay (66-59) and bullets on Adult Top 40 (4-4) and Adult Contemporary (28-27). On the Billboard 200, album "Save Me, San Francisco" posts its best rank (114-74) since its second week on the chart in November.

THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for rank, title, artist, and album. Includes entries like 'Tik Tok' by Ke\$ha, 'Bad Romance' by Lady Gaga, and 'Drop the World' by Lil Wayne.

Track is the only top 10 entry that hasn't peaked at either No. 1 or No. 2.

The act's former chart-topper returns to the top 10 for the first time in nine weeks as its latest single makes the chart's biggest jump (66-46).

Featured prominently in iTunes' 2009 Rewind promotion, track is one of only seven titles on Hot Digital Songs to show a sales increase (up 11%) this post-holiday week.

Song is one of many country titles to spurt up the chart (or re-enter) as radio programming in that format returned to normal in the post-Christmas week.

Song holds at No. 1 on the Alternative chart for a 16th week, becoming one of just five songs to reign for such a length in the chart's 21-year history.

Continuation of the Billboard Hot 100 chart table, including entries like 'Life After You' by Daughtry, 'Spotlight' by Gucci Mane, and 'Drop the World' by Lil Wayne.

BETWEEN THE BULLETS 'REBIRTH' DELIVERS SOLE DEBUT

Lil Wayne has the Billboard Hot 100's only debut as "Drop the World," featuring Eminem, opens at No. 18, selling 162,000 downloads. The song is Wayne's third track from his often-delayed "Rebirth" album to reach the Hot 100 following "Prom Queen" (No. 15 peak, February 2009) and "On Fire" (No. 62, December 2009). Another track that was rumored to be part of the album, "Hot Revolver," peaked at No. 33 in April, but seemingly hasn't made the "Rebirth" cut, based on the track listing shipped prematurely by Amazon last month. The download sum for "Drop" is the highest of any Wayne-fronted song since "Lollipop" shifted 194,000 in June 2008. —Silvio Pietrolungo

The album notches its third straight weekly gain, in part owed to its song "Sweet Disposition" being used in a Rhapsody TV commercial.

The Christian artist makes a rare double debut on the tally with a live set at No. 10 and a new studio effort at No. 27.

2 A bump in download sales (259,000, up 24%) gives the singer her third chart-topper on Hot Digital Songs, while an 11-7 bounce on Hot 100 Airplay (84.3 million, up 30%) ups her top 10 tally on that list to five.

9 As radio play keeps rising (18-12 on Hot 100 Airplay, up 20%), downloads increase for the first time since the track debuted three weeks ago (97,000, up 11%), returning the song to the Hot 100 top 10.

22 Rapper takes Hot Shot Debut as the preview single from his upcoming second set, "Man on the Moon II: The Legend of Mr. Rager," shifts 99,000 downloads.

33 While the band makes its first foray into the top 40 of this list, it moves into the runner-up slot on Alternative Songs.

41 Rap quartet from Los Angeles, which will open for Mike Posner on his upcoming tour, makes the second-largest jump on the chart. Airplay nearly doubles to 13.3 million impressions, helping the song rise 41-26 on Digital Songs (48,000, up 47%).

BETWEEN THE BULLETS

USHER MOVES FORTH WITH 'TOTTIE'

Usher claims four of the top 40 slots on the Billboard Hot 100—the first time he has done so as the lead artist on each track—as “Hot Tottie” soars 88-25. The release of his new EP, “Versus,” helps stimulate sales of the song with 52,000 first-week downloads, sending it into the region alongside his tracks at Nos. 5, 23) and 40. In addition, Justin Bieber’s “Somebody to Love,” on which Usher is featured, lifts 97-71 in its 16th week on the chart with a 60% digital gain (31,000) thanks to the song’s inclusion on “Versus” and the deluxe edition of “Raymond & Raymond,” also new to retail this past week.

PROGRESS REPORT

The JaneDear Girls, "Wildflower"
The duo's first single rises 30-28 on Billboard's Hot Country Songs chart in its 26th week on the list, a new high. The pair's Danelle Levrett and Susie Brown found their way to Reprise Records thanks to Big & Rich's John Rich, who describes them as "girls next door that kick country ass."

6 Singer's latest track is the third pre-release single from her "Speak Now" album, out Oct. 25, and becomes her third chart-topper on Hot Digital Songs (242,000), all logged this year. Final preview track "Mean" will impact next week's chart.

7 Song jumps 3-1 on Adult Top 40, her third leader on that list, which ties her with Pink for most No. 1s among women in the chart's 14-year history.

Increased pop airplay (23-18 on Mainstream Top 40), along with an iTunes video premiere for the track, sends title up the chart and forward 63-41 on Hot Digital Songs (\$8,000, up 53%). His debut album also re-enters the Billboard 200 at No. 168 (\$3,000, up 34%).

L.A. singer reaches the top 10 of Hot R&B/Hip-Hop Songs with debut single while moving to the No. 1 slot on Heatseekers Songs.

Rapper scoots 30 spots with track that posts the largest audience gain on Hot Rap Songs (11-8, up 37%). Increased airplay sparks a 64% hike in download sales to 13,000.

BETWEEN THE BULLETS
SWIFT SETS TOP 10 DEBUT RECORD

Taylor Swift sets the mark for most top 10 debuts in the history of the Billboard Hot 100 as "Speak Now" (No. 8) becomes her sixth title to enter the chart's top tier. The title track from her third studio set shifts 217,000, according to Nielsen SoundScan, to open at No. 2 on Hot Digital Songs, down from the 325,000 moved for leadoff single "Mine" in August. The digital countdown to "Speak Now," due Oct. 25, will result in two more tracks impacting the chart in the next two weeks, with "Back to December" on deck. Swift sets the top 10 debut record by surpassing the five top 10 entries earned by Mariah Carey from 1995 to 1998.

Song also moves 4-1 on Hot Digital Songs (232,000, up 32%) to become the third chart-topper from her "Teenage Dream" album to lead that sales list following "California Gurls" and the title cut.

3 Though song loses its No. 1 ranking on this chart, it heads to the top of Hot 100 Airplay (2-1), moving Rihanna into third place among all artists for most No. 1s, with six, in that chart's 20-year history. Only Mariah Carey (11) and Usher (7) have had more.

4 & 10 Bruno Mars places two titles in top 10 as his new song at No. 10 shifts 164,000 (up 64%), while his former No. 1 rebounds to No. 4 with a digital spike (126,000, up 43%) after being covered by the "Glee" cast on the show's Nov. 23 episode. The "Glee" version debuts at No. 40 and sells 70,000 downloads.

9 Lead single from "The Beginning," which will impact the Billboard 200's top 10 next issue, becomes the act's seventh straight to reach the Hot 100 top 10.

18 Singer posts his highest Hot 100 debut with track that sports an un-Enrique-like explicit version that accounts for 65% of its overall 97,000 sales.

 Though the act broke up in 2009, disbanded groups can still chart. There's always the chance an act could re-form.

 This year's "America's Got Talent" winner performed during the Macy's Thanksgiving Day Parade broadcast, a likely aid to the set's 212% increase.

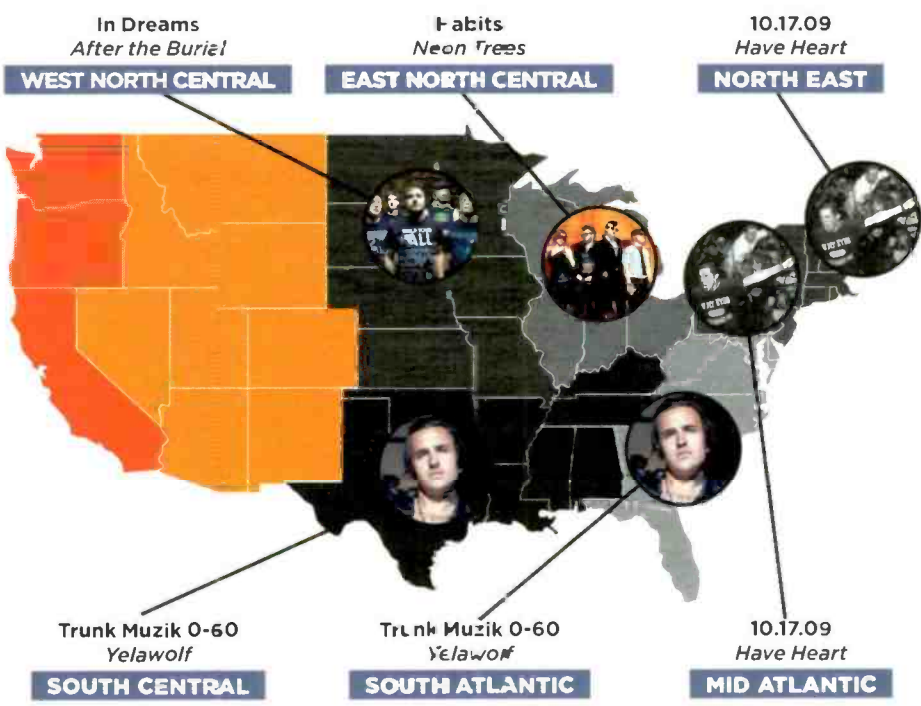

The album re-enters (up 206%) following its physical release on Nov. 22. It previously spent a week on the chart after a digital version bowed Oct. 26.

The song, which recently topped out at No. 17, is lifted into the top 10 on the wings of the "Glee" cast's cover two spots below. The original recording (including its blue versions) moves 191,000 (up 94%), a week after its previous best sale frame (98,000, according to Nielsen SoundScan).

After topping Hot Digital Songs for the first time last week with its cover of "Teenage Dream," the ensemble, led by guest Gwyneth Paltrow, quickly goes back to back as its take on Cee Lo's current top 10 hit shifts 192,000.

Song improves by more than 50% in both sales (up 58% to 100,000) and audience (up 51% to 37.1 million impressions), rising 27-10 on Hot Digital Songs and 44-28 on Hot 100 Airplay.

Pop legend returns to the Hot 100 for a 48th time with track that sells 19,000 in less than three days of availability. Song rejoins him with Akon, who appeared on Jackson's last charting effort, "Wanna Be Startin' Somethin'" 2008, which peaked at No. 81 in February of that year.

BETWEEN THE BULLETS 'WORLD' RETURNS RIHANNA TO NO. 1

Two weeks after Rihanna topped the Billboard Hot 100 with "What's My Name?" (featuring Drake), she returns to the top spot, this time with "Only Girl (In the World)," the first single from her "Loud" album, which debuts on the Billboard 200 this week. It's the first time in Hot 100 history that the lead single from an album has followed a subsequent single to No. 1. "Only Girl" is Rihanna's fourth title to ascend to No. 1 in 2010, making her the first female to hit the top that many times in a calendar year and only the fourth artist overall to do so following Usher (four in 2004), the Jackson 5 (four in 1975) and the Beatles (six in 1964 and four in 1965). —Silvio Pietrolungo

THE BILLBOARD HOT 100

Main chart table with columns: THIS WEEK, LAST WEEK, 2 WEEKS AGO, WEEKS ON CHART, TITLE, PRODUCER (SONGWRITER), Artist, IMPRINT / PROMOTION LABEL, CERT., PEAK POSITION. Includes entries like 'LIKE A G6', 'ONLY GIRL (IN THE WORLD)', 'JUST THE WAY YOU ARE'.

Following a two-week breather, the song returns to the top slot. It's the first track to bounce back to No. 1 after multiple weeks away since T.I.'s "Live Your Life" took a three-week hiatus in October and November 2008.

While Rihanna gets tantalizingly close to successive No. 1s, last week's chart-topper posts a not-unexpected second-week download decline (152,000, down 35%), sending it tumbling even though it posts the chart's largest audience gain (up 26%).

The act scores its second-best Hot 100 debut with preview single from "The Beginning," due Nov. 30. Only "I Gotta Feeling" (No. 2, June 2009) had a better start. New track shifts 170,000 downloads and opens at No. 3 on Hot Digital Songs.

The title, along with tracks at Nos. 20, 56, 70 and 74, show digital gains ranging from 39% to 355% following five performances on ABC's Country Music Assn. Awards.

Former No. 1 Hot Dance Airplay hits by Yolanda Be Cool and Edward Maya (pictured) provide first simultaneous top 40 hits in the label's history.

BETWEEN THE BULLETS 'DREAM' WEEK FOR 'GLEE' CAST. The "Glee" cast scores its first No. 1 on Hot Digital Songs as its cover of Katy Perry's "Teenage Dream," with lead vocals by newly signed cast member Darren Criss, opens with 214,000 downloads, according to Nielsen SoundScan. The sum marks the ensemble's biggest sales week, surpassing the 177,000 shifted by its first single, "Don't Stop Believin'," in the June 6, 2009, issue (No. 2 on Digital Songs). At No. 8, "Teenage" is the cast's second Hot 100 top 10, falling short of the No. 4 peak of "Believin'." —Silvio Pietrolongo

The singer collects her third top 10 from "Teenage Dream," bursting 33-6 on Hot Digital Songs (145,000, 218%) and blasting 39-27 on Hot 100 Airplay (37.8 million in audience, up 30%).

Up 12-10 on Hot 100 Airplay, the track is the first former Alternative leader to crack the top 10 since Kings of Leon's "Use Somebody" rose to No. 4 last year.

Though eligible for recurrent status by ranking below No. 50 after 20 weeks, the track remains on the survey as it gains in airplay and sales and rises 6-5 on Hot Country Songs.

The debut track from the teen pop/rock trio, whose members range in age from 14 to 16, arrives after the song's CD single sold 28,000 copies, according to Nielsen SoundScan, at Justice locations and the girls clothing retailer's website.

As Aldean bows at No. 2 on the Billboard 200 (see page 42), the pair enters Hot Digital Songs at No. 58 (26,000) and Hot Country Songs (No. 59). Clarkson had last reached the latter chart on Reba McEntire's No. 2-peaking duet remake of her "Because of You" in 2007.

BETWEEN THE BULLETS 'NAME' DOMAIN: RIHANNA RULES HOT 100

Rihanna rockets to the top of the Billboard Hot 100 as "What's My Name?," featuring Drake, vaults 60-1. The track debuts at No. 1 on Hot Digital Songs (235,000, according to Nielsen SoundScan) and charges 24-16 on Hot 100 Airplay with the chart's greatest airplay gain (48.6 million in audience, up 30%, according to Nielsen BDS). "Name" is Rihanna's eighth Hot 100 No. 1 and third this year, following "Rude Boy" and her featured turn on Eminem's "Love the Way You Lie." Rihanna is the first artist to score three Hot 100 No. 1s in a year since she achieved the feat in 2008. "Name" is Drake's first Hot 100 chart-topper.

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. Recently turned 10-year-old just misses the top 10 with song that shifts 137,000 to open at No. 4 on Hot Digital Songs.

Song entered this list and Hot Digital Songs last issue from sales accrued in a single day. Now with a full week's haul, song rockets up the chart as the top digital gainer with 97,000 downloads (up 78,000 units).

Pop/dance track from Brown's fourth studio album, due first-quarter 2011, moves 66,000 downloads in first week of availability.

Without a digital single contributing to its ranking (it will next week), title becomes the lowest-ranked Airplay Gainer winner since T.I.'s "Whatever You Like" (No. 71) in the Aug. 30, 2008, issue, the frame before it flew to No. 1 on the back of its digital release.

Act's 89th chart entry debuts at No. 89. Song is the only debut from the "Rocky Horror" episode to chart. It's only the fourth week that the troupe has placed a single entry onto the chart, compared with 22 multiple-debut weeks.

BETWEEN THE BULLETS

KE\$HA CRASHES HOT 100 AT NO. 1

Ke\$ha's "We R Who We R" becomes the second song this year, and just the 17th of 992 total chart-toppers, to debut at No. 1 on the Billboard Hot 100, shifting 288,000 downloads in its initial week, according to Nielsen SoundScan. The song also tops Hot Digital Songs, knocking Far*East Movement's "Like a G6" (178,000, down 13%) to No. 2 on that chart and the Hot 100. Ke\$ha's track also makes a swift impact at radio, debuting at No. 49 on Hot 100 Airplay (up 81%) and jumping 36-23 on Mainstream Top 40 (up 124%). Prior to Ke\$ha, Eminem was the last artist to open at No. 1, with "Not Afraid," in the May 22 issue.

 The DJ trio (Steve Angello, Sebastian Igrosso and Axwell) team up for this set, which also bows at No. 4 on Electronic Albums. It sports two Club Play Songs hits: "One" (No. 3) and "Miami 2 Ibiza" (rising 44-34 this week).

"Glee" cast's Puck strikes out on his own with this decidedly non-gee-clubby indie effort, starting with 3,000 copies sold.

The rapper-turned-singer benefits from a profile on NPR's "All Things Considered" (Oct. 30), vaulting with a 54% jump in sales (slightly more than 1,000 copies sold).

THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for rank, title, artist, and album. Top entries include 'California Gurls' by Katy Perry and 'Love the Way You Lie' by Eminem.

2 & 10 While his collaboration with Rihanna takes the Airplay gainer (34-15 on Hot 100 Airplay, up 60% to 50.6 million impressions), the rapper's prior single rebounds 11-10 on this list, giving him simultaneous Hot 100 top 10s for the first time in his career.

Singer posts his best Hot 100 chart rank since "Escape" peaked at No. 12 in April 2002.

He's back and rapping once more. West moves 80,000 in a partial week of sales (four days), earning his first chart appearance as a lead artist since "See You in My Nightmares" ended a four-week run in January 2009.

26 In its 20th week on the list, this collaboration led by DJ Khaled reaches a new peak and establishes a new single-week sales high with 59,000 downloads.

Rapper and the ever-present Guetta team up on the first single to the upcoming "Step Up 3D" soundtrack, due July 27 on Atlantic Records. Track moves 42,000 and opens at No. 35 on Hot Digital Songs.

Continuation of the Billboard Hot 100 chart table, listing songs like 'I Never Told You' by Cobble Caillat and 'She Won't Be Lonely Long' by Clay Walker.

BETWEEN THE B JLETS TAIO CRUISES TO A SECOND TOP 10

U.K. vocalist Taio Cruz makes it back-to-back Billboard Hot 100 top 10s as "Dynamite" blasts 14-7, earning the Greatest Gainer/Digital tag for a second consecutive week. Cruz's debut single, "Break Your Heart," peaked at No. 1 for a week in March. His new title improves 10-3 on Hot Digital Songs (up 69% to 189,000, according to Nielsen SoundScan) and makes the second-largest jump on Hot 100 Airplay (44-28, up 47% in audience impressions). Cruz is the fifth new lead male artist in the past 12 months to make a pair of top 10 appearances following Drake, Jay Sean, Jason Derulo and B.o.B. the latter four also doing so with their first two singles. —Silvio Pietrolungo

The most popular songs, according to all-format, audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. 6 Act claims dual gainer honors, moving 7-2 on Hot Digital Songs (180,000, up 31%) and 20-13 on Hot 100 Airplay (58.5 million listener impressions, up 41%).

Album release serves as a promotional vehicle for first single as title reaches a new peak while securing a single-week download high (71,000, up 67%).

With album released digitally Sept. 27, first cut from "I Am Not a Human Being" should be joined by a multitude of other tracks from the set on next week's list.

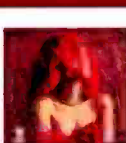

Band has now reached the top 40 with its first eight singles, all of which have risen into the top five of the Adult Top 40 chart.

43 Song becomes the 26th title in the history of the Billboard Hot 100 to spend a full year or more on the chart. Most recent entrant to this club was Lady Antebellum's "Need You Now," which is hanging on at No. 46 in its 58th week.

9 Song is the rapper's fifth top 10 in less than three years and first since "Sugar" in May 2009. Guetta, in his first turn as a featured artist, scores his second top 10, following the Akon-voiced "Sexy Chick" earlier this year.

Led by Disney Channel star Gomez, the act starts with 69,000 downloads for title track from its latest set, due Sept. 21. It's the third straight entry from the group this year to debut in the top 40.

Rapper immediately bypasses the peak position of his only other chart effort from earlier this year ("O Let's Do It," No. 62). Song also debuts at No. 21 on Hot Rap Songs and No. 7 on Rap Digital Songs (53,000), the latter viewable at billboard.biz/charts.

75 Song also opens at No. 42 on Hot 100 Airplay, the singer's best start on that list. Expect a huge jump into the top five of the Hot 100 next week as first-week download sales are factored into its ranking.

84 As his most recent single hits a new peak at No. 37 he opens at No. 84 with a new track that samples the Dell-Vikings' No. 4 hit from 1957, "Come Go With Me" (see billboard.com/chartbeat).

MARS LANDS ATOP DIGITAL SONGS

Bruno Mars reaches the top of Hot Digital Songs (2-1) with his debut solo single, "Just the Way You Are," which moves 209,000 downloads, according to Nielsen SoundScan (up 19%), and is the chart's top Digital Gainer. The song displaces Katy Perry's "Teenage Dream," which falls to No. 2 with 197,000 (down 11%), though it holds its place atop the Billboard Hot 100. It's Mars' first No. 1 on the Digital Songs chart as a lead artist. He previously guested on B.o.B's chart-topper "Nothin' on You," which led for two weeks in May. "Just" also nabs the Airplay Gainer tag with an increase of 16 million impressions (to 91.2 million), according to Nielsen BDS, while jumping 8-6 on Hot 100 Airplay. —Silvio Pietrolungo

BETWEEN THE BULLETS
PERRY'S 'TEENAGE' TOPS HOT 100

Katy Perry posts successive No. 1s on the Billboard Hot 100 as "Teenage Dream" supplants Eminem, who was also enjoying back-to-back chart-toppers. His "Love the Way You Lie," featuring Rihanna (1-2), led for the past seven weeks while prior single "Not Afraid" topped the chart for a week in May. Perry spent six weeks at No. 1 with her last radio single, "California Gurls," earlier this summer, accumulating enough time in the upper reaches of the chart to lead the Songs of the Summer tally (see story, page 37). The last female artist to post successive No. 1 singles on the Hot 100 was Lady Gaga, who took her first two entries, "Just Dance" and "Poker Face," to the summit in the first half of 2009. —Silvio Pietrolungo

10 With a fitting title, the singer becomes the first solo male to notch three top 10s from a debut album since Chris Brown in 2005-06. "Whatcha Say" topped the Nov. 14, 2009, chart, and "In My Head" rose to No. 5 in April.

The song surges 20-10 on Hot Digital Songs with an 81% improvement to 112,000 downloads sold. On Hot 100 Airplay, the track soars 73-44 (25 million in audience, up 57%).

Previewing the band's third studio set, "Hands All Over," due Sept. 21, the first single shifts 54,000 first-week downloads. The song debuts at No. 30 on Adult Top 40.

Last on the chart as a lead artist when her debut No. 4 smash "Love Song" wrapped a 41-week run in August 2008, the singer/songwriter introduces "Kaleidoscope Heart," due Sept. 7, with this track, which starts with 40,000 downloads.

94 The follow-up to the 2009 "American Idol" runner-up's No. 10-peaking "Whataya Want From Me" debuts on Mainstream Top 40 at No. 37 and moves 14,000 downloads (up 59%).

1 Track is chart's top Airplay Gainer for a second straight week, improving to 122.5 million impressions, according to Nielsen BDS. It's the largest audience sum for a Capitol Records title since the Billboard Hot 100 radio panel was expanded to include all formats in December 1998. The label's prior high mark was Chingy's "One Call Away" (121.6 million in April 2004).

As noted in For the Record (see page 6), a post-print reprocessing of sales data by Nielsen SoundScan led to a reshuffling of positions on last week's retail-based charts, including the Hot 100. The most notable change on this list was "Alejandro" reaching the top five.

49 Singer/rapper places four debuts on the list, including the top three entries for the week. Three of his new titles are from his No. 1 album, while the song at No. 57 was concurrently released exclusively as a digital track. Cumulatively, the four debuts move 161,000 downloads.

The song, whose title is text shorthand for "I Love You," gives the California rapper his inaugural chart entry.

THE BILLBOARD HOT 100

Chart table with columns: WEEK, LAST WEEK, PEAK POSITION, TITLE, ARTIST, CERT. Includes top entries like 'GREATEST GAINER/DIGITAL + AIRPLAY CALIFORNIA GURLS' by Katy Perry and 'OMG' by Usher.

She's the first female artist to claim simultaneous Airplay and Sales Gainer awards while residing at No. 1 since Alicia Keys, with "No One" in the Dec. 1, 2007, issue. Downloads improve 11% to 353,000, while listener impressions surpass the 100 million mark (105.2 million, up 18%).

Pre-order placement for the June 21 release of new album "Recovery" spurs digital sales for its leadoff track (up 11%), as does increased radio play, lifting the song back into the top 10 after a one-week respite.

Bieber and co-star Jaden Smith continue the Hot 100 charting legacy of the "Karate Kid" film franchise, joining acts Survivor, Peter Dinklage, and Dennis DeYoung, who each hit the list in the Ralph Macchio era.

66

Singer debuts with title track from her No. 3-debuting album and re-enters at No. 75 and No. 99 with songs performed medley-style at the MTV Movie Awards June 6. Collectively, the three tracks sell 96,000 downloads.

BETWEEN THE BULLETS

JUST FOR KICKS

While some may ultimately remember the constant blaring of the vuvuzelas as the soundtrack to the 2010 FIFA World Cup in South Africa, two tracks from the tournament are making chart noise. The competition's official song, "Waka Waka (This Time for Africa)" by Shakira featuring South African group Freshlyground, debuts at No. 44 with 56,000 downloads, according to Nielsen SoundScan. The track was performed during the Official Kick-Off Celebration Concert in Johannesburg, broadcast by ABC June 11, as was K'Naan's "Wavin' Flag," which moves 26,000 and re-enters at No. 90. —Silvio Pietrolungo

The act trots past the high-water mark of its last album, "Born on Flag Day," which topped out at No. 17 in 2009.

The all-Diane Warren-written album from the duo (Kelly Levesque and Tyler Hamilton) debuts with 2,000, was produced by Humberto Gatica and is supported by a PBS concert special airing through June.

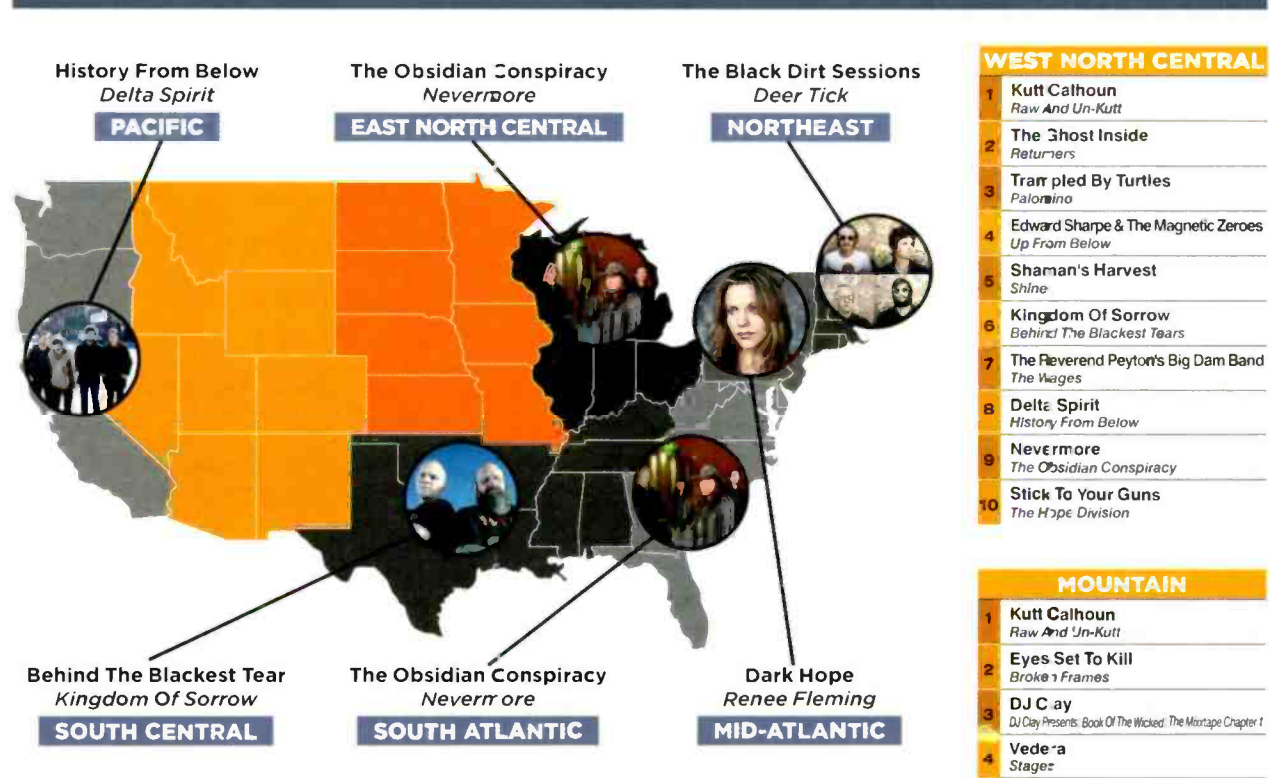

An interview on NPR's "Morning Edition" (June 10) helps the model-turned-singer's album post a 70% increase.

Though dislodged from the summit after four non-consecutive weeks on top, song scores hefty airplay increase for a sixth time in eight weeks (158 million in audience, up 13%) and for a second time while falling 1-2.

Mars joins B.o.B with two tracks apiece in the top 10 (while Will.i.am charts solo at No. 2 and with the Black Eyed Peas at No. 9). This track surges 8-4 on Hot Digital Songs with 177,000 downloads sold (up 59%).

As the singer's "Rokstarr" arrives on the Billboard 200 at No. 8 (24,000 units), two tracks from his debut set enter this list, led by the follow-up radio single to the No. 1 "Break Your Heart," which moves 83,000 downloads (No. 13 on Hot Digital Songs).

Upping its total to 59 Hot 100 entries with this cover and four others (Nos. 79, 87, 93 and 95), the troupe now trails only the Beatles (71 titles) for most among non-solo acts in the chart's history. Notably, the survey sports songs titled "California Gurls" and "Good Vibrations"—and neither are Beach Boys remakes.

1 Singer extends his lead among male artists for most No. 1s on the Hot 100 Airplay chart as title becomes his seventh leader on that list (2-1). Only Mariah Carey, with 11, has earned more.

Title revisits the No. 1 slot on Hot Digital Songs (3-1, 269,000), becoming the first track to debut at No. 1, relinquish the top spot the following week and subsequently return since Beyoncé's "If I Were a Boy" in November 2008.

20 Song makes the second-largest jump from the anchor position in the chart's nearly 52-year history, trailing only the 100-15 rise of "Jai Ho! (You Are My Destiny)" by A.R. Rahman & the Pussycat Dolls in the March 14, 2009, issue.

Assuming a dip in rank next issue, title is the lowest-peaking entry for an "American Idol" winning performance and only the third to fall short of the top 10, joining Jordin Sparks' "This Is My Now" (No. 15) in 2007 and Kris Allen's "No Boundaries" (No. 11) last year.

91 Do you know how to do the Dougie dance? If not, the California trio's new video will show you how to master the latest dance craze.

The CD's physical release pushes the set to a 146% gain. The digital album was released five weeks ago to combat the album's Web leak.

The "American Idol" winner is one of just seven artists to chart a pair of concurrent albums in the top 10, as his "Favorites" set joins his pre-"Idol" album at No. 7.

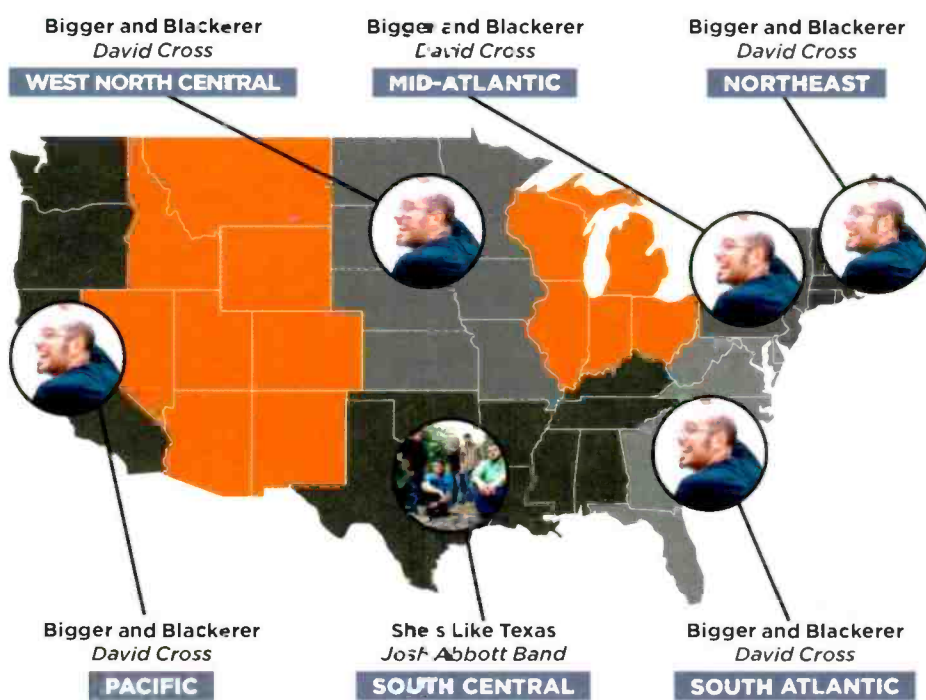

Both Rogue Wave (pictured, No. 26, up 505%) and the Whigs (No. 27, up 468%) make moves thanks to their placement as daily deals in Amazon's MP3 store last week.

After appearing on two top 10s this year as a featured vocalist (B.o.B's "Nothin' on You" and Travis McCoy's "Billionaire"), newcomer scores first top 10 as a lead artist. Downloads improve by 55% to 144,000.

Rapper scores the third top 10 from his debut album two months after Jason Derulo accomplished the same feat. Prior to these instances, it had been four years (Chris Brown in 2006) since a male artist could make that claim.

Release of "iTunes Session EP" spurs a rebound for this track, as 30% of its 45,000 downloads are of the new acoustic version.

After 27 chart entries as a Lyric Street Records act, including two top 10s, the band makes its first chart appearance as part of the Big Machine family and scores the highest debut of its career.

The reunited group, which placed its first Billboard chart entry in 1990, makes its inaugural Hot 100 appearance. The band's prior radio hits, including "Black Hole Sun," occurred in an era when a physical single was required to enter the list.

BETWEEN THE BULLETS
LIL WAYNE LOCKS UP TOP DEBUT

Lil Wayne snares his highest Billboard Hot 100 debut as a lead artist as "Right Above It" starts at No. 6 on the strength of 225,000 first-week downloads, according to Nielsen SoundScan. It's also the incarcerated rapper's best sales week with one of his own tracks. Wayne's new single, allegedly part of an EP scheduled for release this fall, bests the No. 10 arrival of "Got Money," featuring T-Pain, in September 2008. The download sum for "Right" also surpasses the 194,000 he shared with "Lollipop" in June 2008. In turn, "Right" earns him his first No. 1 on Hot Digital Songs as either a lead or featured artist.

After peaking at No. 2 on Contemporary Jazz Albums with first set "Esperanza," she's blocked from the No. 1 spot this time around by Brian Wilson's "Gershwin" album (see page 45).

The Amazon MP3 store's daily deal for the set (Aug. 19) lifts it to its best sales week (2,000, up 132%) since May.

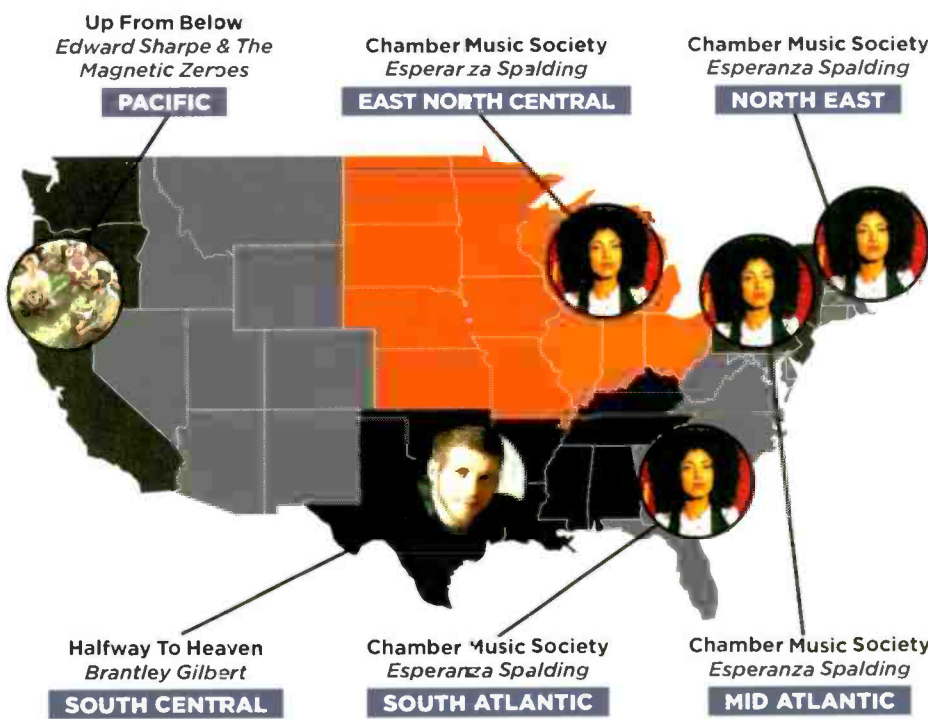

The electronic producer was MTV's "Push" artist last week. The promotional boost likely fueled the album's 58% increase.

1 Song moves 2-1 on Hot 100 Airplay, giving the rapper his second No. 1 on that list. He previously led with "Lose Yourself" for 11 weeks from November 2002 to January 2003.

Title moves into the runner-up spot with Airplay Gainer honors as audience impressions increase to 103.1 million, according to Nielsen BDS (up 22%).

Song's 78-spot jump is driven by 82,000 downloads, according to Nielsen SoundScan, good for a No. 14 debut on Digital Songs. Sum betters his own record for largest opening-week downloads by a male country artist, set with "Out Last Night" (71,000) in June 2009.

35 Rock band makes a fast start on the rock radio charts (see page 48) and opens with 60,000 downloads, placing it at No. 20 on Hot Digital Songs and No. 1 on Rock Digital Songs.

96 After the top 20 breakthrough of "Breakeven" (No. 21 this week), Epic Records decided to re-work this track, the first single from the band's debut album, to radio. In its first go-round it reached No. 15 on Adult Top 40 in June 2009.

After a window of exclusivity with iTunes, the band's album went wide to all retailers last week, thus sparking its re-entry with a 385% gain.

The Sacramento, Calif., four-piece pop/rock band makes its Billboard debut with this five-song EP (2,000).

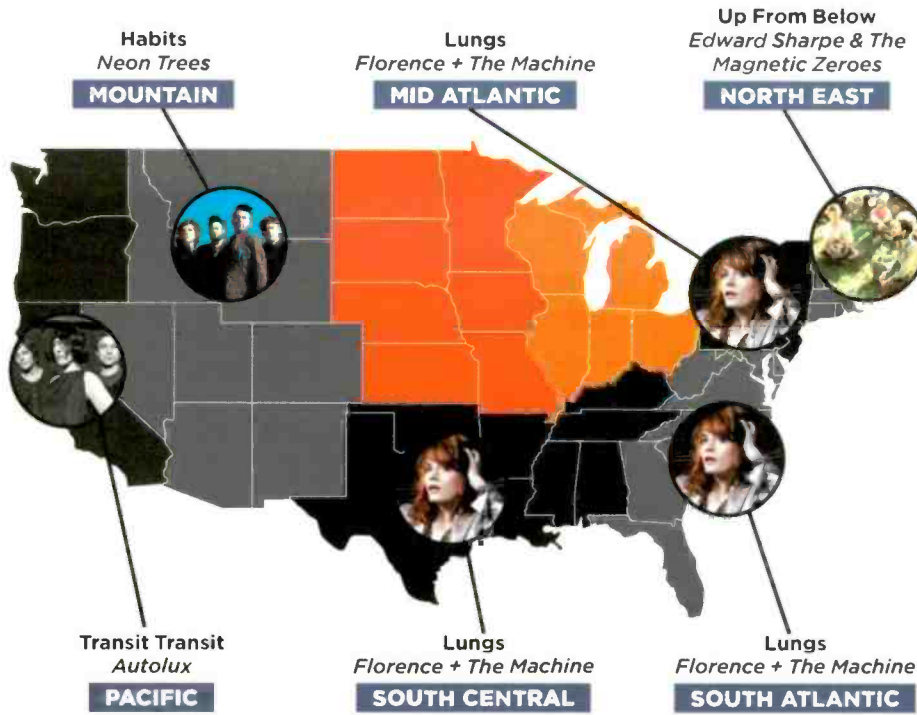

The album's title track was iTunes' free Discovery Download last week, which likely sparks the set's 66% increase (and 104% jump in digital sales).

A week after Edward Sharpe's "Up From Below" hit No. 1 in a long 50-week ascent, this set also works the slow-and-steady route, topping the tally in its 43rd frame (up 19%).

After NPR's "Weekend Edition" featured the act on its July 31 program, the album re-enters with a 106% jump in sales.

The set sees a 155% jump in overall sales and a 500% increase in purchases made at venues (and online retailers) after the band joined the Vans Warped tour July 20.

19 Song is her first to top Hot Dance Club Songs and is the third track this year to hit No. 1 on that list as well as Mainstream Top 40, following Lady Gaga & Beyoncé's "Telephone" and Rihanna's "Rude Boy."

27 Artist born Bobby Ray Simmons Jr. is the first rapper to simultaneously place his first three radio singles as a lead artist in the top 30.

33 Track, which completed a 20-week run on the chart in January, returns due to a continued surge at country radio (No. 11 on Hot Country Songs). Title's new rank immediately tops its prior No. 44 peak.

43 Singer, who provides memorable vocals on a current (Travis McCoy's "Billionaire") and recent (B.o.B's "Nothin' on You") top 10 title, makes his solo debut with a track that shifts 51,000.

52 Excluding debuting titles, song's 22,000-download increase is the chart's best. But its rank is the lowest for a Digital Gainer award winner since Oct. 28, 2006, when Augustana's "Boston" earned the tag while residing at No. 54.

BETWEEN THE BULLETS SPIRITED START FOR 'TEENAGE DREAM'

Katy Perry strikes quickly with the follow-up to her No. 1 smash "California Gurls" as "Teenage Dream," the title track from her upcoming Aug. 24 album, debuts at No. 20 on the Billboard Hot 100. Near-simultaneous releases to both retail and radio also combine for impressive first-week numbers on Hot Digital Songs and Hot 100 Airplay. Downloads of 84,000 launch "Teenage" on the former chart at No. 11 while the title busts out of the gate with 14.9 million impressions and a No. 75 opening on Hot 100 Airplay. Those are strong numbers for a song that has most of its audience (80%) coming from top 40 radio, where the track was most added for the week with 64 new stations, according to Nielsen BDS.

—Silvio Pietrolungo

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. THE BILLBOARD HOT 100

Main chart table with columns: THIS WEEK, LAST WEEK, 2 WEEKS AGO, WEEKS ON CHART, TITLE, PRODUCER (SONGWRITER), Artist, IMPRINT / PROMOTION LABEL, CENT., PEAK POSITION. Includes entries like 'GREATEST GAINER/DIGITAL + AIRPLAY LOVE THE WAY YOU LIE' and 'HOT SHOT DEBUT DJ GOT US FALLIN' IN LOVE'.

1 Track earns dual gainer awards with a digital sales increase of 12%, to a one-week high of 352,000 downloads, according to Nielsen SoundScan, and a 34% airplay spike to 25 million listener impressions, according to Nielsen BDS.

While the song descends from its Hot 100 perch, it rises to the top of Hot 100 Airplay with 154 million listener impressions, becoming her first No. 1 on that tally.

19 Song flies onto the chart with simultaneous high debuts on Hot Digital Songs (No. 17, 61,000) and Hot 100 Airplay (No. 31, 32.5 million impressions). The latter rank matches Perry's 'California Gurls' for best start on that list since 2008.

Live performance on Fox's 'So You Think You Can Dance' results show on July 15 helps downloads improve by 40%, sending title 23-13 on Hot Digital Songs (68,000).

91 As the popular Disney Channel series begins its final season, Miley Cyrus' alter ego claims her first chart listing since July 2009 and her 19th overall. Title will appear on season soundtrack, due Oct. 26.

Continuation of the Billboard Hot 100 chart, listing songs like 'WATER', 'IF IT'S LOVE', 'OVER', 'LOSE MY MIND', 'POWER', 'ANIMAL', 'OUR KIND OF LOVE', 'SHE WON'T BE LONELY LONG', 'KING OF ANYTHING', 'CAN'T BE TAMED', 'I'M IN', 'COME BACK SONG', 'CRAZY TOWN', 'IF I HAD YOU', 'MISS ME', 'BREAK MY BANK', 'GLITTER IN THE AIR', 'LITTLE WHITE CHURCH', 'LA LA LA', 'SEX ROOM', 'WE'LL BE A DREAM', 'KISSIN U', 'ALL ABOUT TONIGHT', 'HOLD YOU (HOLD YUH)', 'IF I DIE YOUNG', 'CLUB CAN'T HANDLE ME', 'B.M.F. BETWEEN THE BULLIES FINE FOLLOW-UP FOR EMINEM. Eminem posts back-to-back Billboard Hot 100 chart-toppers for the first time in his career as 'Love the Way You Lie,' featuring Rihanna, rises 2-1. The rapper debuted atop the Hot 100 in May with 'Not Afraid,' the introductory single from his current Billboard 200 No. 1, 'Recovery.' His new leader is Eminem's fourth Hot 100 No. 1, following the 12-week juggernaut 'Lose Yourself' (2002); 'Crack a Bottle' with Dr. Dre and 50 Cent (2009); and the aforementioned 'Not Afraid.' For featured artist Rihanna, the track is her seventh No. 1 since first appearing on the score in 2005, the most by any artist during that time span. —Silvio Pietrolungo

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded respectively for the largest digital sales and airplay increases on the chart. Rapper closes gap on chart leader Katy Perry with a second straight Greatest Gainer/Airplay award (up 45% to 73.6 million listener impressions) and may be just a week away from taking hold of the No. 1 spot.

Song rises 13-9 on Hot 100 Airplay, giving Keys her first top 10 as a lead vocalist on that list since "Like You'll Never See Me Again" peaked at No. 5 in January 2008.

While the act's fifth top 10 single from "The E.N.D." keeps descending, the set's second release, "I Gotta Feeling," drops off the list after a 56-week run, tying it for 11th-longest in the chart's 52-year history.

The official song of the World Cup returns to the top 40 as digital sales spike (46,000, up 8%) after Shakira performed the track on ABC before the June 11 Netherlands vs. Spain final.

Track, which holds at No. 27 on Hot Country Songs, is this chart's lowest Hot Shot Debut since "Break My Heart" from the "Spectacular!" cast was the top new entry at No. 95 in the March 7, 2009, issue.

BETWEEN THE BULLETS

A LOT TO 'LIKE' FOR IGLESIAS

Enrique Iglesias makes his first foray into the Billboard Hot 100 top 10 in nearly nine years as "I Like It," featuring Pitbull, leaps 18-8. Aided by awareness of the release of his album "Euphoria," which debuts at No. 10 on the Billboard 200, "I Like It" shifts 171,000 downloads, according to Nielsen SoundScan. That's more than double last week's sum of 85,000, and the song earns the Digital Gainer award. The track is Iglesias' fourth Hot 100 top 10 and his first since "Hero" rode the emotional aftermath of 9/11 to reach No. 3 in November 2001.

2 BEP extends its lead as the group with the most No. 1s on Hot Digital Songs with its fifth chart-topper. Only Rihanna, with six, has scored more since the chart launched in 2005. Grammy digital bump: 33% to 236,000.

3 Trio becomes the first country duo or group to reach the top three of the Hot 100 since Lonestar peaked at No. 1 almost exactly 10 years ago (March 4, 2000) with "Amazed." Grammy digital bump: Digital Gainer, up 74% to 212,000.

57 DMB places its second Hot 100 single from "Big Whiskey & the GrooGrux King," the first time the group has scored a pair of charting titles from an album since 2001's "Everyday." Grammy digital bump: 188% to 52,000.

64 Song's appearance in trailer for No. 1 film "Dear John" (it's not on the soundtrack) is cause for track's strong digital sales (up 16% to 50,000).

75 Superstar Grammy pairing is a contrast in Hot 100 chart appearances. While Blige ups her total to 39, tenor Bocelli (pictured) makes the list for the first time. The Grammy performance moves 42,000 downloads.

PINK SHINES WITH 'GLITTER'

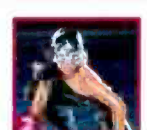

The Grammy Awards glow graces many songs on the Billboard Hot 100 and Hot Digital Songs charts this issue, but none more than Pink's "Glitter in the Air." Her show-stopping acrobatic performance prompts a 1,143% download increase, putting the track at No. 18 on the Hot 100 and No. 9 on Digital Songs with 114,000. "Glitter" is the fifth charting single from Pink's fifth studio album, "Funhouse," which is the most she's ever scored from one set. The song was immediately delivered digitally to radio as a new single by Jive Records before the Grammy telecast was even over.

The track returns for a seventh week in the runner-up spot, marking the longest stay for a No. 2-peaking song since Gnarl's Barkley's "Crazy" also crested at No. 2 for seven frames in 2006.

Collecting its fourth top 10 from "The E.N.D.," the act is the first group to notch a quartet of top 10s from an album since TLC tallied four from "CrazySexyCool" in 1994-95.

As the trio's album debuts atop the Billboard 200, the little track returns to the top 10 of the Billboard Hot 100 after 10 weeks with gains at retail (18-8, Hot Digital Songs) and radio (19-14, Hot 100 Airplay).

Timberlake (pictured) and Morris' song joins three new "Help for Haiti Now" cuts on the chart (see Happening Now, page 35). It vaults 24-5 on Hot Digital Songs (18.7 million downloads, up 136%).

Though down 20 positions, the song bows at No. 71 on Hot 100 Airplay (18.7 million in audience, up 69%) and at No. 34 on Mainstream Top 40.

BETWEEN THE BULLETS

'TIK TOK' ON THE CLOCK

Ke\$ha's "Tik Tok" spends a seventh week atop the Billboard Hot 100, tying Katy Perry's "I Kissed a Girl" (2008) and Ciara's "Goodies" (2004) for longest-reigning No. 1 for a solo female's debut (including only lead billings) since Debby Boone ruled with "You Light Up My Life" for 10 weeks in 1977. Ashanti and Beyoncé inked longer runs at No. 1 with their first titles as lead artists but charted first in featured roles; Kelly Rowland debuted as a guest on Nelly's 10-week No. 1 "Dilemma." "Tik Tok" leads Hot 100 Airplay for a second week (130 million impressions) and rebounds for a sixth week atop Hot Digital Songs (200,000 downloads). —Katy Trust

15 The band's album zips up the chart with an 80% gain thanks in part to venue sales reported from the act's tour. The set's new single, "Last Stand," was recently serviced to radio.

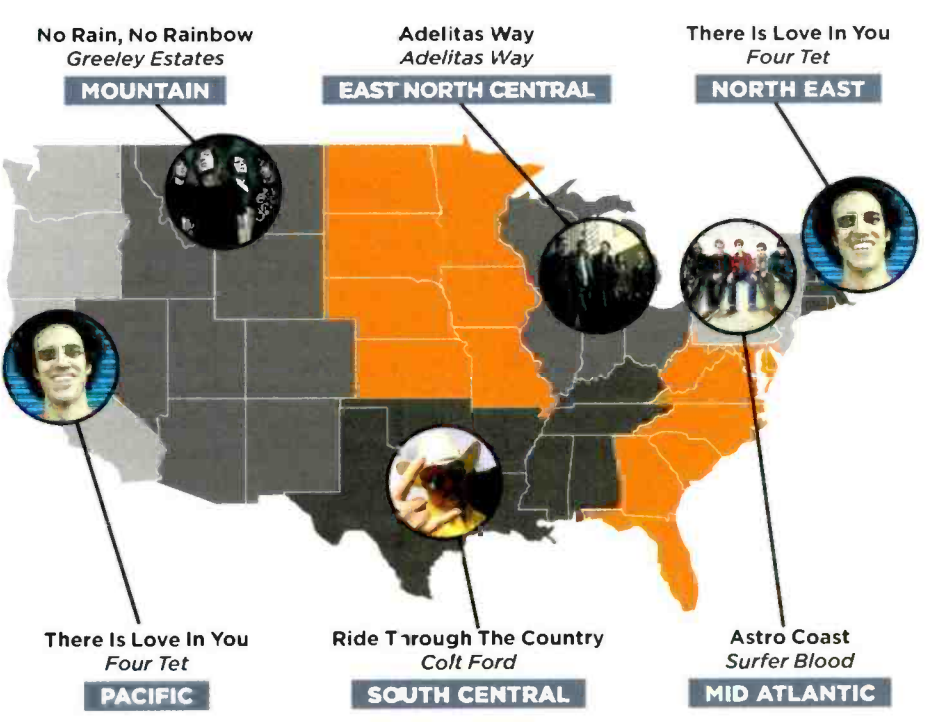

The singer's album was exclusively available through iTunes last week for \$5.99. It enters with slightly more than 1,000 downloads.

NEW ON THE CHARTS

The Wonder Years, "The Upsides"
The Philadelphia pop-punk band has been around since 2006. It finally earns its first chart ink as its sophomore release arrives at No. 9 on Top Heatseekers Albums and at No. 42 on Top Independent Albums with nearly 2,000 sold.

Singer claims his first Hot 100 top 10 with preview track from his sophomore album, tentatively titled "My World Part 2," due March 23. Track opens at No. 3 on Hot Digital Songs with 199,000 downloads.

Sole original song from "Hope for Haiti Now" benefit moves more downloads (131,000) than any other track from the broadcast.

Song becomes just the 23rd entry in Hot 100 history to spend a year or more on the chart. Jason Mraz's "I'm Yours" was the last to reach the milestone a year ago, on its way to setting the all-time record of 76 weeks.

Collaboration from "Hope for Haiti Now" broadcast is only the second version of the Leonard Cohen classic to grace the Hot 100. Kate Voegele spent one week at No. 68 in the May 31, 2008, issue.

Singer's performance from Jan. 20 "Oprah" broadcast was immediately released digitally (40,000 sold), with proceeds benefiting Haiti relief efforts.

BETWEEN THE BULLETS
FAST START FOR SWIFT'S 'FAIRYTALE'

Taylor Swift posts the highest opening-week download sum by a female artist in the history of Nielsen SoundScan digital tracking (since 2003) as "Today Was a Fairytale" debuts at No. 1 on Hot Digital Songs and No. 2 on the Billboard Hot 100 with 325,000. The title, from the upcoming film "Valentine's Day," in which Swift co-stars, is her first No. 1 on Digital Songs. It's also her best start on the Hot 100 and equals her highest Hot 100 peak, established with "You Belong With Me" in August. In contrast with the new song's quick ascent, "Belong With Me" took 16 weeks to reach the runner-up slot.

David Letterman liked the British band so much, he had it play the same song twice in a row during his Jan. 18 "Late Show." The October 2009 release has its best sales week yet: 2,000 copies.

Its physical CD release spurs its re-entry (up 272%). It first popped onto the tally last October at No. 35 for one week upon its digital debut.

VH1 added the video for the album's "Like You Do" to its rotation last week, prompting the set's 116% gain.

3 Song debuted in the runner-up slot last week due to strong first-week downloads and is able to avoid a large drop in rank in its second week on the list thanks to a manageable drop in sales (down 20% to 231,000) and the largest airplay gain on the list (up 57% to 52.3 million listener impressions).

14 Song has posted digital download increases in each of its 12 chart weeks, progressing from 20,000 in the March 20 issue to 97,000 this week (up 21%).

24 Thirty-four weeks into its chart run and track posts its best peak yet as airplay increases for a sixth straight frame. Song also hits a new high on the Adult Top 40 (11-8) and Mainstream Top 40 (24-23) radio lists.

51 California band makes its second Hot 100 appearance and immediately surpasses the peak of its only prior entry, "Bat Country." That track, a No. 2 hit on the Mainstream Rock chart, reached No. 60 in January 2006.

Title by Jamaican vocalist is currently residing atop the Reggae Digital Songs chart for a ninth consecutive week (10,000, up 15%).

After a one-week respite, song returns to the top slot and earns the airplay gainer tag (up 22.9 million listener impressions) for the fifth straight week, the longest streak by a male-led track since T.I.'s "Live Your Life" in November 2008.

Song is the 14th title to start its Hot 100 chart life at No. 2. Six of the 13 prior No. 2 entries have made the additional step to No. 1 in a subsequent week.

Artist listing for this track has been adjusted due to label request, removing Eminem. The version with the rapper isn't the dominant one at radio, nor is it available digitally a la carte.

Title is her seventh straight radio single to reach the top 10. The last female artist to launch a career in a similar fashion was Monica, who also placed her first seven charting songs as a lead vocalist in the upper tier (1995-99).

Singer hits chart with his first English-language title since "Do You Know? (The Ping Pong Song)" peaked at No. 21 in June 2007.

BETWEEN THE BULLETS

PERRY'S 'CALIFORNIA' HEATS UP

Katy Perry nearly makes it successive weeks for No. 1 debuts on the Billboard Hot 100 as "California Gurls," featuring Snoop Dogg, opens in the runner-up slot. "Gurls" shifts 294,000 downloads in its first week, according to Nielsen SoundScan, more than enough to send it to the top of the Hot Digital Songs tally. On the Hot 100 Airplay chart, the track opens at No. 31, the highest debut on that list in more than two years, with 33.5 million listener impressions, according to Nielsen BDS. Last week's chart-topping Hot 100 entry, Eminem's "Not Afraid," dips 1-6 as sales slip by 47% to 202,000.

 While the track at No. 3 moves to the top of Hot 100 Airplay, rapper's second radio hit rises 7-5 on this list. He is the first artist to place his initial pair of top five singles as a lead vocalist simultaneously in that region of the Hot 100 since Beyonce in 2003.

Artists collaborate on another lofty top 10 debut, this time with 3OH!3 taking the lead. The duo's vocals were featured on Ke\$ha's No. 7-debuting "Blah Blah Blah" earlier this year. The new track moves 190,000 downloads, good enough for a No. 4 start on Hot Digital Songs.

The cast's take on Bonnie Tyler's 1983 chart-topper is its second-best sales week ever (134,000), surpassed only by its debut release, "Don't Stop Believin'" (177,000), last June.

Digital release (49,000) is timed nicely with song's spurt at radio (up 128% to 22.4 million listener impressions). Track also debuts on the Rhythmic (No. 28) and Mainstream R&B (No. 31) airplay lists.

BETWEEN THE BULLETS
EMINEM ENTERS HOT 100 AT NO. 1

Eminem makes a triumphant entrance on the Billboard Hot 100 as "Not Afraid"—his first single from "Recovery," due June 22—becomes the 16th song in the nearly 52-year history of the chart to debut at No. 1. Released digitally just four days after its radio premiere, "Not Afraid" amasses 379,000 first-week downloads. The song is bubbling under Hot 100 Airplay with 10.3 million listener impressions. "Not Afraid" is only the second rap title to start at No. 1, following "I'll Be Missing You" by Puff Daddy & Faith Evans Featuring 112, which began its 11-week run at the summit in the June 14, 1997, issue.

7 Though artist's "Nothin' on You" loses the No. 1 slot, he makes news by debuting this single at No. 41 on Hot 100 Airplay—the chart's best entrance since Usher's "Love In This Club" opened at No. 38 in the May 10, 2008, issue.

10 Jay-Z once again takes the lead for most top 10s by a rapper (passing Ludacris) with his 17th title to reach the upper tier. Song samples Alphaville's "Forever Young," which had two separate chart runs in 1985 (No. 93 peak) and 1988-89 (No. 65).

16 Title became the top-selling digital song of all time last week, according to Nielsen SoundScan. Now at 5.6 million downloads, song widens lead over prior record-holder, "Low" by Flo Rida (5.5 million).

53 This issue's five debuts are the most by this troupe in a single week. They've entered with four tracks on four occasions, including each of the last two weeks.

54 Album debut (No. 8 on Billboard 200) sparks digital sales for TV star's latest track. Title shifts 45,000 (up 82%), leading to largest leap on the Hot 100.

BETWEEN THE BULLETS

'OMG': USHER HITS NO. 1

Usher claims his ninth Billboard Hot 100 No. 1, as "OMG" featuring Will.i.am rises 6-1. The song earns dual Airplay and Digital Gainer awards for a second consecutive week, improving by an equal 35% in both radio impressions and download sales. "OMG" lifts 14-7 on Hot 100 Airplay (up 18.5 million listener impressions) and moves 2-1 on Hot Digital Songs (up 57,000 downloads). No one has outpaced Usher's No. 1 production since he first led the Hot 100 in the Feb. 14, 1998, issue with "Nice & Slow." Mariah Carey and Rihanna have the second-most chart-toppers in that span (six each).

After the album leaked to the Internet, its digital release was pushed up by more than a month to Friday, April 23. It sold nearly 1,000 copies last week, and this week shifts 3,000.

Major-label debut for Dallas rock quintet, which will play Bonnaroo in June. The act made its national TV debut April 8 performing on "Jimmy Kimmel Live!"

Sales are down this week on the chart, so many titles benefit from the soft frame. This set sells 1,000 copies and would've bowed at No. 50 last week.

6 The song scores the top airplay increase for a second consecutive week (53.3 million in audience, up 38%) and adds Greatest Gainer/Digital honors (160,000 downloads sold, up 22%).

9 Williams makes her first appearance in the Hot 100's top 10. Her group Paramore has peaked as high as No. 26 with "Misery Business" in 2008. Of the new song's chart points, 92% stems from digital sales (160,000, up 16%).

30 Winner of three Academy of Country Music Awards, including top female vocalist of the year, the singer notches her highest Hot 100 rank. "White Liar" reached No. 38 in November.

49 Though the track dips by 66% in download sales to 27,000 (dropping 15-59 on Hot Digital Songs), it rises 59-49 on Hot 100 Airplay (22 million, up 13%) and 23-19 on Mainstream Top 40.

54 Last week's "American Idol" mentor/performer soars with 14,000 downloads sold (up 46%) and 30 million audience impressions (up 37%). The track bounds 50-35 on Hot 100 Airplay.

BETWEEN THE BULLETS

MADGE-ICAL WEEK FOR 'GLEE'

As "Glee: The Music, The Power of Madonna" debuts at No. 1 on the Billboard 200, the Fox TV troupe places four tracks from the set on the Billboard Hot 100. Led by "Like a Prayer," which enters the Hot 100 at No. 27 and Hot Digital Songs at No. 10 (89,000 downloads sold), the album's seven songs available a la carte sold a combined 220,000 downloads. The series' April 20 Madonna-centric episode also spurred interest in the Queen of Pop's catalog, with the artist's original versions of the individual-available songs covered by the "Glee" cast shifting 52,000 downloads, a 246% increase. "4 Minutes" was the week's most-downloaded original (12,000). —Gary Trust

1 He's the fourth male vocalist since October to reach No. 1 with his first entry, following Jay Sean, Jason Derulo and Taio Cruz. It's the fastest clip for new men since Chris Brown, James Blunt, Ne-Yo and Daniel Powter each crowned the list between November 2005 and April 2006.

Rihanna earns her seventh chart-topper on Hot Dance Airplay (3-1), tying Madonna for most No. 1s since the chart's August 2003 launch.

10 "American Idol" mentoring stint and his performance of song on the ratings juggernaut send title into the top 10 for the first time with a 106% digital gain (108,000).

First single from "Bionic" album, due June 8, moves 77,000 downloads to become singer's third-highest Hot 100 debut. Only "Keep Gettin' Better" (No. 7, 2008) and "Ain't No Other Man" (No. 19, 2006) posted better starts.

32 With four debuting tracks, the Glee Cast has now posted more chart entries since the beginning of 2009 (29) than any other act, surpassing Lil Wayne's 25 debuts during that span.

As title returns to its peak position on the Hot 100, it moves into top 10 of Adult Top 40 (11-8) in its 28th week on that list, the longest climb in the upper region on that chart since Augustana's "Boston" set the record with a 32-week stroll in 2006/2007.

Rocker instantly posts his best Hot 100 rank with debut of track that pre-views his upcoming set "To The Sea," due June 1. His prior best showing was No. 38 with "Upside Down" in 2006. Song, which moves 110,000 downloads, also debuts at No. 4 on Triple-A and No. 23 on Alternative.

Star-studded collaboration becomes Foxx's best Hot 100 start while selling 69,000 in its opening week. Title is set to appear on his yet-untitled fourth album, scheduled to hit retail this summer.

Band's "Dark Horse" churns out another Hot 100 entry 73 weeks into its life span as track becomes the sixth to make the list, the same number prior set "All the Right Reasons" landed on the Hot 100.

BETWEEN THE BULLETS
USHER UPS TOP 10 TOTAL WITH 'OMG'

Usher claims his 15th Billboard Hot 100 top 10—and first in two years—as "OMG," featuring will.i.am, rises 14-10 in its second week on the list. He was last in the upper region when "Love in This Club" spent three weeks at No. 1 in March 2008. Usher hasn't reached the top 10 this quickly since 1998, when "Nice & Slow" debuted at No. 9 and "My Way" went 13-9 in its second week on the chart. Those two tracks were incorrectly referred to as Usher's first top 10s on this page a week ago, when in fact they were preceded by the No. 2-peaking "You Make Me Wanna . . ." in 1997.

14 Usher hasn't debuted this high on the Hot 100 since his first two singles, "Nice & Slow" and "My Way," opened at Nos. 9 and 13, respectively, in 1998. Track moves 130,000 downloads in its first week of release.

Song makes biggest move on the chart thanks to strong gains on Hot 100 Airplay (No. 58 debut, up 74%) and Hot Digital Songs (39-26, up 83%).

Performance on March 31 "American Idol" results show was timed with track's digital release one day earlier, propelling title to a high debut on this list and at No. 17 on Hot Digital Songs (81,000).

Fourth track to hit Hot 100 from "The Fame Monster" is chanteuse's latest radio single. It debuts on the Mainstream Top 40 chart at No. 35, while digital downloads more than double to 24,000.

74 Title is one of three tracks from the singer/writer/producer's "Shock Value II" to dot the chart. The others reside at Nos. 13 and 27.

'RUDE' STREAK HITS SEVEN

Rihanna's "Rude Boy" notches a seventh straight week as the Greatest Gainer/Airplay winner on the Billboard Hot 100—the longest streak in almost three years—as it holds at No. 1 for a fourth frame. "Rude" is the first track to post such a lengthy consecutive run as the airplay gainer since "Buy U a Drank (Shawty Snappin)" by T-Pain featuring Yung Joc did so for seven weeks in April/May 2007. During its time as the Hot 100's reigning airplay gainer, "Rude" has progressed from 20.2 million listener impressions to 138.4 million, improving by 15.2 million this week.

Song is her fourth to top Hot 100 Airplay (2-1) and first since she was featured on T.I.'s 2008-09 chart-topper "Live Your Life." That track was also the last to earn Greatest Gainer/Airplay honors for six straight weeks, a streak "Rude" reaches this week.

Performance on March 24 "American Idol" results show "Rude" prompts chart's top digital gain, with sales doubling to 86,000. Song, originally part of Cyrus' 2009 EP "The Time of Our Lives," also appears on the soundtrack to the movie "The Last Song," in which she stars.

Though part of Bieber's chart-topping "My World 2.0" set, duet is only available digitally a la carte through Kingston's label, and sells 66,000. Song is scheduled to appear on Kingston's third studio set, due later this year.

Track earns a reprieve from recurrent status as it reaches a new peak in its 21st chart week. Descending titles are normally removed from the chart after 20 weeks if they rank below No. 50.

TRAIN ARRIVES AT NEW HOT 100 PEAK

More than 10 years after first reaching the Billboard Hot 100, rock act Train posts its best chart showing as "Hey, Soul Sister" jumps 7-3. The trio also races to the top of Hot Digital Songs (5-1) in its 25th week on that list, shifting 182,000 downloads (up 26%; its best sales week). Train made its Hot 100 debut in October 1999 with "Meet Virginia," which reached No. 20 three months later. Prior to "Sister," the group's highest peak was with "Drops of Jupiter (Tell Me)," which hit No. 5 in June 2001.

Though the song loses its top 10 placement on this list, it enters the top 10 of Hot 100 Airplay for the first time (14-10, up 12%).

17 Title more than doubles its download sales (100,000) and moves 26-11 on Hot Digital Songs.

Recently incarcerated rapper returns with a new track, which shifts 47,000 downloads in its first week of release. Song holds at No. 20 on Hot Rap Songs.

New England rapper —no, not Sam Adams—posts his first chart single, which also debuts on Mainstream Top 40 at No. 36. Maine native sells 43,000 (up 214%).

BIEBER FEVER GRIPS CHARTS

Justin Bieber scores the Billboard Hot 100's Hot Shot Debut for the second time in three weeks as "U Smile" opens at No. 27, selling 83,000 downloads. In the March 29 issue "Never Let You Go" debuted at No. 21 (101,000). The songs preview Bieber's "My World 2.0" album, which will likely top next week's Billboard 200 with around 250,000 units. Meanwhile, a third track from the set, "Baby," returns to the Hot 100 top 10 (1-10) two months after spending a week in the top tier when it debuted at No. 5 with 199,000 downloads in the Feb. 6 issue. The track's move back into the top 10 is prompted by its best sales week (130,000) since its debut frame.

1 Title becomes the first song to earn Greatest Gainer/Airplay stripes (up 18 million listener impressions) for four consecutive weeks since Lady Gaga's "Paparazzi" had an equal run in October.

3 Contrary to what was mentioned in this space last week, Ludacris' contribution to Cruz's track granted the rapper his fifth Hot 100 No. 1.

19 Atlanta rapper roars into the top 10 with his first chart single, which also jumps 15-4 on Hot Digital Songs with 153,000 downloads (up 77%).

19 Singer is the first male "American Idol" winner to score a top 10 on the Mainstream Top 40 chart (11-10). He joins previous champs Kelly Clarkson, Carrie Underwood and Jordin Sparks in reaching that list's top tier.

35 Title is Drake's 11th Hot 100 chart appearance in less than one year and previews his first full-length album, "Thank Me Later," which is scheduled for release in late May.

RIHANNA RULES WITH 'RUDE'

Rihanna claims her sixth Billboard Hot 100 No. 1 (and fifth as a lead artist) as "Rude Boy" rises 4-1. She most recently topped the list as a featured vocalist on T.I.'s "Live Your Life" in 2008, the same year she scored with two of her own No. 1s ("Take a Bow," "Disturbia"). Her first leaders came with "SOS" (2006) and "Umbrella" (2007). With "Rude Boy" knocking Taio Cruz's "Break Your Heart" out of the top slot (1-3), Island Def Jam Music Group posts back-to-back Hot 100 No. 1s for the first time since Kanye West's "Gold Digger" replaced Mariah Carey's "We Belong Together" at the head of the Sept. 17, 2005, chart. —Silvio Pietrolungo

1 Ludacris claims his fourth Hot 100 No. 1, two of which have come as a featured artist. The other was his 12-week stint at the top in 2004, along with Lil Jon, on Usher's "Yeah!"

Second preview single for new set "My World 2.0" (due March 23) sells 101,000 to join "Baby" (No. 14) in the chart's top 25.

His self-titled album falls just shy of a top 10 Billboard 200 debut (No. 11, 42,000). One-third of the nine tracks on the set reside on this chart as this little joins his former No. 1 (No. 42) and current top 10 (No. 8).

74 Veteran rock band, which has charted 20 titles—including five No. 1s—since 1998 on Main-Stream Rock Tracks, appears for just the third time on this chart. The group's last Hot 100 listing was "Speak" (No. 85 in April 2006).

English duo debuts on this list and Mainstream Top 40 (No. 37) with song that topped the U.K. singles chart last June.

Taio Cruz sets the record for the largest jump to No. 1 on the Billboard Hot 100 by an artist with his first charting single as "Break Your Heart," featuring Ludacris, soars 53-1. "Heart" sells 273,000 downloads in its first full week of availability after moving 31,000 last week from three-plus days of sales. Kelly Clarkson held the mark for biggest climb by an artist's inaugural title, when her "American Idol" victory song, "A Moment Like This," flew 52-1 in the Oct. 5, 2002, issue. She does, however, retain the No. 1 jump record among all tracks, having nearly leapt the entire chart length (37-1) with "My Life Would Suck Without You" in February 2009. —Silvio Pietrolungo

6 After a full week of sales, title holds at No. 1 on Hot Digital Songs with 208,000 downloads, 23% less than it shifted in the two-plus days it was available during the prior tracking week.

23 His 13th charting title in a five-year span is a lucky one, as singer snares his first Hot 100 top 10. His prior best peak was No. 14 with "Can't Help but Wait" (2007) and on Twista's "Girl Tonite" (2005).

23 Song is first double-gainer winner since Jay-Z and Alicia Keys' "Empire State of Mind" in the Nov. 14, 2009, issue.

61 Canadian chanteuse captures her second Hot 100 chart appearance, and first since 1992's "Constant Craving" peaked at No. 38, with track she performed during opening ceremonies for the XXI Winter Olympics.

61 Written and recorded by Leonard Cohen in 1984, song didn't appear on this list until 2008 when Kate Voegele's version reached No. 68. Last month, Justin Timberlake, Matt Morris and Charlie Sexton hit No. 13 with their take from the "Hope for Haiti Now" benefit TV broadcast.

BETWEEN THE BULLETS

PEAS MAKE IT THREE WITH 'BE'

The Black Eyed Peas become the first duo or group in 19 years to plate three Billboard Hot 100 No. 1 singles from one album as "Imma Be," from the act's 2.1 million-selling "The E.N.D.," beelines 3-1. The quartet set a record last year with 26 successive weeks at No. 1 when "Boom Boom Pow" (12 weeks) was followed by "I Gotta Feeling" (14) atop the chart. The album's third single, "Meet Me Halfway," peaked at No. 7 in November. Wilson Phillips was the last duo or group to score three No. 1s from an album when its self-titled debut spawned "Hold On," "Release Me" and "You're in Love" between 1990 and 1991.

1 Up 5 million in audience impressions, Keys raises the Greatest Gainer/Airplay flag in her 10th week at No. 1. The track is the first multiweek chart-topper to land the honor since Melanie Fiona's "It Kills Me" entered its third week at the top on the Jan. 23 tally.

On Mainstream R&B/Hip-Hop, Diddy nets his 14th top 10 (11-10) while featured artist T.I. (pictured) scores his 21st to tie Jay-Z for the chart's third-place rank among rappers.

43 With the song's 11-10 ascent at Adult R&B, Dwele claims his fourth top 10. Meanwhile, the singer's fourth set, "Wants World Women," falls 9-21 (down 68%) in its second week on Top R&B/Hip-Hop Albums.

74 The rapper's 10th studio album debuts at No. 5 on Top Independent Albums with 6,000, according to Nielsen SoundScan.

77 Radio celebrates the late balladeer's birthday (July 13) with a previously unreleased track that debuts with 1.5 million listener impressions from just one day of airplay. The single will appear on an upcoming greatest-hits package.

BETWEEN THE BULLETS
FANTASIA FINDS FOURTH TOP 10 HIT

Fantasia notches her fourth top 10 and first in three years on Hot R&B/Hip-Hop Songs as "Bittersweet" climbs 12-10. The songstress scored her last top 10 with eventual No. 1 "When I See U" in 2007. Fantasia's 2005 self-titled album earned a pair of top 10s: "Truth Is" and "Free Yourself." The singer's latest hit extends her lead with the most top 10s on Hot R&B/Hip-Hop Songs by a former "American Idol" contestant. Season-two winner Ruben Studdard and season-three finalist Jennifer Hudson have two top 10s each. Fantasia, however, is tied with Hudson with one chart-topper each—the most for an "AI" alum. —Raphael George

17 It's another Greatest Gainer medal for the Canadian rapper/singer, his sixth among three singles from his "Thank Me Later" debut. This song's 15-position leap is his largest career vault into the top 20 (up 3.3 million impressions, according to Nielsen BDS).

Up 3.2 million impressions, Ross owns the only other single, behind Drake at No. 17, to earn an increase of at least 3 million. The song's gain is driven by 11 stations ramping up rotation by double digits.

A week after his much-talked-about Michael Jackson tribute during the 2010 BET Awards, Brown debuts a single from his independently released mixtape with Jive lending promotional support. Tune also bows at No. 87 on the Billboard Hot 100 and No. 19 on R&B/Hip-Hop Digital Songs (25,000 downloads). Meanwhile, "Graffiti" surges 81-57, up 62%, on Top R&B/Hip-Hop Albums (full chart viewable on billboard.biz).

74 After three albums and nearly a decade with Background Records, the singer/songwriter readies his fourth set, "Now or Never," due Sept. 21 on Atlantic. The song debuts with 2 million impressions.

SULLIVAN RETURNS WITH 'DOWN'

SULLIVAN

Jazmine Sullivan previews her upcoming second album as "Holding You Down (Goin' in Circles)" debuts on Hot R&B/Hip-Hop Songs at No. 69. Entering with 2.6 million listener impressions, Sullivan's latest becomes her highest debut. It tops the entry of "In Love With Another Man" (No. 78 in May 2009), which peaked at No. 35 three months later. But that was the only song from Sullivan's "Fearless" debut to not reach the top 10. Lead single "Need U Bad" spent four weeks at No. 1, "Bust Your Windows" peaked at No. 4, and "Lions, Tigers & Bears" peaked at No. 10.

Miguel's debut single cracks the top 20, making him just the second new lead artist to reach the upper half of the chart this year behind Call Swag District.

The ode to the British sports car posts a 47% increase to 8.7 million listener impressions. The track also debuts at No. 32 on Mainstream R&B/Hip-Hop.

Houston producer-turned-rapper BeatKing lands his first title on the chart with this hard-hitting dancefloor cut.

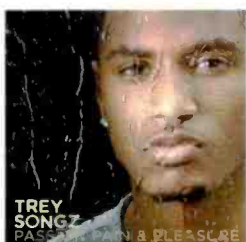

Despite posting two sets on the Top R&B/Hip-Hop Albums chart within the last year, the independent Pittsburgh rapper makes his first appearance on this chart with 1.1 million listener impressions.

TREY SONGZ ALL OVER

Trey Songz picks up his 11th top 10 title on Hot R&B/Hip-Hop Songs as "Can't Be Friends" jumps 11-7 with Greatest Gainer honors (2.5 million listener impressions; up 27%, according to Nielsen BDS). Since Songz debuted in 2005, Chris Brown and Ne-Yo are the only singers with more top 10s in that span of time, with 12 each.

Elsewhere, Songz' "Bottoms Up" holds steady at No. 2; Gucci Mane's "Beat It Up," on which Songz appears, jumps 41-37; and his new "Unusual" is the Hot Shot Debut at No. 85.

Ahead of his expected bow atop Top R&B/Hip-Hop Albums next week (see page 45), the singer makes gains of 27% (to 29.3 million in audience) and 61% (to 11.3 million), respectively.

The song becomes the soul singer's third No. 1 on Adult R&B (2-1). "Love Callis" spent two weeks on top in 2003, and "I Can't Stop Loving You" reigned for seven weeks in 2005.

44

Airplay for the song (4.9 million impressions, up 66%), which enters Mainstream R&B/Hip-Hop at No. 39, is led by WZHT Montgomery, Ala. (86 plays).

Will Smith's 9-year-old daughter makes her Billboard chart debut. Her big brother, 12-year-old Jaden, reached No. 33 on the Billboard Hot 100 in June as a featured artist on Justin Bieber's "Never Say Never."

The song marks Usher's 45th chart entry. Since his first appearance in the Sept. 18, 1993, issue, he, Diddy and Nas are tied for eighth-most chart visits; Jay-Z leads in that span with 99 charted titles.

BETWEEN THE BULLETS

NO 'LIE,' EMINEM VAULTS INTO TOP 10

EMINEM

Eminem inks his first top 10 on Hot R&B/Hip-Hop Songs as a lead artist in eight years, as "Love the Way You Lie," featuring Rihanna, bounds 14-8 with Greatest Gainer/Airplay honors (23.8 million in audience, up 42%). He last ranked in the top tier as a lead act with the No. 4-peaking "Lose Yourself" in 2002. He notched his sole other top 10 as a featured artist, with Kanye West and Lil Wayne, on Drake's "Forever" (No. 2) last year. "Lie" marks Rihanna's sixth top 10, a sum that includes three rap tracks for which she's provided vocals, following T.I.'s "Live Your Life" (No. 2, 2008), on which she guested, and "Run This Town" with West and Jay-Z (No. 3, 2009).

2 & 3
The singer swaps places with himself as he continues his quest for a second chart-topper. He led the list for two frames last winter with "I Invented Sex."

5
Following Waka Flocka Flame's nationwide promo tour, "No Hands" continues to climb the charts as it marks the Atlanta rapper's best position on the chart yet. On Top R&B/Hip-Hop Albums, "Flockaveli" sits in the top five for a third week with 12,000 (down 36%).

41 & 85
Having already set this year's mark for most titles on the chart in a week with T.I.—on three separate occasions in January—Gucci counts his current debut at No. 85. His biggest gain this week is the track at No. 41, which posts a 35% audience gain.

47
The remorseful redemption track jumps 28 spots with a 112% increase linked primarily to radio airplay in home state Georgia and nearby Alabama and Mississippi, following news of his sentencing for parole violation.

The Brooklyn MC gains Hot Shot Debut honors with this punchline-ridden, metaphorical ode to a lady. Despite nine chart appearances this year, this is only his second listing as a lead artist.

BETWEEN THE BULLETS ADDING COLOR TO THE CHARTS

Wiz Khalifa's Pittsburgh Steelers-inspired single "Black and Yellow" continues to break new ground for the underground favorite. On the Mainstream R&B/Hip-Hop and Rhythmic charts (opposite page), the track debuts at Nos. 37 and 38, respectively, to become his first charting title on either list. On Hot R&B/Hip-Hop Songs, it breaks into the top half of the list with a 51-44 leap, racking up 5.6 million listener impressions. "Black and Yellow" is presumably the lead single off "First Flight," his Atlantic Records debut scheduled for next year.

20 Benet breaks into the top 20 for the fourth time in his 14-year chart history. 1999's "Spent My Life With You" remains his only No. 1 title, spending two weeks atop the chart.

The Chicagoan keeps climbing steadily with support at Adult R&B, where the track jumps 12-7 with Greatest Gainer honors (up 290 plays), his first top 10 on that list since 2004.

67 Rihanna and Drake's first duet is the list's Hot Shot Debut and marks his 13th charting title this year compared with the pop chanteuse's third R&B/Hip-Hop appearance.

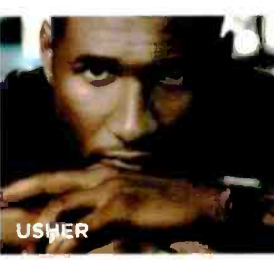

80 Playing off the name of the late Nirvana frontman, this Houston rapper leaps 17 positions with only two stations playing the record: hometown KBXX Houston (52 plays) and WWRN New York (six).

Banks enters with the third single off his new "Hunger for More 2," due Nov. 23. The track follows "Beamer, Benz, or Bentley," which peaked at No. 19 in May, and "Any Girl," which hit No. 52 and drops 74-95 this week.

BETWEEN THE BULLETS 'THERE GOES' 2010'S LONGEST RUN

Achieving a 26th week in the top 10 of Hot R&B/Hip-Hop Songs, Usher's "There Goes My Baby" breaks his tie with Alicia Keys' "Un-Thinkable (I'm Ready)" for the longest top 10 run of the year. Since the chart began using Nielsen SoundScan data to power its rankings in the Dec. 5, 1992, issue, only Maxwell's "Pretty Wings" has resided in the top 10 longer, with 28 weeks earned last year. It's unlikely that Usher will break that record, as "There Goes My Baby" slips 6-9 with a 14% decrease in audience this week.

The rapper picks up her second top 10 as a lead vocalist following "Your Love," which peaked at No. 4 in August. Debut set "Pink Friday" will hit the albums chart next week, likely entering R&B/Hip-Hop Albums at No. 2.

The Chris Brown-assisted track skips 12-10 on the Mainstream R&B/Hip-Hop airplay ranking, marking his eighth top 10 on that list.

The Gap Band frontman breaks into the top 20 for a fourth time in his 18-year history as a soloist. His guest spot on Snoop Dogg's "Beautiful" remains his highest-ranking effort (No. 3 in 2003).

The Brooklyn MC leaps 13 positions to crack the top half of the list for the first time this year as a lead artist. "Body Ya," with DJ Drama, peaked at No. 75 in May and "Lights Out" reached No. 92 in September.

The gospel duo is this week's Hot Shot Debut with 2.6 million listener impressions, up 237%. The song also opens at No. 27 on Adult R&B as 10 of those format stations played the song more than 10 times.

BETWEEN THE BULLETS DRE LIGHTS UP R&B/HIP-HOP SONGS

Dr. Dre's "Kush," featuring Snoop Dogg and Akon, opens at No. 69 on Hot R&B/Hip-Hop Songs with 2.3 million impressions, according to Nielsen BDS. The track is the first single off his highly anticipated "Detox" album, due in 2011, 12 years after the rapper/producer released "Dr. Dre—2001." That set spent four weeks at No. 1 on Top R&B/Hip-Hop Albums in 1999. His first release, "The Chronic," spent eight weeks at the summit in 1993. "Kush" also sells 45,000 downloads in its first week, enabling its bow at No. 36 on Hot Digital Songs.

55	55	3	GET BACK UP NOT LISTED (NOT LISTED)	T.I. Featuring Chris Brown GRAND HUSTLE/ATLANTIC	58

Songz picks up his second No. 1 in his five-year chart history, preventing Brown from accruing a double-digit run at the top. Brown's nine-week stay at No. 1 was the longest; by a male since Maxwell's 14-week reign that ended in November 2009.

14 She breaks into the top 20 for a fifth time, with the song's recent video release fueling much on-air discussion and airplay. Trey Songz' "Bottoms Up," on which she's featured, remains her best showing with a No. 2 peak.

35 The Tallahassee, Fla., singer rises eight positions with 7.1 million listener impressions, a 23% increase. Despite the title, the track is a signature T-Pain R&B song with references to 11 different rap acts.

80 After a two-year hiatus from the list, Shepherd returns with the lead single off "Love & Truth," which debuts at No. 78 on R&B/Hip-Hop Albums with less than 1,000 copies sold.

95 With his third album "The DeAndre Way" set for a Nov. 30 release, Soulja posts a third single from the set on the chart. "Pretty Boy Swag" peaked at No. 6 in the Aug. 7 issue, and "Blowing Me Kisses" reached No. 58 last month.

BETWEEN THE BULLETS 'NO LOVE' FOR EMINEM?

EMINEM

Eminem's "No Love," featuring Lil Wayne, is this week's Hot Shot Debut on Top R&B/Hip-Hop Songs as it opens at No. 71 with 2.1 million listener impressions (up 180%), according to Nielsen BDS. The track also leaps 16-10 on Rhythmic (see chart, opposite page) to mark his 17th top 10 title on that list—the fourth most behind Ludacris (25), Lil Wayne (19) and T-Pain (18) since Eminem's 1999 debut. Eminem on Hot R&B/Hip-Hop Songs, Eminem has reached the top 10 only three times, with his guest spot on Drake's "Forever" marking his best showing yet (No. 2 in October 2009).

2 Singer nabs his fourth No. 1 on Mainstream R&B/Hip-Hop as song vaults 7-1, establishing the largest leap to that chart's peak since "Bills, Bills, Bills" by Destiny's Child zoomed 8-1 on the July 10, 1999, list.

22 Eminem earns his fourth No. 1 on Hot Rap Songs, and second as a lead artist, as track rises 2-1. He last took top billing on a No. 1 with "The Real Slim Shady" in 2000. Meanwhile, guest Rihanna notches her third Rap chart-topper, the most by a non-rapper.

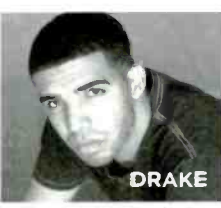

Leaping three notches to No. 9 on Rhythmic Airplay, the duo joins OutKast and Pretty Ricky as the only rap groups to carry their first three debuts to the top 10 of that list. Previous songs "You're a Jerk" and "Tie Me Down" peaked at Nos. 9 and 4, respectively.

The former Def Jam crooner samples Patti LaBelle's 1984 classic "Love, Need and Want You" on the first official single from his Interscope debut, "King of Hearts," due next year.

BETWEEN THE BULLETS 'FANCY' FACING SOME ISSUES?

DRAKE

Up 2.8 million impressions in its 11th week, Drake's "Fancy" becomes his 10th top 10 as it leaps 15-10 on Hot R&B/Hip-Hop Songs. He has the most top 10s on the chart among all artists since his debut in June 2009. But, with 65 consecutive weeks in the top 10 and 21 chart appearances, radio might be oversaturated with Drake. The single is his slowest climb to the top 10 as a lead artist and his lowest audience gain in four weeks. Also, the single is receiving little support in large markets. According to Nielsen BDS, it ranks no higher than No. 20 on the playlists of five out of seven stations in the nation's top five markets. —Raphael George

The Slinger notches her 12th top 10 on Hot R&B/Hip-Hop Songs while posting her fifth overall top 10—and first set to go back to back—at Adult R&B (12-10). Previous single “Everything to Me” rose to No. 1 on both lists in the spring.

Ross inks his sixth top 10 while featured star Styles P scores his first top 10 outside of the Lox and D-Block.

The track is one of eight new songs featured on the double-disc reissue of “Raymond V Raymond,” slated for Aug. 24. Tune enters with 4.4 million listener impressions.

Radio powerhouse WWPR New York ramps up rotation to 47 spins from eight the prior week, serving 62% of the song's 2.6 million impressions.

Remake of the Harold Melvin & the Blue Notes classic is the first single from the John Legend & the Roots collaboration album, due Sept. 21.

This single rises by nearly 2 million listener impressions for Badu's first top 20 hit since "Love of My Life (Ode to Hip Hop)" spent four weeks at No. 1 in 2002.

The title earns the best increase on R&B/Hip-Hop Digital Songs, rocketing 17-11 (up 31%). Meanwhile, airplay impressions climb to 8.6 million (up 10%), prompting this list's jump.

Track ranks as Ross' career-best entry and the second-best debut by a rap song this year. Upcoming project "Teflon Don" streets this summer.

Free from the legal issues with former labelTVT, Lil Jon takes his first bow as a lead artist in four years. The highly anticipated "Crunk Rock" hits stores this summer on Universal Motown.

The crooner leads the playlists of 24 radio stations that report to this chart, including the following outlets that post double-digit spin increases: WIMX Toledo, Ohio (up 26 plays); WPMZ Chattanooga, Tenn. (24); and WHOT Miami (14).

Up 2.3 million impressions, the four-man group from Inglewood, Calif., vaults to its first top 20 hit.

As summer begins, radio station concerts heat up and fuel large gains for featured acts. In support of its June 19 bash starring Monica, WHTA Atlanta ramps up rotation of her single by 26 spins, the largest increase the title sees on any station during the week.

Gucci Mane's protégé leaps by 1.2 million in audience. Meanwhile, the single debuts at No. 44 on Rap Digital Songs with 9,000 downloads. (Full chart viewable on billboard.biz.)

DeVaughn's Hot Shot Debut is no shout-out to the "Nothin' on You" star. In this case, the familiar acronym stands for "battery-operated boyfriend."

BETWEEN THE BULLETS

FEMALE RAPPERS BACK IN TOP 10

Nicki Minaj earns the first top 10 by female rapper as a lead artist on Hot R&B/Hip-Hop Songs in four years as "Your Love" sprints 17-9. Prior to Minaj, Shareefa's "Need a Boss" was the last top 10 single by a female rapper when it peaked at No. 10 in the Oct. 21, 2006, issue. "Love" is Minaj's third top 10 after guesting this year on Usher's "Lil Freak" (No. 8) and Ludacris' "My Chick Back" (No. 2). Minaj also ends the female-rapper drought on Mainstream R&B/Hip-Hop as "Love" jets 15-10. The last female-fronted top 10 rap track was Trina's "Here We Go," which peaked at No. 2 in December 2005.

A week after landing his 26th top 10 to extend his lead among rappers, Ludacris adds another pair to his mantle with the chart's top two airplay gainers. The track at No. 7 gains 4.2 million listener impressions, while the title at No. 9, on which he's featured, adds 3.6 million.

17 Up 1.6 million listener impressions, Minaj inks her first top 20 hit as a lead artist. Meanwhile, track downloads double to 55,000 on Hot Digital Songs (62-26).

59 With the second single from the upcoming "Libra Scale," the singer/songwriter posts his fourth-best career debut, rebounding after the set's first single peaked at No. 88 with just two weeks on the chart.

The highly anticipated "Thank Me Later" hears early applause at No. 88 on Top R&B/Hip-Hop Albums (viewable in full at billboard.biz/charts) due to street-date violations; it also spawns its third debut in four weeks on this list. The set is projected to top the Billboard 200 and Top R&B/Hip-Hop Albums next week with 450,000-500,000 sold.

BETWEEN THE BULLETS
CIARA RIDES INTO TOP 10

Ciara logs her 12th top 10 on Hot R&B/Hip-Hop Songs as "Ride," the lead single from forthcoming album "Basic Instinct," cruises 18-9. Since notching six weeks at No. 1 with debut single "Goodies" in 2004, the singer ties Beyoncé for the most top 10s by a female in that span of time. The two artists are also tied for second-most chart-toppers in that period. Alicia Keys leads with seven.

The eight-week march to the top 10 for "Ride" marks Ciara's fastest since "Like a Boy" required seven frames in 2007. "Ride" also vaults 18-9 on Mainstream R&B/Hip-Hop for her 12th top 1

Bride and mother-to-be extends her chart-topper lead at Adult R&B with her ninth trip to the summit. Toni Braxton, Whitney Houston, Brian McKnight and Luther Vandross are deadlocked in second place with six No. 1s each.

Ahead of the June 15 street date of his debut album, the young powerhouse lays claim to his third Hot Rap Songs No. 1 as a lead artist and fourth overall. He also earns his sixth top 10 on Rhythmic Airplay (11-8).

"New Amerykah" posts a modest 7% increase but it's enough to earn a return to the top 10 of Top R&B/Hip-Hop Albums (15-9) for the first time in five weeks.

The second single from T.I.'s "King Uncaged," due in August, arrives with 2.6 million listener impressions. Meanwhile, the album's preview single tumbles 12-14.

Radio taps into an Internet leak rumored to be the first single from West's upcoming album. The title boards the chart with 2 million listener impressions in five days of airplay.

At eight weeks, the song makes the fastest sprint to the top three of her four trips to that region of the chart. Title improves by 3.6 million listener impressions.

Since debut single "Best I Ever Had" crashed the top 10 in June 2009, the Canadian rapper/actor has earned more top 10s than any artist, with seven.

At No. 2 on R&B/Hip-Hop Digital Songs, this single shifts 197,000 downloads, surpassing 1 million units sold since its December release.

The song and its performers—Jamie Foxx (pictured) and Justin Timberlake—are featured in TNT promos for the NBA playoffs. At radio, title moves past 2 million listener impressions (up 20%).

While Carey's remix CD "Angels Advocate" has been shelved by her label, "Memoirs" motors 32-23 on Top R&B/Hip-Hop Albums (up 87% after being sale-priced for \$7.99 at Target).

BETWEEN THE BULLETS

DON'T CRY FOR MAXWELL

Maxwell becomes the first male artist to land three consecutive No. 1s on the Adult R&B chart as "Fistful of Tears" rises 2-1. It's the singer's fifth career leader and the third No. 1 from "BLACKsummer's night." The set's previous chart-toppers were "Pretty Wings" (12 weeks at No. 1) and "Bad Habits" (nine). Maxwell ties Musiq Soulchild for second place for the most chart-toppers among males: Brian McKnight and Luther Vandross are tied for first with six each. Alicia Keys leads all artists on the chart with eight No. 1s and is the first to earn three straight chart-toppers at Adult R&B—a feat she's managed twice.

3 Title is Usher's 14th top three, tying Mariah Carey for the most trips to the Nielsen SoundScan era (since 1992).

Usually a speedy chart climber, Keys needed 11 weeks to reach the top 40. It's only the second time as a lead artist she has taken double-digit frames to hit that level. The single is aided by its best increase in airplay (up 3.1 million impressions).

42 After 10 years and six chart hits, the Black Eyed Peas make their debut in the top half of the chart. The group's former benchmark of No. 51 is shared by two singles, "Request Line" (2001) and "Boom Boom Pow" (2009).

The singer scores his second Adult R&B top 10 (11-10) following "Woman," which spent nine weeks at No. 1 in 2008.

52 After two straight weeks of declining airplay, the single rebounds by nearly 1 million listener impressions to a new peak. Song also hops 17-15 on Adult R&B.

BETWEEN THE BULLETS

MONICA NETS SIXTH NO. 1 SINGLE

Monica earns her sixth No. 1 and her first chart-topper in seven years on Hot R&B/Hip-Hop Songs as "Everything to Me" rises 3-1. The song is her first view from the top since "So Gone" in 2003. "Everything" also moves the singer into a tie with Janet Jackson for second-most chart-toppers by a female since the chart began using Nielsen data in December 1992. The top of that diva list is headlined by Alicia Keys and Mariah Carey, who are tied with seven No. 1s each. Monica's "Still Standing" will likely bow at No. 1 on next week's Top R&B/Hip-Hop Albums.

While Thicke is unseated from his perch atop this chart, he continues to rise on Adult R&B, where he earns his fifth top 10 (13-10).

15 Song is second top 20 from Ludacris' current No. 1 on Top R&B/Hip-Hop Albums, his first chart-topping set since 2005 and fifth overall. Track's 17 million audience impressions include airplay of its remix featuring Diamond (formerly of Crime Mob), Trina and Eve.

As anticipated, T.I.'s comeback single soars with a hefty increase (up 3.6 million impressions) in its first full week of airplay. Song debuted last issue after only two days of radio play.

80 After peaking at No. 14 in January with "Yesterday," Braxton debuts the second single from sixth studio album "Pulse," which streets May 4. The track paces 27-18 on Adult R&B.

The young Canadian singer enters with third single from debut album "The Bridge." She spent nine weeks at No. 1 with previous listing "It Kills Me."

TELL ME 'SOMETHING' GOOD

TIMBALAND

Timbaland celebrates a trio of chart-toppers as "Say Something" featuring Drake strolls 2-1 on both Hot R&B/Hip-Hop Songs and Hot Rap Songs while earning its fourth frame atop Mainstream R&B/Hip-Hop Airplay. "Say" is the first No. 1 for Timbo as a performer on R&B/Hip-Hop Songs and Hot Rap Songs. His previous high on the former list was the No. 4-peaking "Up Jumps the Boogie" with former partner Magoo in 1997. On the latter, he topped out at No. 9 as a guest on "Ryde or Die, Chick" by the Lox in 2000. Meanwhile, Drake earns his third trip to the summit of each chart.

With the chart's fastest No. 1 climb in more than four years, Marvin Sapp's "The Best in Me" tops Hot Gospel Songs in its 11th week and introduces his similarly named album, due March 16. Sapp's No. 1 rise is the quickest since Kirk Franklin's "Looking for You" needed 11 weeks to peak in November 2005.

Rotation increases at powerhouse stations WHTD Detroit (up 50 spots), KBXX Houston (up 37) and WJHM Orlando, Fla. (up 30) aid in Thicke's gain of 4.8 million impressions.

The song is Jay-Z's 23rd top 10 and moves him closer to matching Ludacris, who has 24, for the all-time lead among rappers.

The song, which first drew attention in secondary markets, begins to catch on at larger stations. Nielsen BDS reports first-time detections at WWPR and WRKS New York, WHTD Detroit and WEDR Miami.

Kirk Franklin's all-star charity effort owes 63% of its chart points to the physical single, which climbs to No. 1 on Hot R&B/Hip-Hop Singles. The song, meanwhile, is No. 60 on Hot R&B/Hip-Hop Airplay (2.3 million impressions).

The-Dream's follow-up to his 2009 album, "Love w/s Money," launches with this single, which earns 1.2 million audience impressions from five days of airplay.

BETWEEN THE BULLETS BADU'S 'WINDOW' FRAMES HIGH BOW

Amerykah Part Two: Return of the Ankh, is due March 30.

Laying the foundation for her upcoming album, neo-soul queen Erykah Badu returns to Hot R&B/Hip-Hop Songs with her highest bow in 13 years as "Window Seat" enters at No. 47. The song takes its place as the chart's best debut of the year and Badu's second-best career start behind her debut single, "On & On," which bowed at No. 7 in 1997. At No. 24 with Greatest Gainer stripes on Adult R&B, "Window" topples the No. 26 debut of "Didn't Cha Know" (2000) as the singer's benchmark entry on that chart. Badu's fifth studio album, "New

Hot Gospel Songs has the chart's quickest top 10 climb in 17 months, as Kirk Franklin Presents Artists United for Haiti's "Are You Listening" rises 11-8 in its fifth chart week. It's the latest-rising top 10 since Mary Mary's "Get Up" cracked the top 10 in five weeks in October 2008.

2 Keys soars by 5 million audience impressions and lands within striking distance (6-2) of her eighth career No. 1 on this chart.

10 After last week's premature debut due to early sales, the band rockets to its first chart-topper on Top R&B/Hop-Hop Albums since "Promise" rose to No. 1 in 1986.

At 42 chart weeks within the top 25, the singer needs just one more to match Mary J. Blige's "Be Without You" for most frames in this region of the chart during the Nielsen SoundScan era (since 1992).

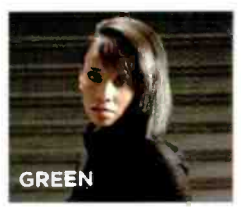

Up 1.1 million impressions, the song gives the singer her first top 50 hit after two previous attempts.

With two debuts this week, Ludacris (pictured) ties Snoop Dogg for the third-most entries by a rapper (58). The higher bow is his best as a lead artist in almost four years.

MARY MARY'S 'ME' MEETS MILESTONE

MARY MARY

Gospel duo Mary Mary smashes the record for the longest chart run by a group on Hot R&B/Hip-Hop Songs as "God in Me" (No. 27) enters its 64th week on the list. The track surpasses Dru Hill's "In My Bed," which collected 63 chart frames in 1997-98. "Me" debuted in November 2008 and peaked at No. 5 last September. It also owns the longevity record among gospel songs on this chart, outpacing Kirk Franklin's "Looking for You," which tallied 60 weeks in 2005-06. Mary Mary's feat comes one week after K'Jon established the endurance mark for male artists as "On the Ocean" earned 72 weeks.

Lil Wayne's super-group rises to its first chart-topper (3-1) on the Rhythmic airplay survey, besting the No. 2 peak of its "Every Girl" in August. The crew's leader is expected to bow at No. 1 with his "Rebirth" on Top R&B/Hip-Hop Albums next issue.

The song's major leap is the singer's second-largest, following the 41-slot vault of her debut single, "Don't Take It Personal (Just One of Dem Days)" (81-40), in April 1995.

The release of the DVD returns the late legend's like-titled soundtrack to No. 1 on Top R&B/Hip-Hop Albums (4-1) for the first time since the last week of November.

The singer rockets to her best sales increase in two months on Top R&B/Hip-Hop Albums, (11-9, up 45%). Another healthy surge is expected next issue following her six victories, the most by a female in one night, at the Jan. 31 Grammy Awards.

BETWEEN THE BULLETS INCREDIBLE LEAP FOR SAPP'S 'BEST'

Marvin Sapp's "The Best in Me" vaults 78-14 on Hot R&B/Hip-Hop Songs, posting the largest leap by a gospel track since the chart began using Nielsen SoundScan data 18 years ago. Buoyed by the Walmart-exclusive retail single, which debuts at No. 1 on Hot R&B/Hip-Hop Singles, "Best" also achieves the biggest jump on R&B/Hip-Hop Songs in four years among all genres. Airplay rises 26%, climbing to 1.9 million impressions. Adult R&B stations lead the way with more than 73% of the song's audience reach. "Best" has already matched the peak of Sapp's breakout single, "Never Would Have Made It," from 2008. —Raphael George

Crooner nabs his third top 10 following the No. 6 peak of "Magic" (2008) and the 11-week No. 1 "Lost Without You" (2007).

Timbaland scores his second top 10 and first since his 1997 debut single with former partner Magoo. Drake, the song's co-star, is onto his sixth top 10 since his debut last summer.

Aided by airplay from 25 new stations, the song's audience spikes 129% to reach 6 million impressions. Meanwhile, Usher, at No. 43, doubles his audience from last week to reach 5.1 million.

The Atlanta-based singer returns with her highest debut since 2003. This track was first heard on her weekly BET reality show.

Adult R&B hosts three gospel debuts by Fred Hammond (pictured, No. 38), Marvin Sapp (No. 37) and Kirk Franklin (No. 34). The chart can be viewed in full at billboard.biz/charts.

BETWEEN THE BULLETS
K'JON'S EXTENDED RUN

Detroit native K'Jon ties the record for the longest chart run by a male on Hot R&B/Hip-Hop Songs as "On the Ocean" (No. 39) enters its 71st week. His tenure matches Usher's "You Make Me Wanna," which logged 71 frames from August 1997 to December 1998. That single held the overall longevity record until it was eclipsed by Mary J. Blige's "Be Without You" in 2007 (75 weeks). "Ocean" debuted as an independent single, largely with sales from his home market. Airplay had lagged until Universal picked up the project a month into its run. It peaked at No. 12 on this chart and at No. 1 on Adult R&B last June.

Singer gathers her seventh chart-topper on the Mainstream R&B/Hip-Hop radio tally (4-1) to widen her lead as the female with the most No. 1s at the format. Among all performers, she's tied for third with Lil Wayne.

Up 2.8 million listener impressions, Usher (pictured) adds his sixth top 10 to his resumé. Featured rapper Plies inks an eighth top 10 since his 2007 debut.

Usher becomes the first artist to tally 10 No. 1s on Rhythmic Airplay, extending his lead over 50 Cent, Beyoncé, Mariah Carey, Ne-Yo and T-Pain, who are tied for second with seven each.

The sales pace on the 50-position R&B/Hip-Hop Digital Songs chart (viewable in full on billboard.biz/charts) is off 8% from last week, but Sean "Diddy" Combs' crew gains 23% to climb 29-21 on that list.

The song's upward momentum can be traced to adult R&B stations, which contribute 74% of its 2.7 million audience impressions increase.

BETWEEN THE BULLETS 'STEP UP' CHART DANCE CONTINUES

Trey Songz' "Already Taken"—the first single from Atlantic's upcoming "Step Up 3D" soundtrack—debuts at No. 66 on Hot R&B/Hip-Hop Songs. It's the 10th single from the movie franchise's three soundtracks to chart. However, this is the second cut that hasn't appeared on a previously released album. Missy Elliott's "Ching-a-Ling," an original track from "Step Up 2: The Streets," debuted in 2008. Three of the soundtracks' five top 10s have been by Atlantic artists: Songz ("Can't Help but Wait" from "Trey Day"), Flo Rida ("Low" from "Mail on Sunday"), and Sean Paul ("Give It Up to Me" from "The Trinity").

Universal Motown dominates three of the top five slots on the list. It's the first time the label has earned this many since June 2007.

Picking up his 24th top 10, Ludacris extends his lead with the most top 10s among rappers. Jay-Z is second with 22.

Keys placed her fifth consecutive No. 1 on Top R&B/Hip-Hop Albums (1-2) last week, the longest streak since DMX scored with six straight from 1998 to 2006.

33

This song first debuted as a Lil Wayne single in September but is now rebranded as a Young Money track following that act's album release. The song gains 1.4 million impressions.

With a debut by Maurette Brown-Clark (pictured) and listings at Nos. 37 and 75, the independent blues and gospel label Malaco has three charting titles this week for the first time since the chart began incorporating Nielsen SoundScan data in 1992.

BETWEEN THE BULLETS
FIONA'S LONG ROAD ENDS AT NO. 1

Melanie Fiona makes the third-longest journey to No. 1 on Hot R&B/Hip-Hop Songs by a woman in the past 10 years as "It Kills Me" rises 2-1 in its 19th week. The song from the Toronto native follows Jennifer Hudson's "Spotlight" (22 weeks) and Erykah Badu's "Love of My Life" (20) as the longest trips by females since 2001.

Fiona is the second Toronto-born artist to preside over the chart in the past year. Drake spent seven weeks at No. 1 with "Best I Ever Had" last summer and slips 1-2 this week as he featured star on Trey Songz' "I Invented Sex."

Singer is first to reach at least 45 million audience impressions since Maxwell's "Pretty Wings" last October and the first reigning No. 1 to earn Greatest Gainer since Jamie Foxx's "Blame It" in February 2009.

Hitmaker bolts with an increase of 3.7 million impressions and notches his highest chart position as a lead artist since 1997.

67

The song's No. 35 debut at Rhythmic is Beyoncé's 22nd appearance on the list. She is in fourth place among women (behind Mariah Carey, Janet Jackson and Mary J. Blige) to place a title on that chart.

39

A fourth straight week at No. 1 on Hot R&B/Hip-Hop Singles keeps singer afloat in the top 40 of this chart as the track sheds more than 1 million impressions.

There is no release date on the books for "Raymond vs. Raymond," yet the album has already spawned four debuts since October. The set's other singles rest at Nos. 7, 20 and 71.

5 Lil Wayne's side project is the first rap group in three years to start its career with consecutive top 10s on Rhythmic Airplay as this tune lifts "Every Girl" peaked at No. 2 in August.

A 10-track version of "Before I Self-Destruct" debuts on Top R&B/Hip-Hop Albums at No. 46 (2,500 copies). The full album shifts 15,000 (15-13).

Sade captures the Greatest Gainer flag with a gain of 5 million listener impressions, returning the song to its highest peak position achieved two weeks ago.

Up 2 million impressions, the song revisits the top 20 after falling from the territory three weeks back. It's also the Greatest Gainer on Adult R&B (4-3).

52 The Virginia native has charted 10 singles since his career began in 1995, but his four lyrical, year-in-review "Rap Up" songs have been his highest performers, including 2009's edition, which nets a career peak.

MANE

Earning 11 appearances on Hot R&B/Hip-Hop Songs this week, Gucci Mane ties T-Pain for the second-most concurrent titles on the chart since the list began using Nielsen SoundScan data in 1992. The Atlanta rapper's songs at Nos. 21, 24, 27, 33, 36, 63, 72, 83, 87, 90 and 100 place him three away from record-holder Lil Wayne, who slotted 14 singles on the Sept. 13, 2008, chart. Among his current collection of hits, Mane peaked at No. 2 as a guest on Mario's "Break Up" and reached No. 3 with "Wasted." The latter appears on "The State vs. Radric Davis," which climbs 11-10 on Top R&B/Hip-Hop Albums.
