MAY 2007 • VOLUME XXXIV • NUMBER 5

"Happy 34th Birthday to our TBN Partners" from Paul & Jan on Air Force One at the Ronald Reagan Museum in Simi Valley, CA.

TO THE END OF THE WORLD!

"GO YE THEREFORE, AND TEACH ALL NATIONS...AND, LO, I AM WITH YOU ALWAYS, EVEN UNTO THE END OF THE WORLD." MATT. 28:19, 20

Dear, dear Partners: As you can see on the map, your TBN has recently launched our signal on the largest satellite in the heavens! ABS-1 has the largest footprint which covers virtually one half of the population of planet earth! Yes, approximately three of the earth's six billion souls live under the pattern of this gigantic satellite — and the best part is that it is DTH (direct-to-home), on the homeowner's own small (about 1 meter) dish! This means no one can steal your signal!

In the past, TBN would furnish a cable

operator a free dish and receiver. In exchange they would give us free cable TV coverage to the home. But guess what? Unscrupulous broadcasters (some Christian) would come in and offer money or other things to the cable station — OFF GOES TBN, on goes the new broadcaster, and ON OUR DISH AND EQUIPMENT! How's that for Christian love and brotherhood? But NOW with the TBN signal coming direct from the sky to the home — no one can mess with us! We're right up there with the famous slogan, "DON'T MESS WITH TEXAS!"

Asia Broadcast Satellite's "footprint" blankets virtually one half of the earth's population. Yes, "This Gospel shall be preached...in all the world!"

continued from cover...

The other great news is ABS-1 is carrying FOUR of our TV networks: TBN, Church Channel, JCTV and yes, Jan, Smile of a Child! The cost: \$49,000 per month, but remember that is only slightly more than \$10,000 per network on a satellite with a footprint covering HALF OF THE WORLD! Praise the Lord!

Ah, dear Partners — can you imagine the harvest of souls as thousands of the dishes are installed? It is already estimated that millions of dishes and cable systems are tuned in and watching ABS-1 — with thousands more going in each month! Precious Jesus — “TO THE END OF THE WORLD” indeed!

So how do we put TBN and our other networks

into China (a second time), India and all of Europe — in fact, this awesome satellite stretches from London almost to the tip of Alaska, USA! I’ll tell you how: We’ll do it together just like all the other more than 15,000 television station and cable affiliates being fed by 62 satellite channels. If everyone will add one or two extra dollars to your next gift — we will have it with flying colors!

What will God reward you with for your faithfulness to the “END OF THE WORLD”? I could write a book on our Father’s reward program, but one of the best is:

“EYE HATH NOT SEEN, NOR EAR HEARD, NEITHER HAVE ENTERED INTO THE

HEART OF MAN, THE THINGS WHICH GOD HATH PREPARED FOR THEM THAT LOVE HIM.” I Cor. 2:9

And if we LOVE Him, we will give above and beyond to see this Gospel preached — yes, even to the “END OF THE WORLD.”

Dear Partners — the hour grows late. The Harvest is pouring in and the signs are overwhelming. We have to work fast!

One of the great signs is the false cults and religions. God warns us that in the last days:

“GOD SHALL SEND THEM STRONG DELUSION, THAT THEY SHOULD BELIEVE A LIE: THAT THEY ALL MIGHT

BE DAMNED WHO BELIEVED NOT THE TRUTH, BUT HAD PLEASURE IN UNRIGHTEOUSNESS.” II Thess. 2:11, 12

Have you ever heard a better description of this cursed “NEW AGE” movement that sweeps the world?

Come on Soldiers! Jan and I join you as we together cooperate with Jesus who “CAME TO DESTROY THE WORKS OF THE DEVIL” — yes, TO THE “END OF THE WORLD”!

Paul

SURPRISE, SURPRISE!

If you already have one or more of these gifts, please pass them on to a friend or neighbor — if they do not watch TBN you just may get them started!

In any case, these little items come with all the love Jan and I can muster. So, enjoy your surprise!

(Paul and Jan pictured from one of TBN’s early Praise the Lord programs). On May 28, 1973, TBN flashed on the air from a tiny rented studio in Southern California with one borrowed camera, two folding chairs and a Sear’s shower curtain for a backdrop.

(Pictured: Paul receiving telegram from the FCC granting the license for Ch. 40 in Southern California.) TBN’s first TV license was granted by the FCC on August 2, 1974.

Praise the Lord guests were hard to come by in those pioneering days, so Paul would sometimes interview staff members, like Rod Henke, while Jan (in the background) manned the prayer lines.

Yes, from one small TV station, God has raised up a mighty Voice to the world through His great network of over 15,000 television stations and cable affiliates, covered by 62 satellite channels, taking the Name of Jesus to the nations. To God be the glory!

LOVE LETTERS FROM AROUND THE WORLD

From Superpower KTBN shortwave radio listener in Cuba: “Hello dear Christian friends. The writer of this letter is a listener of your broadcast here in Havana, Cuba...Dear friends I venture to write you this letter because I have been listening [to] your broadcast today and I want the books that you want to send to your listeners...I like your broadcast. [I listen] on my Sony radio with the antenna hanging out the window in a second floor.... GOD BLESS AMERICA.”—CM

From China: “I have been hearing about TBN so much and have been listening to its messages through the internet. If I may say, TBN has been of great important to my spiritual growth. I will really wish to be more stronger in the Lord. I will really like to be encourage by your ministry.... Beloved in the Lord, I will be very much happy to read from you with all love from the Lord. I pray that let there be open heavens for TBN...may the Lord bless and may his abundant love, peace and grace be upon you people.”—ME

From Sweden: “Hello my brothers and sisters in Jesus Christ... I love you all in TBN. Watching TBN broadcast my life has really change. I just wanna say thanks for all your good work for God.”—S

From pastor in Egypt: “With the name of thousands of souls in more than 35 poor villages in Upper Egypt whom the Lord has touched their life through your great service of installing the Healing Channel into their houses. On their behalf I would like to present our deep thanks to everyone participate in this blessed work... I would like to advise you that the result of the installing of the Healing Channel to the poor house and the number of deprived villages in Upper Egypt [has] gone exceedingly beyond all expectations (praise the Lord). In every day thousands stay home in front of the Healing Channel instead of sitting in front of the worldly destroying channels that works on the devil’s behalf and they accept the work of God with great hunger. Many of the neighboring villages are asking with urgency that God will do with them what [He] has done with the other villages, and that their people also receive their share from the blessings.... They are praying without ceasing and the wonderful thing is that what you have done moved other people’s hearts in richer villages to do the same. My beloved, God had used you in a mighty work and I have confidence that He will use you in the future to extend His great work and you will be His blessing tools, which He will use to fulfill His promise (“Blessed be Egypt my people).”—EA

From the U.S.: “This show has kept me through all my fiery trials! Having had five major surgeries and cancer in the past four years.... I can’t tell you how many times I wanted to die and just get out of pain and suffering, but I would put TBN on and the Lord always had something healing, comforting and restoring to say through TBN.... I love you and thank you for being my lifeline emotionally, mentally, physically and above all spiritually. Praise the Lord!! My last biopsy...shows “No” cancer! —JM

From Bulgaria: “TBN is something special for me. Thank you for your great job and to make me and my friends happy.”—D

From Trinidad & Tobago: “I viewed a telecast program on TBN...I was truly touched by that inspirational message. I then continued to view other programs on TBN, and I gave my life back to Christ.”—TS
